

The image shows the front cover of a book. The cover is a dark green color with a textured surface. A central rectangular label, also in dark green but with a slightly different texture, contains the title and year in white, sans-serif, all-caps font. The background of the cover features a repeating diamond-shaped pattern, where each diamond is formed by lines and has a small circular embossed detail at its center. The spine of the book, visible on the left, has a different texture, appearing more like a fine-grained leather or cloth.

Superintendent's Message

Congratulations to the PIONEER Staff for a splendid job on your annual. All of you will treasure this book of school activities in the years to come. I hope it will revive many happy memories of the school you love; the many friends you hold dear.

This annual, which depicts the spirit, the determination, and co-operation of everyone associated with all school activities, is as a banner reminding us of things well done and ever waving us onward into the future with greater self-confidence in our ability to succeed.

Our good wishes go with you as you enter more actively into the more practical aspects of life about you.

Sincerely,

Charles D. Morgan
