SPRING 158
CONCLUSION 180

August 28, 1972 was the first day of the last year for the class of '73. Because of warm days it seemed as though it was going to be a long fall, but on Halloween night the spirits dropped snow on Mother Earth, opening the door to a cold north wind.

Winter snows lingered from October through late April, confining students to the building. With the coming of May the weather made a sudden change to extremes with 80° temperatures and a release of students to the grassy lawns.

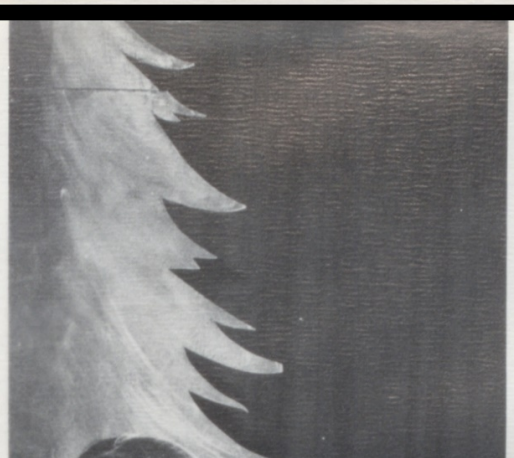

Homecoming opened the year's activities in October, initiating the new freshmen into the competitive interaction of the classes. This competition was evident in the Christmas skits and other assorted class activities, culminating in the annual highlight of class spirit—Digger Day.

The Sweetheart Dance and the Junior-Senior Prom climaxed the dances for the 1972-73 year, in addition to several dances sponsored by the different clubs at other times.

There were three plays given this year: the Junior Class Play, the traditional All-School Play, and a new idea—a musical entitled "The Featherduster".

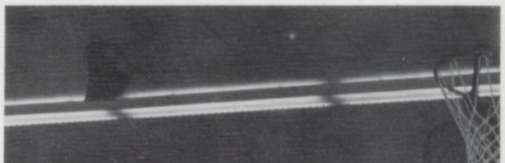

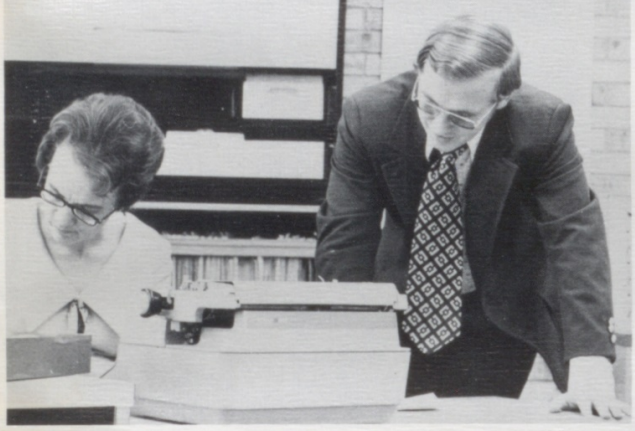

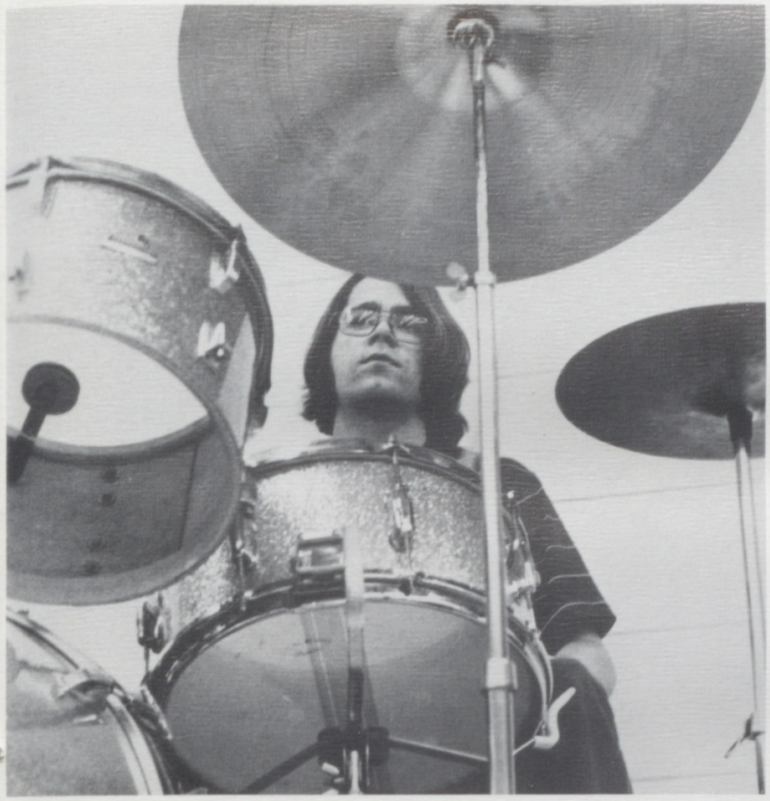

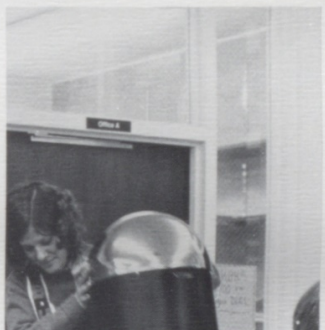

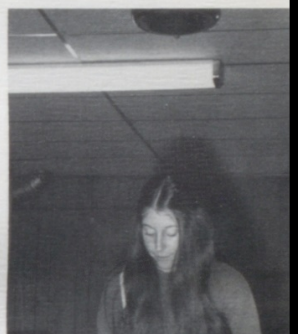

Academic subjects varied greatly with the individual interests of each student. Math, Science, English, Music, and many other courses made up the rotating extended periods which tended to confuse the students and faculty on a regular basis throughout the entire year.

Although the courses often required great concentration, there were periods of fun and excitement which served to relieve the routine.

