

THE '50 SAGEBRUSH

# Dedication

We, the students of the Brund High School of the year one thousand nine hundred and fifty, dedicate this annual to all persons who during the last half century have unselfishly helped to forward the progress and the standard of living of the world. We sincerely thank these people for their contributions to the progress of civilization.

# Superintendent's Message

Graduates of 1950:

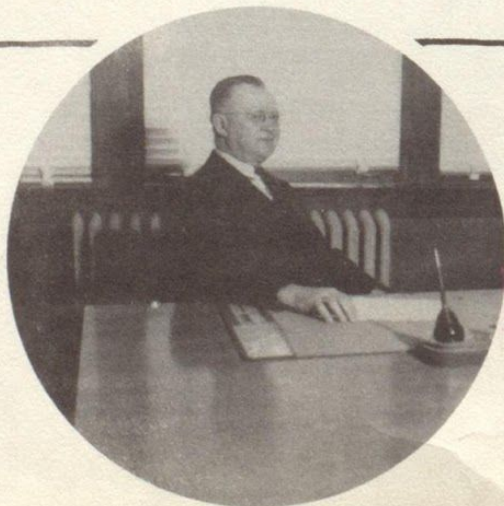

It has been fifty years since the first class of four students graduated from the Brush High School. These fifty years record more progress along technical and scientific lines than any fifty years of history.

Much remains to be done to make the world a happier and a safer place in which to live. Here-in lies a challenge for this class.

