Superintendent's Message

I wish to congratulate the class of 1949-50 for a job well done this year at Snyder High School.

In the years to follow, May you remember a few of the useful duties and tasks of being a clean and honest citizen. May you always try to do and say the best of your fellowman. Strive always for honesty, loyalty, and dependability.

In closing may I leave this thought with you: "We desire to build character by teaching ideals, appreciations, courtesy, manners, and to stress the great importance of how to get along with people. Your success and happiness depends on it."

It has been a great pleasure to work with you this year, and I hope for each of you the best that life can offer.

Sincerely,

Charles D. Morgan