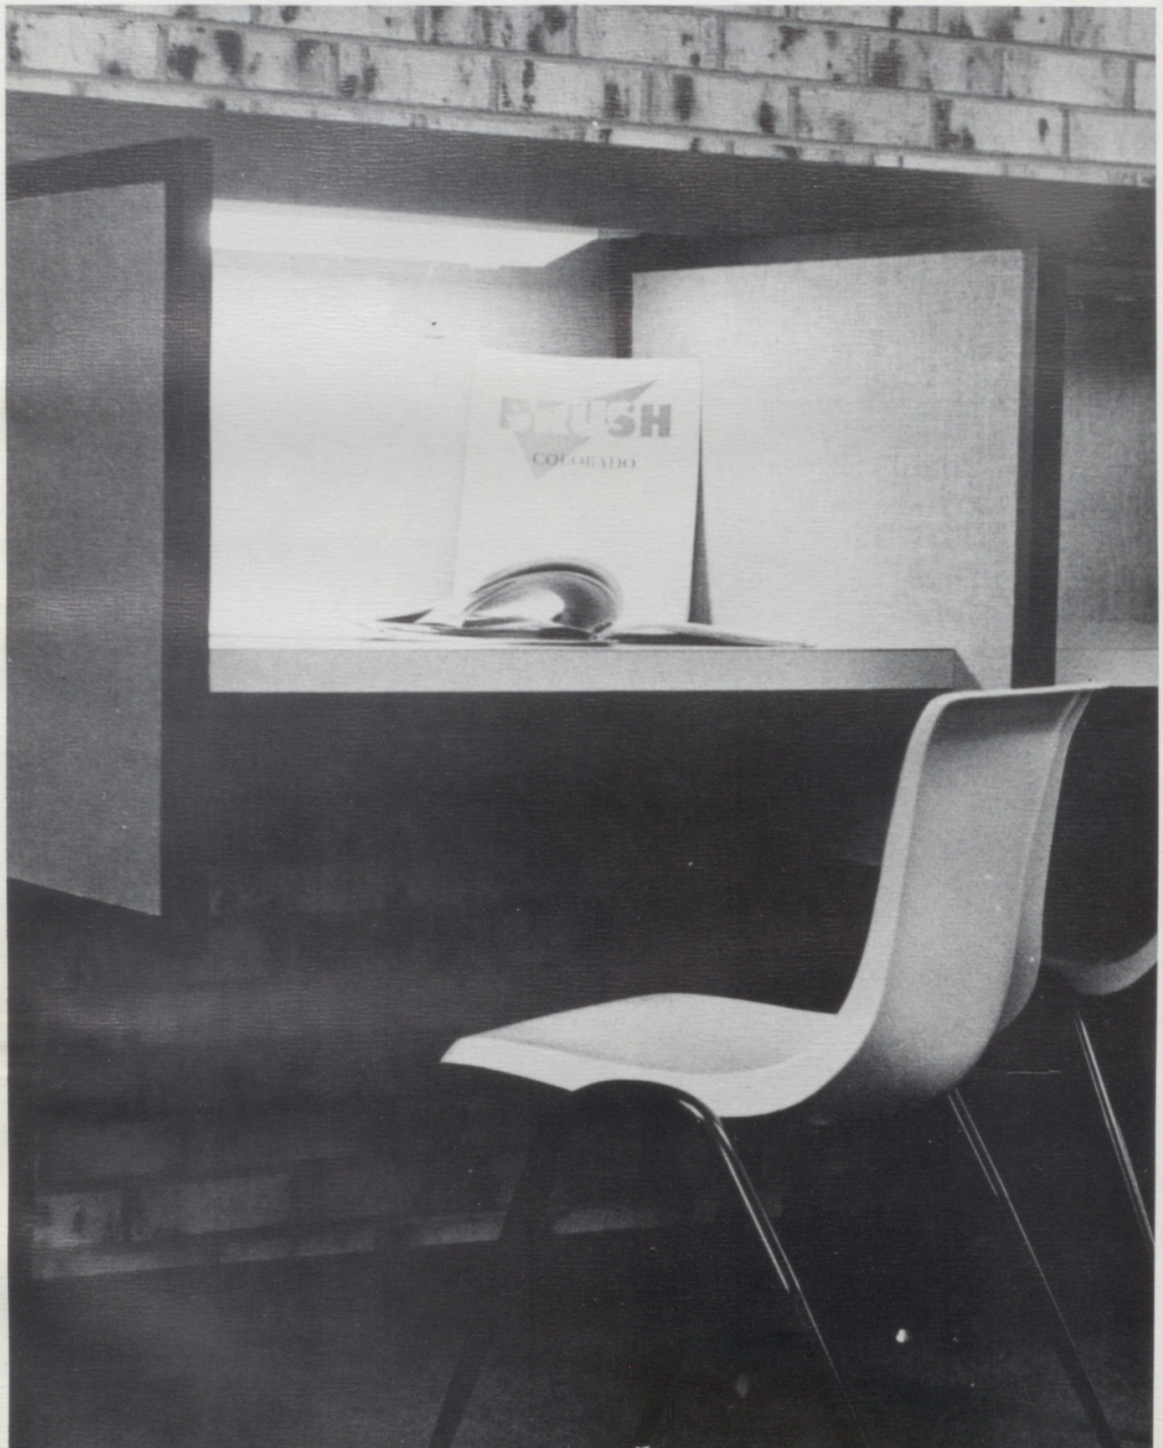

THE RECORD

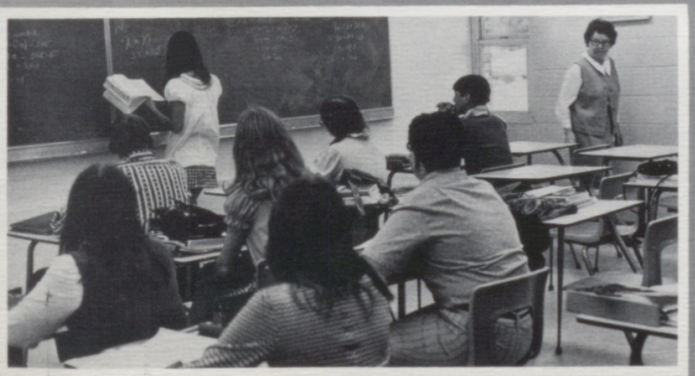

This is the record—this is the year '72-'73. Here are the portraits, the clubs, the activities, the sports, and the people who made up the year.

Here are the students, the teachers, the administrators, the coaches, the sponsors, and all whose presence brought personality and color to BHS in its first year as a complete facility.

These are the sports records, members of organizations, portraits and activities of the classes, and a specific summary of 1972-73.

We present "The Record".

LINDELL RESIGNS AFTER 18 YEARS

Those board members serving for the 1971-72 school year were Morton Boxer, Elton E. Ingmire, Rev. Raymond Paulsen, Glen Swinson, Placido Romero, John Lindell, and Allyn Wind.

Presiding over the school office were Robert Kilzer for his third year, and Robert Scoville for his sixth year.

The contract to build Brush High School was awarded in January of 1969, and in 1973, the school was completed. Mr. Ronald Prascher, who was principal for his third year here, states, "I'm very pleased with the building, and believe that it is the best in Northeastern Colorado."

James Gingerich served as the assistant principal for his second year. In reference to the recent changes in the dress code and the student break, he remarks, "I feel that this year's student body has shown a high degree of tolerance for the establishment, and through their sincere efforts, many vital changes have been made."

John Lindell retired this year after eighteen years of service to the community. The newly elected board for the 1972-73 year consists of: Glenn Swinson, Elton Ingmire, Morton Boxer, Don Mitchell, Placido Romero, Allyn Wind, and Don King.

ORGANIZATIONS

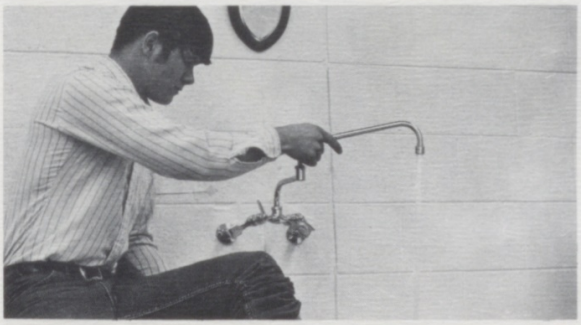

B-CLUB AIDS ATHLETICS

B-Club, under the direction of Coach Don Thomas and president Ed Pabst, spent most of the year working toward purchase of equipment which will aid future Brush athletes.

Among the purchases or donations received were a weight machine, a whirlpool, a box for filming basketball and wrestling matches, a motion picture camera for use in sending films to colleges interested in Brush athletes, and new sport coats for all BHS coaches.

B-Club also helped in the athletic banquet, and plans were being worked on for a merger with the GAA.

PEP CLUB HAS PIZAZZ!