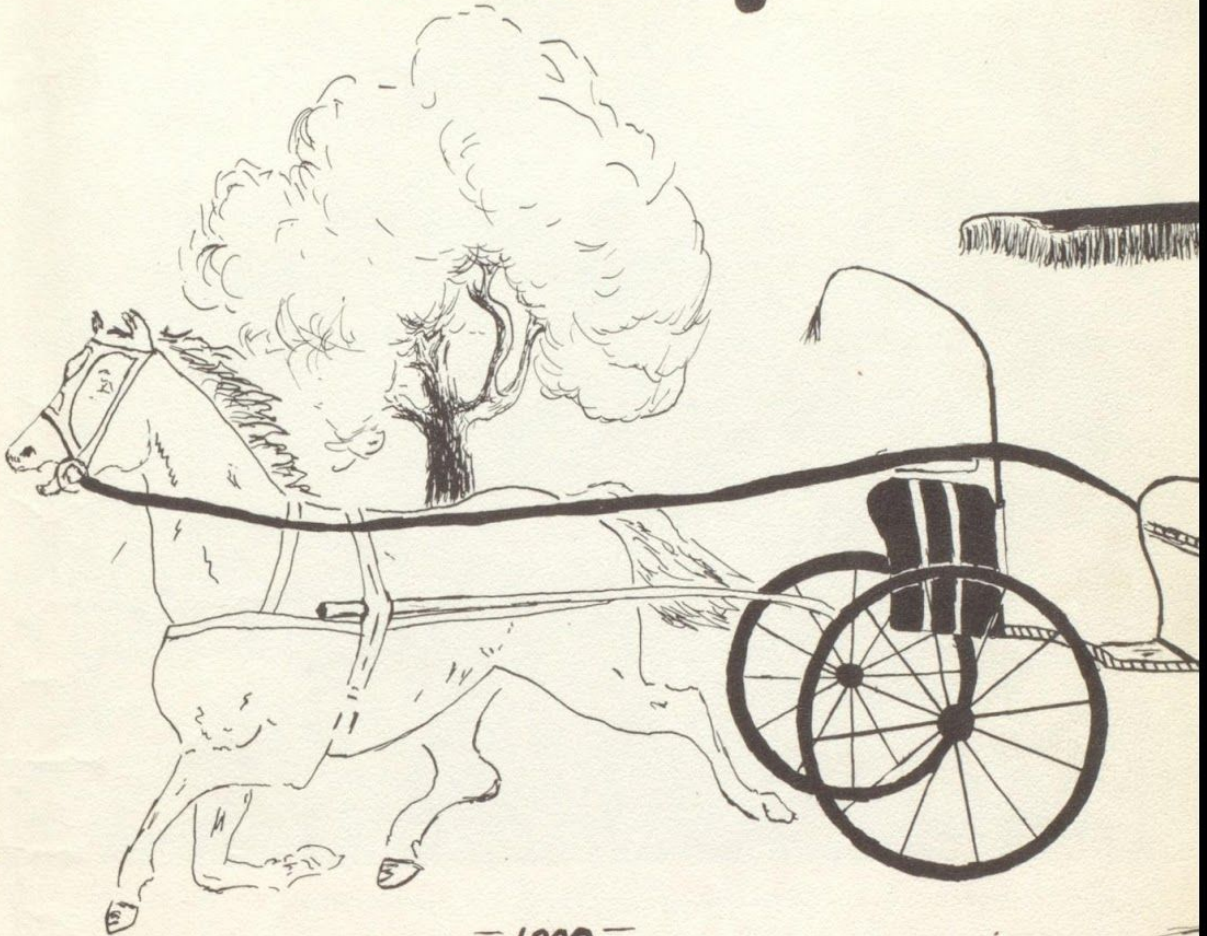

My best wishes to all of you for a happy and a successful life.

Sincerely,

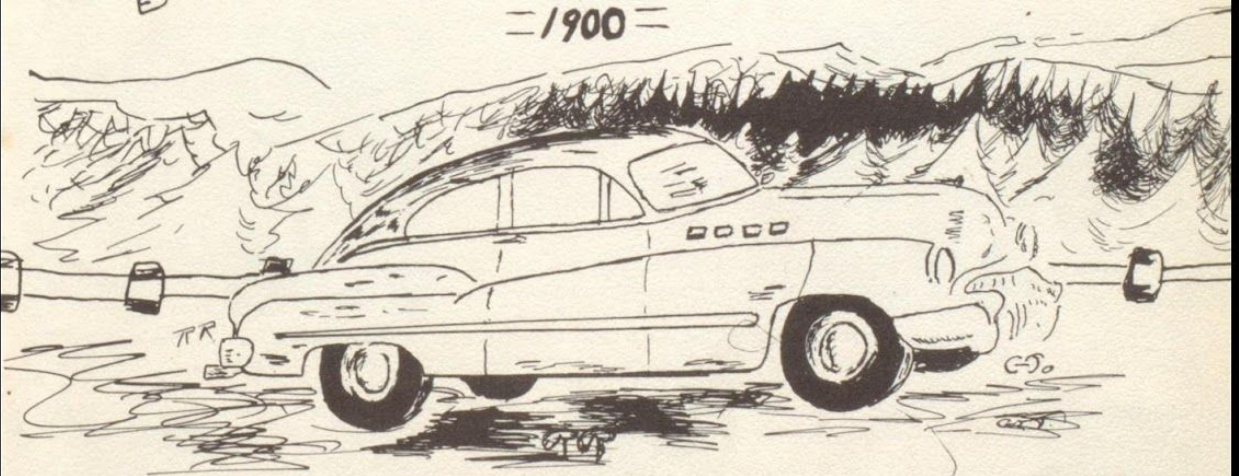

E. H. Thomas

Left to Right: Ramon Walker, Aleck Lebsock, Raymond Fries, E. W. Thomson, Harold Stitt, Dan Kjeldgaard.

The students, faculty, and administration wish to express gratitude to the school board for unselfish contribution of time and effort for the betterment of education in this school district.

The Colorado School Law states that "said directors shall have control of instruction in their respective districts." The powers of the board include: Employment and discharging of teachers and school laborers; fixing and ordering payment of wages; determination of tuition for non-resident pupils; to enforce the rules and regulations of the state superintendent; to fix the course of study, the exercises and the text books used; to provide for school furniture and all school equipment; to suspend or expel pupils who fail to obey rules; to determine the number of teachers employed; to exclude immoral or pernicious publications; and to make an annual report.

These are some of the duties of the school board. We are appreciative of their efforts in our behalf.

To the Sophomores, we leave any stub pencils, erasers, notes, or scraps of paper that we may chance to leave behind us in the excitement of gathering up our cherished treasures for the last time.

To the Freshman Class, any spare bits of powder puffs, broken vanity cases, pieces of mirrors, toothless combs, cakes of powder or powder in any form that may be found wandering aimlessly around the building unclaimed. We feel that this will be appreciated as they will soon be old enough to use such articles. These things are for boys and girls alike.

To the Freshman Class of next year, we leave our school colors, with the sincere wish that they will be as loyal to the "Maroon and Gold" as we have been.

To the public at large we bestow our appreciation of the benefits and blessings that this, our beautiful and prosperous community, affords; with its pleasant scenery, beautiful sunsets, mountains—ad infinitum—and hope that every one will appreciate and cherish these natural blessings which we have so much enjoyed.

In witness hereof, we, the Class of 1950, the testators, have to this will, set our hand and seal, this 1st day of June, A.D., one thousand nine hundred and fifty.

# '51

With gay spirits and high hopes, in the fall of '47, the class of 1951 entered the bright halls of B. H. S. as freshmen. They had an enrollment of eighty-one. Miss Taney and Mr. Seguire were chosen as their sponsors. Lee Roy Needens headed the class officers as president; Charles Hoff, vice-president; Georgia Wetzberger, secretary; Neva Owens, Treasurer; Bob Scott, Student Council Representative. The class play was "On the Air," a radio program written by members of the class in which every freshman took an acting part.

The class of 1951 again entered B. H. S. for a second try. They chose for their two classes, X and Y, Lee Roy Needens and Bernard Johansen, as presidents; Joan Bollig and Bob Scott, vice-presidents; Bette Mueller and Charles Hoff, secretaries; Margaret Adams and Mary Ann Wendt, treasurers; Georgia Wetzberger and Eleanor Koehler, Student Council Representatives. The traditional "Sophomore Hayride" became a cold success; they also sponsored a number of dances and decorated for Baccalaureate and Commencement. They chose as their sponsors Miss Burkett and Mr. Schweers.

As Juniors the class of '51 started out with a bang. Chosen as their officers for the year were: president, Douglas Tomky; vice-president, Johnny Lynn; secretary, Lucille Sprigg; treasurer, Joan Bollig; student council representative, Paul Sorensen. As money-raising projects they sold hot-dogs, pop, coffee, and candied apples at the football games, and sponsored several dances. The main event of the year was the Prom and Banquet, the theme of which was "Stardust." With lots of work put forth by the class it was one of the best ever given by B. H. S. students. Audrey Church, chairman of the Banquet committee, with her assistants, Rex Schweers, Carla Talbott, Lucille Sprigg, worked out the problem of the menu; they did a wonderful job. Likewise Joyce Stitt, chairman of the Prom committee, did a swell job on decorating and arranging for the dance; her assistants were Lell Bass, Mary Ann Wendt, Margaret Adams, Charles Hoff, Gene Ruggles. The junior class play was carried off with magnificent success. It was selected from a number of plays suggested by Mrs. Wood, who also ably directed it. The committee, Lell Bass, Conrad Hoffman, Wilford Tomky, Johnny Lynn, Douglas Tomky, Carla Talbott, Katherine Spomer, and Joyce Stitt chose Cornelia Otis Skinner's hilarious play "Our Hearts Were Young and Gay." Mrs. Becker and Mr. Richards were chosen as sponsors for the year.

## CLASS OF '52

### SOPHOMORE CLASS HISTORY

Determined to make a success of themselves, the class of 1952 entered the halls of B. H. S. in September of 1948. Mrs. Wood and Mr. Simmons as sponsors guided us through our Freshman year. We were led by Roger Allen and Kenny Rieb, Presidents; Mary Ann Ostwald and Jimmy Sauerbreit, V. Presidents; Jeanne Jones and Paul Hildebrand, Secretaries; Jerry Capp and Donald Wilcox, Treasurers; Shirley Schneider and Addie Smith; Student Council Representatives. Making a float for the Homecoming Parade and taking charge of the bonfire for the Snake Dance were two of the big events of the year.

Encouraged by their success as Freshmen, the class of '52 returned to B. H. S. This year Miss Burkett and Mr. Lindberg assisted them as sponsors. The class officers were: Presidents, John Christensen and Danny Scott; Vice Presidents, Edna Gieck and Shirley Schweers; Secretaries, Jerry Capp and Addie Smith; Treasurers, Evelyn Hansen and Kenny Rieb; and Student Council Representatives Ted Lewis and Roy Muir. The traditional Sophomore Hayride was held, a float was entered in the Homecoming Parade, we sponsored several dances and were in charge of Baccalaureate and Commencement decorations.

## CLASS HISTORY

The class of '53 entered B. H. S. in September of 1949. We were lucky and escaped initiation. After enrollment there was the usual bewilderment in trying to find the different class-rooms.

The class had as our sponsors, Mrs. Wood and Mr. Johnson. We elected class officers soon after the beginning of school. Nine-X officers: Myrna Baird, President; Lyle Marietta, Vice President; Ardelle Lesser, Secretary; Jerry Hartwig, Treasurer; and Bob Clift, Student Council Representative served as class officers for the first semester, with the officers of the 9-Y; Duane Teter, President; Verl Owens, Vice President; Elaine Seeley, Secretary; Eunice Noffsinger, Treasurer; and Emma Montoya, Student Council Representative serving the last semester as class officers.