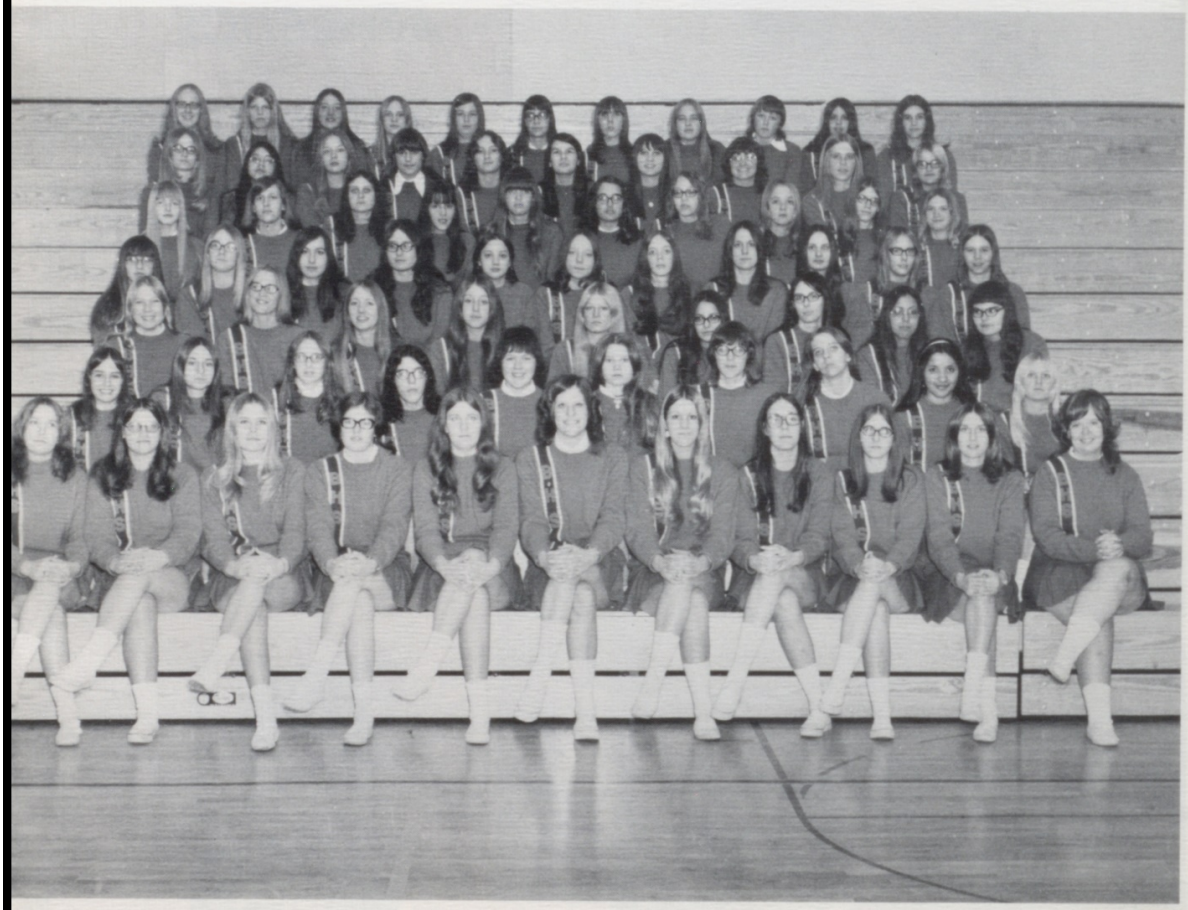

Pep Club, sponsored by Mrs. Queen and Mrs. Lynch, directed two major activities for 1972-73; Sweetheart Dance and the spring banquet, held in honor of the seniors. "Love Is All Around Us" was the theme for Sweetheart and music was provided by "High John".

The A-squad cheerleaders for 1972-73 were Robin Peterson (head), Claudia Christensen, Deb Foos, and Kathy Elling. B-squad cheerleaders were Nancy Swinson (head), Lynn Price, Deb Gnagy, and Cheryl Wood. Officers included Jane Flinn as President, Del Hutcheson as Vice-President, Karen Cox as Secretary and Peg Holter as Treasurer. Peg took over the office of treasurer when Barb McConnell moved.

FTA FEATURES BALL GAME

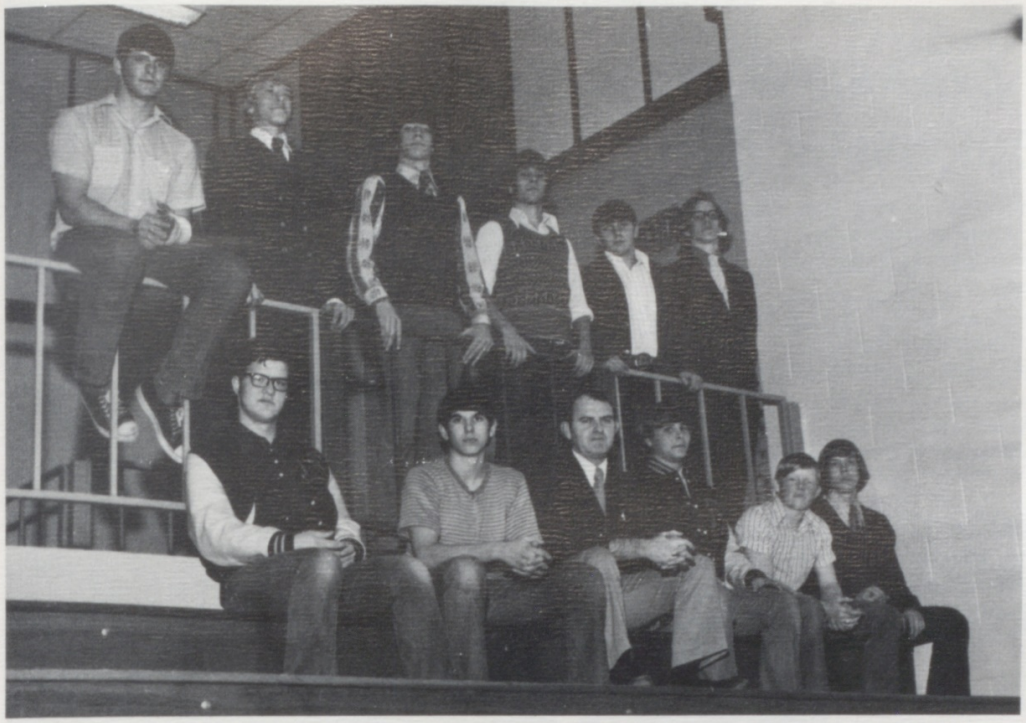

Brush chapter of Future Teachers of America was sponsored this year by Mr. Don Gabriel. The eighteen membership club was led by Cindy Stinton, President; Vice President was served by Jocelyn Ruebel, while Secretary was Wendy Boxer. Cis Torrez held the office of Treasurer with Lee Ann McGaughey fulfilling the dual offices of Parliamentarian and Historian.

Starting out it's 1972-73 year, FTA hosted the new faculty members to the Installation of Officers. Visiting the various schools in the district and attending the State Convention highlighted the year. Introduced into the activities was a student exchange program between the Brush FTA and students of George Washington High School in Denver.

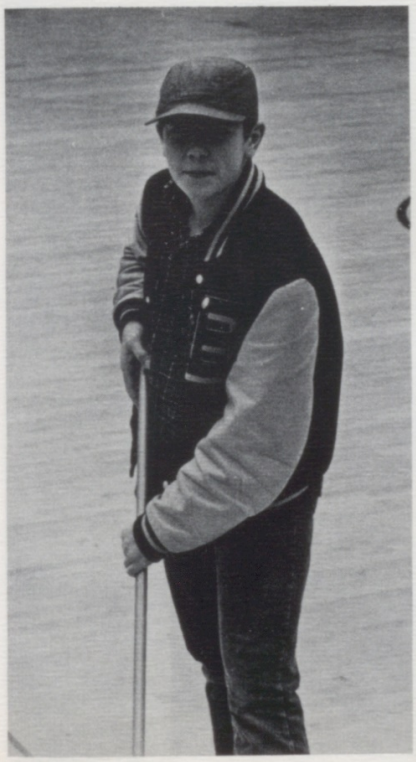

Money making projects included concessions and cake raffles. For the first time the future teachers challenged the women faculty and faculty wives to a basketball game, with the proceeds sending members to the State Convention in Denver.

Closing the eventful year was a picnic at which the new officers for the following school year were announced.

F.C.A. COMPLETES FIRST GENERATION

F.C.A. began its fourth year of existence and third year under Coach Lee Roy Needens by changing the format of the club.

They began holding meetings at night instead of during the day, and only used activity period for business meetings. The programs at night included date nights and talks by local ministers. They also joined the National F.C.A.

Huddle captain (president) for this year's Fellowship of Christian Athlete group was Jerry Ely. He was assisted by Ron Freund, assistant huddle captain, Clay Ruebel, treasurer, and George Isaac, secretary.

The seniors in this group were the among the original club members.

CLEARING HOUSE HAS BUSY YEAR

The year started for Clearing House with a State Association for Retarded Children convention. State officers were elected at this time. Bonnie Houghton, a club member in Brush for three years, was elected state secretary.

To raise money for the clubs varied activities, a bake sale, a cake raffle, a concession stand, and a bike-a-thon were all held. The activities included, three parties, a picnic, and a membership drive.

Club sponsor was Jane Van Dyke. Ella Atwood headed the executive board as president. The other officers were Carol Paynter, vice president, Kathy Benge, secretary, and Joan Paynter, treasurer.

THESPIANS TRY NEW IDEAS!

Thespians highlighted the 1972-73 year with some new twists, including a musical and a drama. Guiding the Thespians in their attempts were the officers and sponsor. Left to right: Pam Mitchell, Historian; Miss L. Young, Hon. Thespian; Mrs. Eleise Bloom, sponsor; Claudia Christensen, V. Pres.; Cindy Stinton, Sec.-

Historian; Miss L. Young, Hon. Thespian; Mrs. Eleise Bloom, sponsor; Claudia Christensen, V. Pres.; Cindy Stinton, Sec.-Treas.; and Clay Ruebel, seated, Pres.

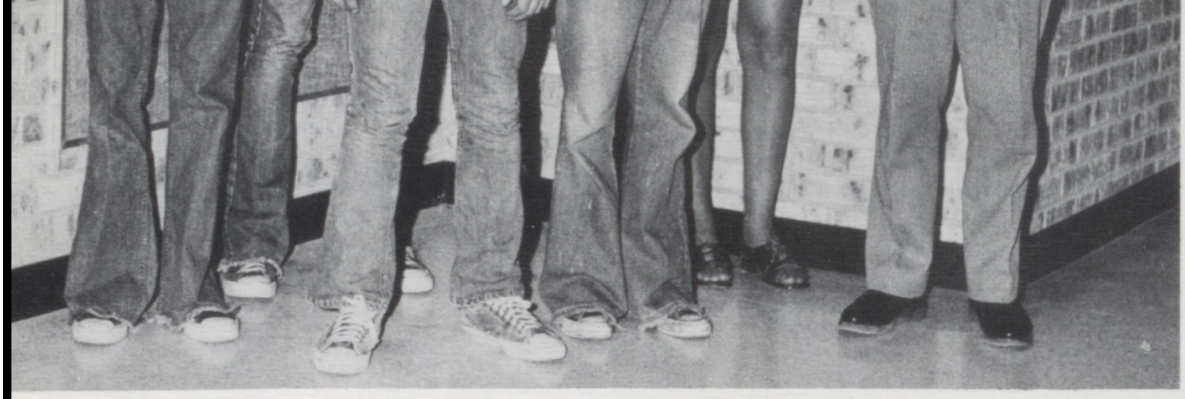

New members were initiated into Thespians at the annual banquet May 7, in a ceremony presented by the officers, tracing the history of the organization. Due to the weather conditions, some members were not able to be present for the pictures of initiates, left, and old members, above.

In addition to the drama and the musical, the Troupe presented the Homecoming skit, as well as a Christmas program for the people of the nursing homes.

RIFLE CLUB ENCOURAGES MARKSMANSHIP

Rifle Club completed the 1972-73 school year with twelve members led by the president, Scott Wagers; vice-president, Gary Fiscus; secretary, Linda Gill; and treasurer, Rick Anderson. The group competed in informal matches in order to win individual medals and improve their standing.

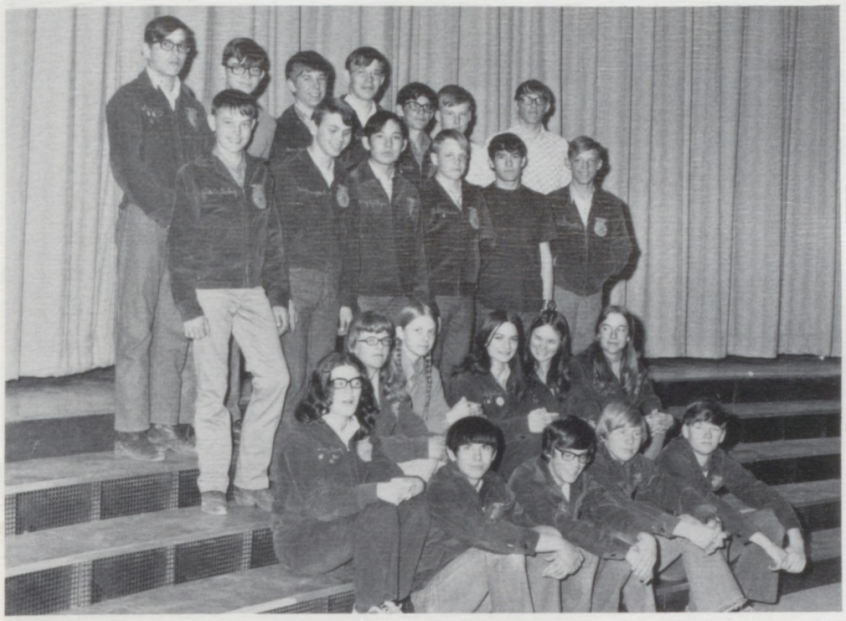

Scott Wagers and Linda Gill have marksman status after obtaining two medals. After winning three medals, Mike Peters is classified as marksman first class, while Gary Fiscus is a marksman second class with a total of four medals. Club sponsor is Mr. Sumner.

FFA SENDS TWO TO KANSAS CITY

During the 1972-73 year the FFA participated in many various activities such as a concession stand, trip to the Stock Show, and a cake raffle.

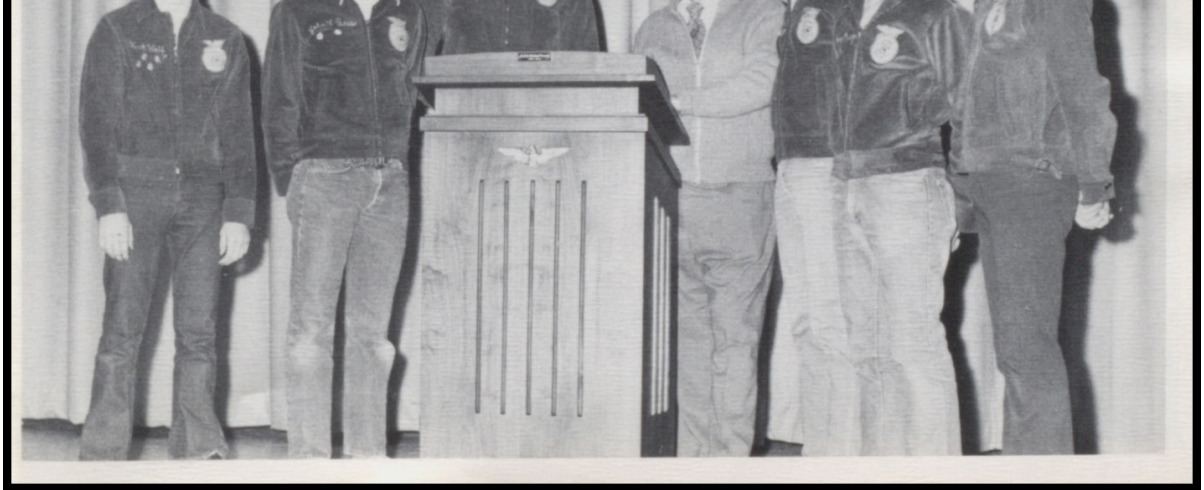

Jane Wallace and Cindy Graham were selected to go to the National Convention in Kansas, City. Carl Stitt was selected as District Reporter.

Leading the Chapter were Steve Delong, president; Carl Stitt, vice president; Cindy Graham, second vice president; John Bass, treasurer; Kent Wolf, secretary; Gary Fiscus, reporter; and Steve Kalous, sentinel.

I.R.C. ATTENDS ECO. SOC. AT C.U.

Highlighting the 1972-73 school year for the International Relations Club was a trip to the Economic-Social Council Meeting held at the University of Colorado in Boulder. Six students had the opportunity to participate as representatives in the council and pass various resolutions and amendments.

Danny Woolley presided over the club as President, Mary Mata was Vice-President, Karen Cox was Secretary, Susan Compton was Treasurer, and Celeste Chrismer served as Food Chairman.

Traditional banquets were held throughout the year in the winter and spring. The two in the winter were concerned with Germany and Sweden; there were two international dinners in the spring.

G.A.A. STARTS NEW TRADITION

G.A.A. was headed for the year 1972-73 by Jolie Wolf, president, and Cindy Stinton, vice-president. Secretary was Amy Wahlert, while Cheryl Cox fulfilled the duties of treasurer. There were various other offices filled by more club members. Miss Margaret Mora again sponsored G.A.A.