Our activities for the year consisted of sponsoring a number of dances, building the bonfire for the Snake Dance, and entering a prize-winning float in the Homecoming Parade.

Service to the school and the community through promotion of school spirit and support of the athletic teams is the purpose of the B. H. S. Pep Squad. These maroon and white clad "rah-rah" girls lustily help to cheer our teams to victory, add a bright touch to parades, and entertain the spectators between halves at the games with their cleverly done stunts.

The Pep Club this year has an enrollment of eighty-six such ambitious girls who, from the time of formal initiation, have been busy with schemes for making money, getting sweaters, and publicizing the Beetdiggers. A great deal of credit for such a successful year is due to the efforts of the officers as well as those of the sponsor, Mrs. Queen.

Back row: B. Johansen, C. Smith, J. Sauerbreit, R. Allen, J. Ott, R. Schreiner. Front row: P. Hildebrand, D. Wilcox, J. Friedrichs, L. Spafford, H. Goeken, S. Lang.

The purpose of the Camera Club is to further photographic knowledge and develop an interest in photography. Regular meetings are held at which different photographic problems are discussed. The correct method of taking pictures, developing and printing pictures, and making enlargements are the main topics discussed. Membership is opened to anyone who is interested in photography.

### SAFETY COMMITTEE

The safety committee is made up of junior and senior boys who are interested in the safety of our school. This organization is under the supervision of Mr. Franklin Mercer. Each month, according to the requirements of the Northeastern Criterion League, the fire squad members, along with the students, have a fire drill.

After each fire drill a meeting is held by the thirteen members of the committee to discuss the fire drill and to make preparations for the next one. The committee find this method of procedure quite acceptable to the rest of the student body.

This is a new organization in our school for girls.

# F.F.A.

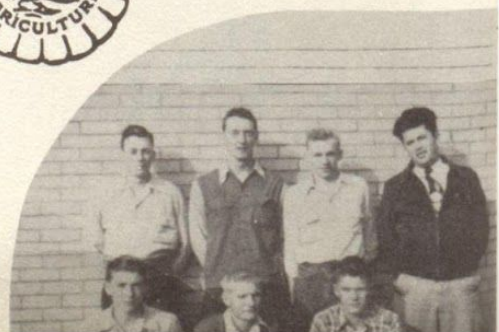

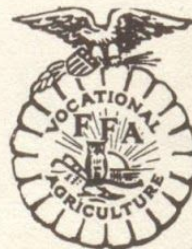

F. F. A. is the social activities connected with vocational agriculture.

To better understand agriculture, district and state contests on livestock, crops, poultry, and farm mechanics are held. Brush received three superior banners in the 1949 contests. Also, the chapter sees the best types of livestock and crops while attending the National Western Stock Show in Denver. One of the most important projects for the year was the handling of the concessions during the Morgan County Junior Fair. It proved to be a good money-raising project.

A state convention was held at Estes Park during the summer where a wide program of recreation and the study of F. F. A. were enjoyed by all.

The purpose of the "B" Club is to create unity, well being, and friendship among the lettermen, to create more interest in athletics, and in everyway possible to further the athletic program in Brush High.

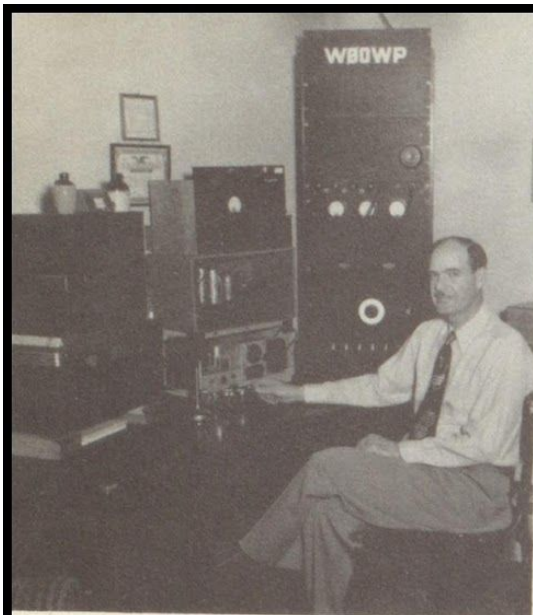

In furthering the athletic program the "B" Club held a "B" Club Ball, for the purpose of raising money to buy new basketball warmups. They also sponsored the Homecoming Dance, which was one of the gala festivals of the year.