Some highlights of the year were a trip to Heritage Square, Celebrity Lanes and Pool, going to watch college volleyball tournaments, a Halloween party, and the annual mountain ski trip. The girls stayed at the "Y of the Rockies", a YMCA camp outside of Estes Park. In November G.A.A. sponsored the League Volleyball Tournament for the NEC Conference.

To make money for the mountain ski trip, the club had a cake raffle. New this year to any club, it also had a quilt raffle. Members stayed after school, worked on Saturday afternoons, and sometimes at night to finish the quilt. It was raffled off at the Julesburg basketball game on February 17, and was won by Mr. Ralph Stenback, a citizen of Brush.

F.H.A.'S PROJECTS VARY

The Brush Chapter of the Future Homemakers of America, under the sponsorship of Miss Laura Franklin, started the year by having a concession stand at the Fair in August. The parents of the chapter members were served a Parent Dinner pre-

The parents of the chapter members were served a Parent Dinner prepared and served by the club members. Other projects were an International Dinner, making tray favors for Eben Ezer, Sunset and the hospital, making toys for the children at Ridge, going to the BPW Style Show, hosting a Grandmother-Granddaughter tea, Christmas party, a birthday party and making items for the White Center in Julesburg.

Carla Strand presided over the club. Serving as vice-president, secretary and treasurer were Deena Houghton, Cis Torrez and Bonnie Howell, respectively. Sandra Elson was elected as historian-reporter, Aline Geist served as song leader, and Cheryl Bailey was parliamentarian.

BODANESS HEADS RODEO CLUB

This year's officers included Spencer Bodaness—president, Beth Herrmann—vice-president, Jane Wallace—secretary, and Leslie Price—treasurer.

Under the direction of Mr. Al Worthley, the Brush High Rodeo Club had many activities for the 1972-73 school year. Going to the State Fair in Pueblo, the Stock Show in Denver, and a trail ride highlighted this year's events. For the first time, the Rodeo Club participated in a rodeo with the Akron Rodeo Club.

Donkey Basketball was the only money-making project for the year. With the money saved up from previous projects the Brush Rodeo Club bought vests with sew-on patches. The emblem was a horse on white background and the name of the club above the horse.

INGMIRE HEADS STUDENT COUNCIL

Student Council was headed this year by Dan Ingmire as President. Other officers included: Brett Lessman, vice-president; Nancy Swinson, secretary; and Pat Mitchell, treasurer. Mrs. Lynch served as advisor for the year. Pat Mitchell was elected to serve as State Secretary.

Again this year the dress code was modified, with the help of the Student Council and the approval of the School Board. Girls are now allowed to wear blue jeans and boys were also permitted to wear their hair a little longer.

In addition to the 23 meetings held this year, Student Council had such projects as Homecoming, Student of the Month, activity tickets, school pictures, and Digger Day.

TEMPLE PRESIDES OVER V.I.C.A.

Mr. Ken McReynolds was the advisor for the Vocational Industrial Clubs of America, a club designed for trade, industrial, and health students. There were seventeen members in the club this year.

All of the offices were held by seniors this year, with Ken Temple serving as President, Lloyd Jones holding the position of Vice President, Kurt Dodge as Lee Groves presided as Student Advisor and Jerry Ely served as Reporter. Keith Norwood held the position of of Parliamentarian for the 1972-73 school year.

In November, a trip was taken to Arvada West High School to attend a regional meeting. They also enjoyed a fun trip to Denver, and in April, participated in the State V.I.C.A. contest.

AIRPLANE CLUB INCREASES FLYING TIME

During the 1972-73 school year, the Airplane Club, sponsored by Mr. Frank Mercer, had the opportunity to have regular flying meets on Sunday afternoons, therefore increasing their flying time. They held these meets in City Park and the practice field of BHS.

For the first time, Akron, Fort Morgan, and the Airplane Club of Brush participated in these meets with the Airplane Club of BHS. The groups gathered to have contests and to give flying demonstrations with various types of planes.

Henry Williams served as President for the second time, while Jim Shawcross and Marla Boxer served as Vice-President and Secretary.

PHYSICS CLUB COMPRISES SAFETY CLUB

PRISES SAFETY CLUB

As in past years, Mr. Mercer sponsored the Physics Class as they performed as the Safety Club of BHS. Their duties include closing windows, holding outside doors open, and checking that everyone is evacuated from the building. If the fire is small enough, the members are instructed to extinguish it with the available fire extinguishers.

There were two planned drills this year and everyone performed their duties with speed. Toward the end of the year someone hit an alarm accidentally, and the club had to act without prior warning.

There were fifteen members in the club this year and each performed their duties in addition to their physics class.

F.B.L.A. BEGINS FIRST YEAR

Under the sponsorship of Mr. Mitchell and Mr. Kuhl, the Future Business Leaders of America Club began its first year at BHS. Betty Eskew, President; Cinda Leis, Vice-President; Deb Herbst, Treasurer; Jolie Wolf, Secretary; Trent Christensen, Parliamentarian; and Steve DeLong, Reporter provided leadership for the new club.

The purpose of the club is to provide an opportunity to actually partic-

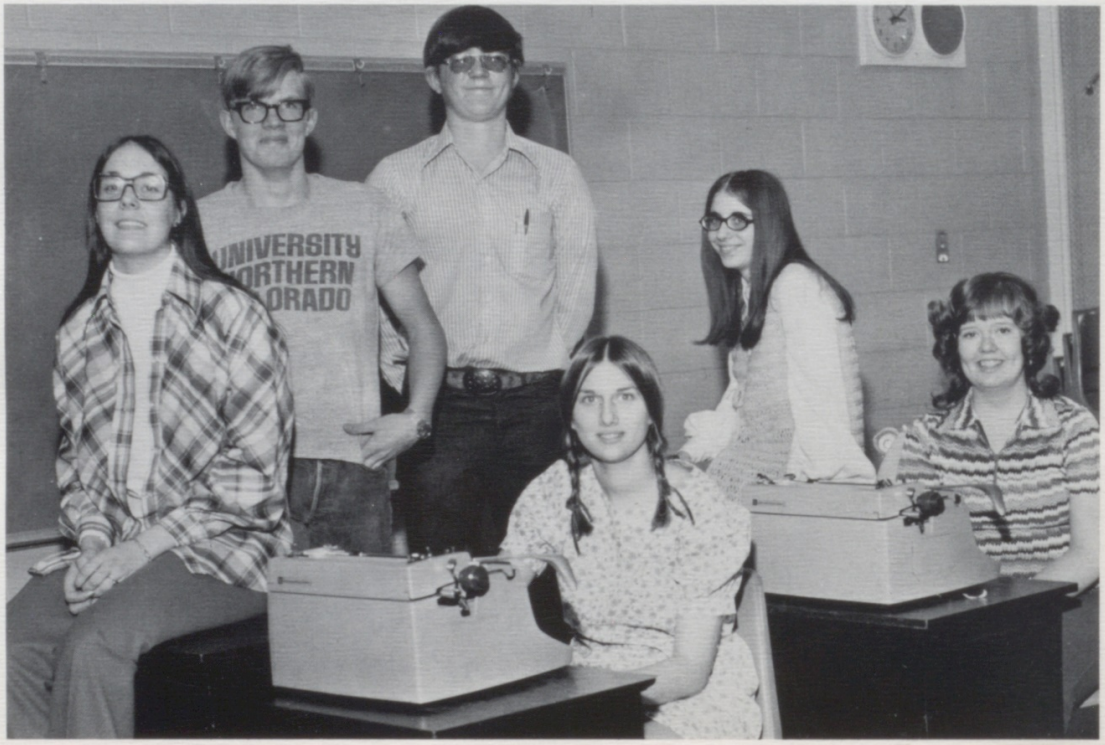

for the new club.

This year the group took several field trips. They had the opportunity to visit the Denver Mint, Stapleton Airport, and the IBM Center in Boulder.

GOD SQUAD MEMBERSHIP

GOD SQUAD MEMBERSHIP JUMPS TO SEVENTEEN

Marilyn Lindell served as President of God Squad for the 1972-73 school year. Arnie Andersen was Vice-President, Frankie Anderson was Secretary, and Eric Olsen was Treasurer. Susan Compton held the office of Chaplain and Mrs. Phyllis Woodward served as sponsor.