The Radio Club is an organization established for those students interested in becoming radio amateurs. Amateur Radio is a universal hobby in experimental communications. There are three steps involved in the process of becoming an amateur. The first step consists of learning simple radio theory and the International Morse Code. The second step is becoming familiar with the radio laws and regulations. The third step is the acquiring of the Government station and operator licenses.

## RADIO CLUB

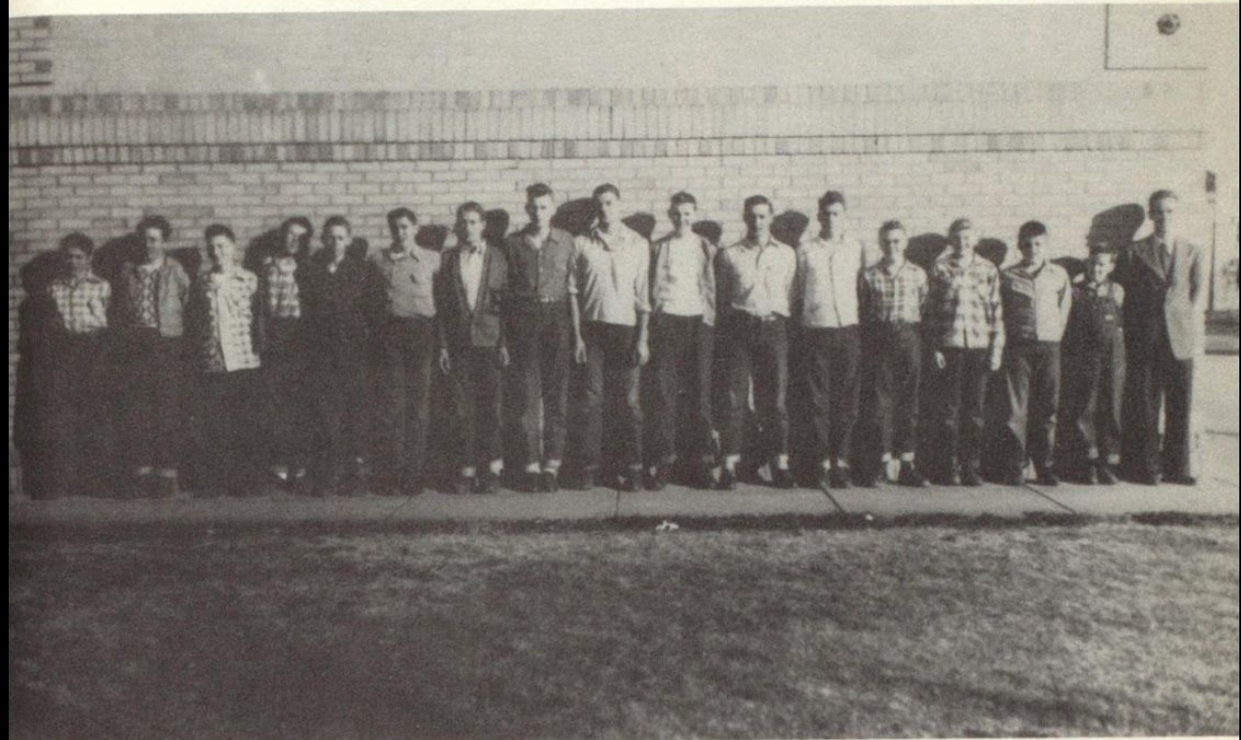

The club now has four Government licensed operators who assist in the activities of the club, and five student members who have hopes of obtaining their licenses in the near future.

The licensed Hams, who are confirmed addicts of the "rag-chewer's" art, are: R. Walker, W0OWP, who is a member of the Board of Education; Superintendent of Schools, E. W. Thomson, W0OPF, Franklin Mercer, W0SFS, and R. R. Schweers, W0PSB. The Student members are: D. Wilcox, J. Friedrichs, L. Spafford, S. Lang, and M. Ray. Mr. Schweers is the club sponsor.

The purpose of the Hi-Y organization is to create, maintain and extend throughout the school and community high standards of Christian character.

The year 1949-1950 is the second year the Brush Hi-Y has been organized. It has been better organized this year than last year and we have tried to present programs at all the meetings.