In addition to club meetings, the members also participated in "before school prayer" meetings. Once a month combined meetings with Ft. Morgan and Haxtun were held with special speakers like Dennis Rainey, Youth Director for Campus Crusade for Christ in Colorado, and Jim Weimer, a teacher from Haxtun.

They held a Thanksgiving pot-luck supper in November, with students from Ft. Morgan and Haxtun attending. Dennis Rainey spoke and students entertained with skits and songs.

On May 5th, the God Squad held a rally in the high school auditorium. Musical groups performed and a speaker presented the main program.

NEW CHESS CLUB BEGINS AT B.H.S.

Chess Club began its first year early in 1972 and continued into 1973. Under the sponsorship of Mr. Franklin Mercer, the club earned money which was used in providing chess materials.

The club also held a tournament during the spring in which there were three divisions: Master, Intermediate, and Beginner.

The purpose of the club is to promote interest and knowledge of the game of chess, and to help arrange games between people who don't get a chance to play during school or on weekends.

Officers were Scott Wagers, President, Clay Ruebel, Vice-president, and Laurie Price, secretary-treasurer.

Approximately ten issues of the Sagebrush Reporter were distributed over the year to the students and teachers. When the J-Staff wasn't working on the paper, they were busy laying out pages and making copies to complete the '73' Sagebrush.

Those that held positions besides the editors were Jocelyn Ruebel, copy editor; Laurie Price, ads; Jane Flinn, business manager. Reporters were Arnie Andersen, Wendy Boxer, Claudia Christensen, Kathy Elling, Janet Giauque, Bonnie Houghton, Cinda Leis, Robin Peterson, Clay Ruebel, Pat Samples, Carla Strand, Cecilia Torrez, Georgia Whitney, and Jolie Wolf.

HARDING TAKES OVER MUSIC DEPARTMENT

Under the direction of Mr. Calvin Harding, the music department of Brush High School presented and attended numerous events throughout the 1972-73 school year.

During the year, the Band, in its many phases, exhibited its musical skills at many school and extra-curricular activities. The Marching Band performed at football games and the CU Band Day with twirlers; Trudi Asheim (head), Ellen Bailey, Tonya Norwood, Sheri Foos, and Luanne Price; and the Pep Band played at the basketball games and rallies. The Concert Band gave two concerts and received a 1 rating at the Sterling Band Festival. Long black skirts were a new addition for the female members.

Tentative plans were made by Mr. Harding to attend the Mass Band Festival at Rapid City, South Dakota with approximately one-hundred other American bands and fifteen European bands during the summer of 1974.

Early in the year, the Concert Choir hosted a clinic in which Akron, Holyoke, and Yuma participated under the leadership of Mr. Randolph "Casey" Jones, director of the Adam's State College Choir, then presented a mass concert that evening.

Christmas and Spring Concerts were also given and the music department, with the help of Mrs. Eleise Bloom, presented the All School Musical, "The Feather Duster" by Hans Christian Anderson, on March 1 and 2. The Concert Choir finished the year by performing at Baccalaureate.

In its second year of existence as a regular class, the Select Choir performed over twenty times. They exercised their vocal skills at civic activities, private functions, and within the schedules of RE-2 schools.

The remaining members of Select Choir are Arnie Anderson, Robert Appanzeller, Trudi Asheim, Faye Baldassare, James Bass, Kathy and Paul Beckley, Mary Jane Biggin, Claudia Christensen, Kathy Elling, Sue Hellyer, Bart and Brett Lessman, Sheryl Lumpkin, Robin Peterson, Marlene Schilling, Carl Stitt, Nancy Swinson, Judy Wagers, and Dan Woolley.

BASKETBALL TEAM QUALIFIES FOR DISTRICT

Brush High's basketball team finished the 1972-1973 in second place in the league, but failed to qualify for the state tournament, falling to the Platte Valley Broncos 63-56.

The Jayvee's finished the season with an 11-5 record. The freshmen record was 7-5.

WRESTLERS ARE DETERMINED

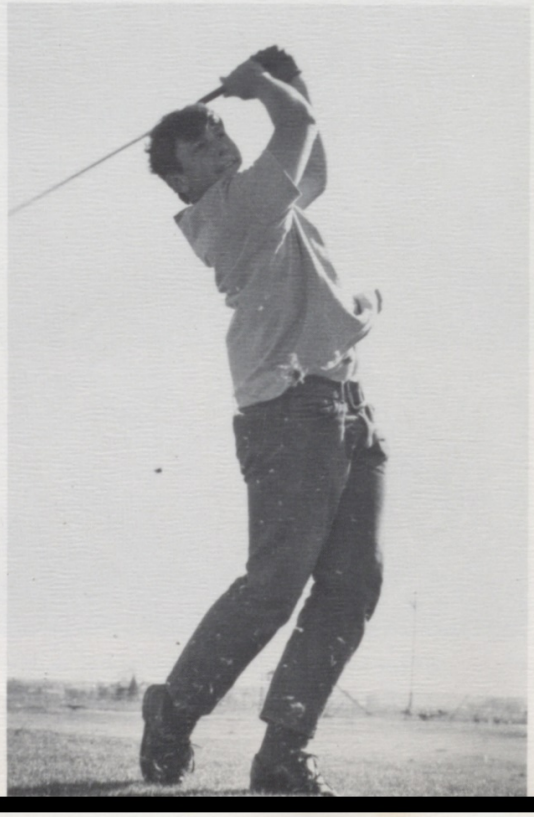

This year the BHS wrestlers came on strong under the fine guidance of coach Frank Bednarik and assistant coach Don Gabriel, obtaining a 3-2 conference record and a 5-9 overall record for the 1972-73 season. The team placed third at the District Tournament this year with three wrestlers qualifying for state.

GOLFERS IMPROVE SEASON

Coach Dick Lebsock's team showed improvements over previous years and the club, comprised of mainly sophomore and freshmen, left him with an optimistic view about the future. Golf switches to a fall sport in the 73-74 school year.

The team held 8 meets even though inclement weather cancelled several meets, and also forbade practice. Still, the young Digger team managed to win the first tournament by a Brush team, taking the Akron Invitational, with Gary Wantlin coping the medalist award. They also placed 9th in a field of 12 at District, the best ever by a Brush team.

12 COMPLETE TRACK SEASON

Coach Joe Roskop's first year as head coach was, as he termed it, "a rebuilding year." With 12 completing the year the Digger team gained valuable experience for coming years. As the season progressed the track team gradually and steadily improved to the point where they finished 7th in the state.

Placing at District were Dennis Miller (1st in high jump and triple jump,

gradually and steadily improved to the point where they finished 7th in the state.

Placing at District were Dennis Miller (1st in high jump and triple jump, 2nd in pole vault), Steve Krueger (3rd in triple jump), and Ed Romero (5th in the 2-mile run).

Bad weather hampered the Diggers development and forced cancellation of many of the meets as well as limiting the practices. Also, the track team was forced to practice at the junior high, since there was no high school facility.

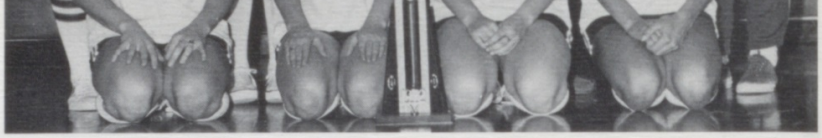

VOLLEYBALL GIRLS WIN N.E.C. CROWN

One major sports activity for girls during the '72-'73 season was volleyball. The girls were coached by Miss Margaret Mora.

Practice began in October and the season lasted through November. Both the A-and B-Squads saw a lot of action, in both league and non-league games. The A-Squad competed in the Skyline Tournament and also in the League Tournament which Brush hosted.

Due to the weather, the girl tracksters were able to compete in only four of the twelve scheduled meets. Those they did attend were Haxtun, Greeley Central, League, and District.

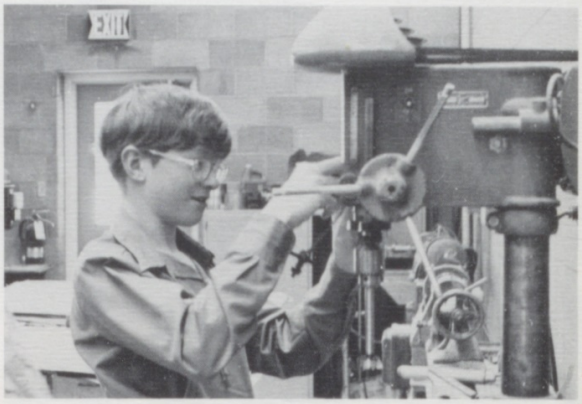

the twelve scheduled meets. Those they did attend were Haxtun, Greeley Central, League, and District.

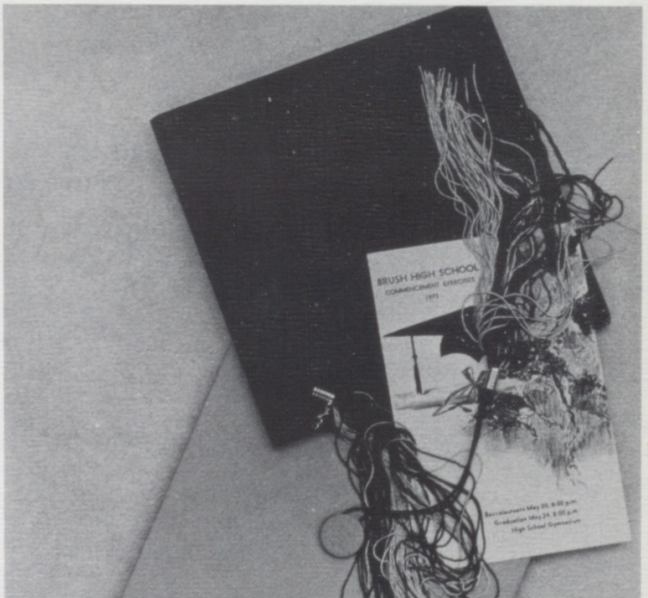

Haxtun hosted the 1973 League Track Meet, with five schools attending. Julesburg captured first place honors, Yuma finished second, and Brush came in third.

The District, or State Qualifying Meet was held in Sterling this season. No team scores were kept, but the larger AAA schools dominated the points. For Brush, Barb Wagers grabbed fourth place in the mile run, and Karen Strauch received fourth in the 220 yard dash, resulting in Brush's only scorers. Having no one place in the top three, Brush was unrepresented at the State Meet at Pueblo.

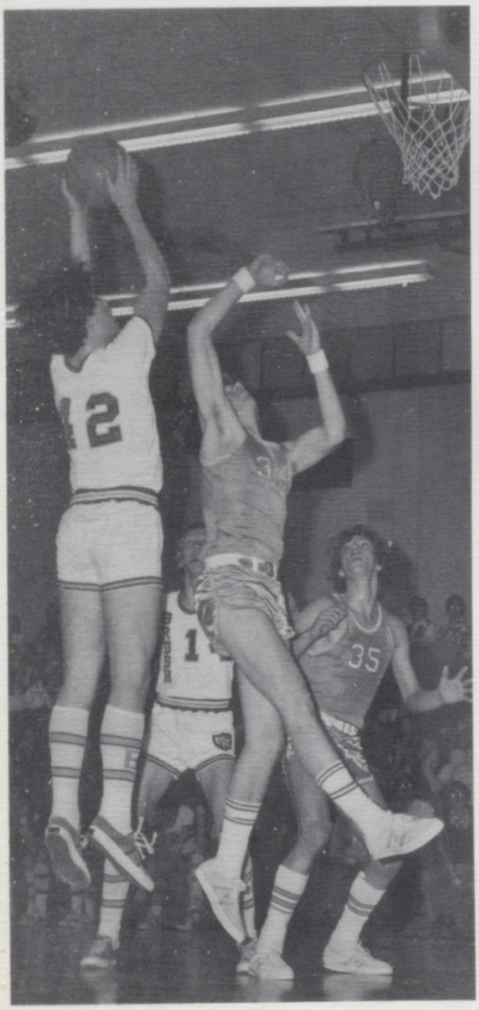

This was the Record . . .

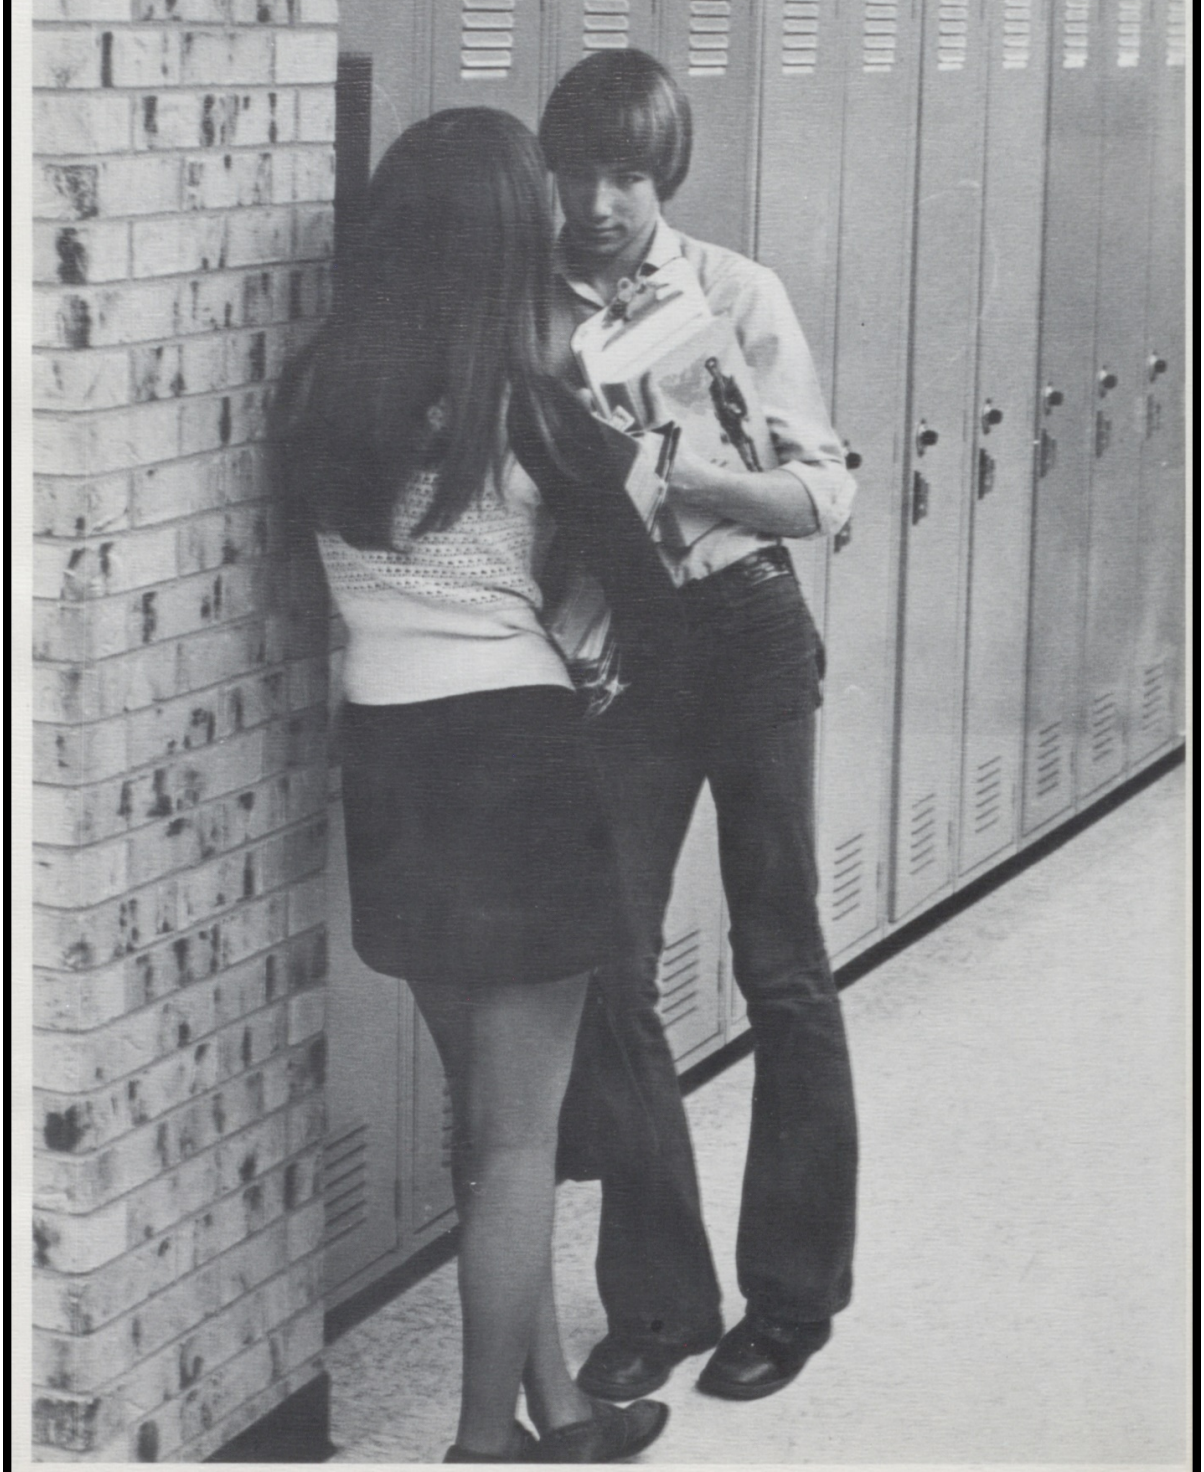

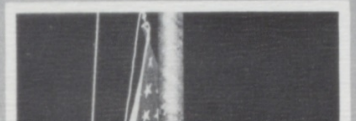

now comes the Story.

THE STORY

You have seen the record; now here is its story. Here are the day-to-day activities, the ball games, the dances, the classes, the plays, the people.

Divided into the seasons from the warm fall, through an arctic winter, to a wet spring with its threat of floods, this is what the citizens of BHS did during the year to make it unique. Things will happen again in the future, but this is solely the story of 1972-73.

Here is its story.

FOR

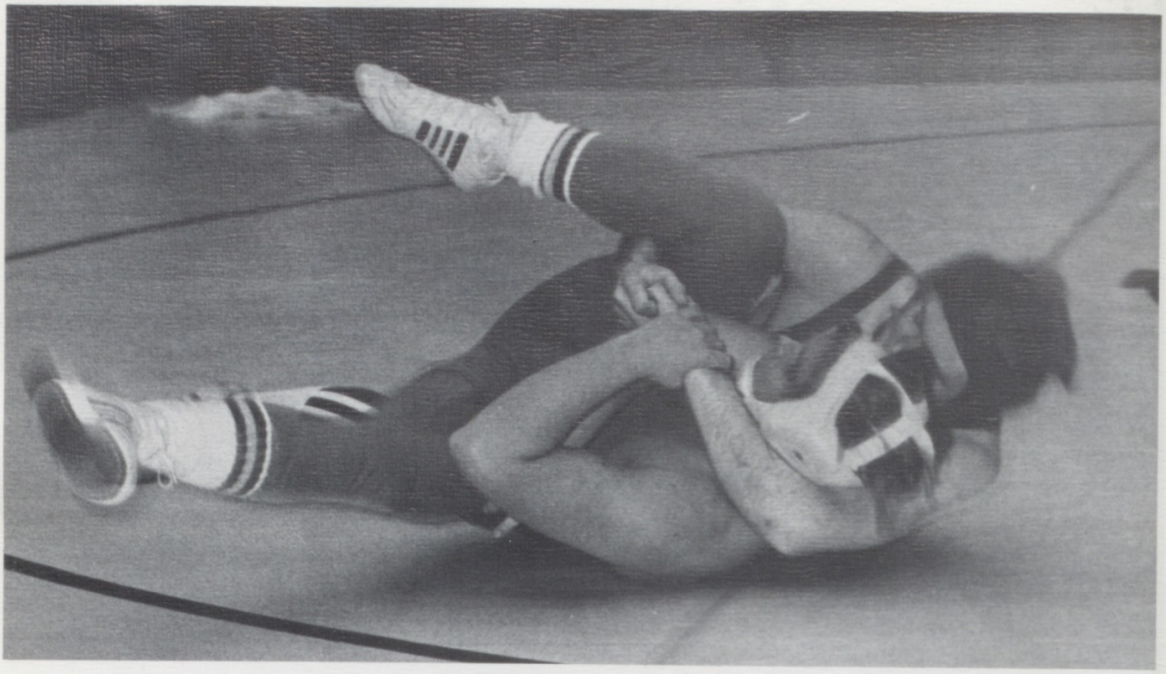

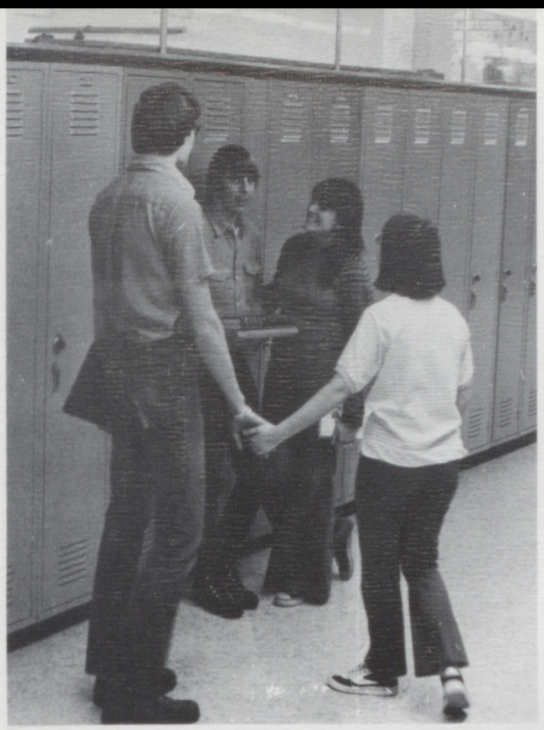

Student activities were in constant demand, ranging from the sports events to dances to various contests throughout the 1972-73 year.

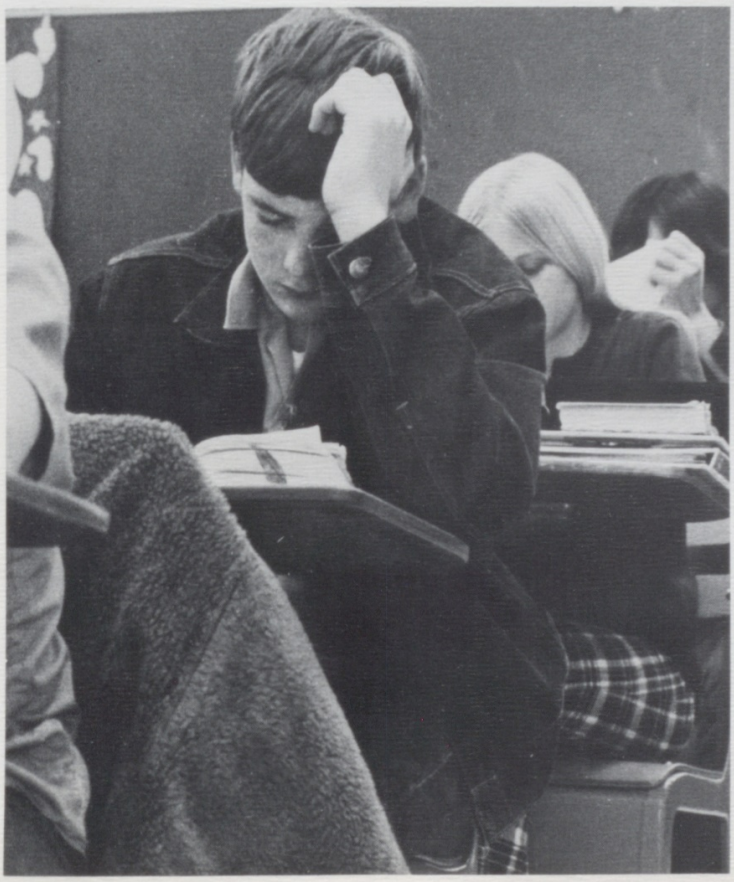

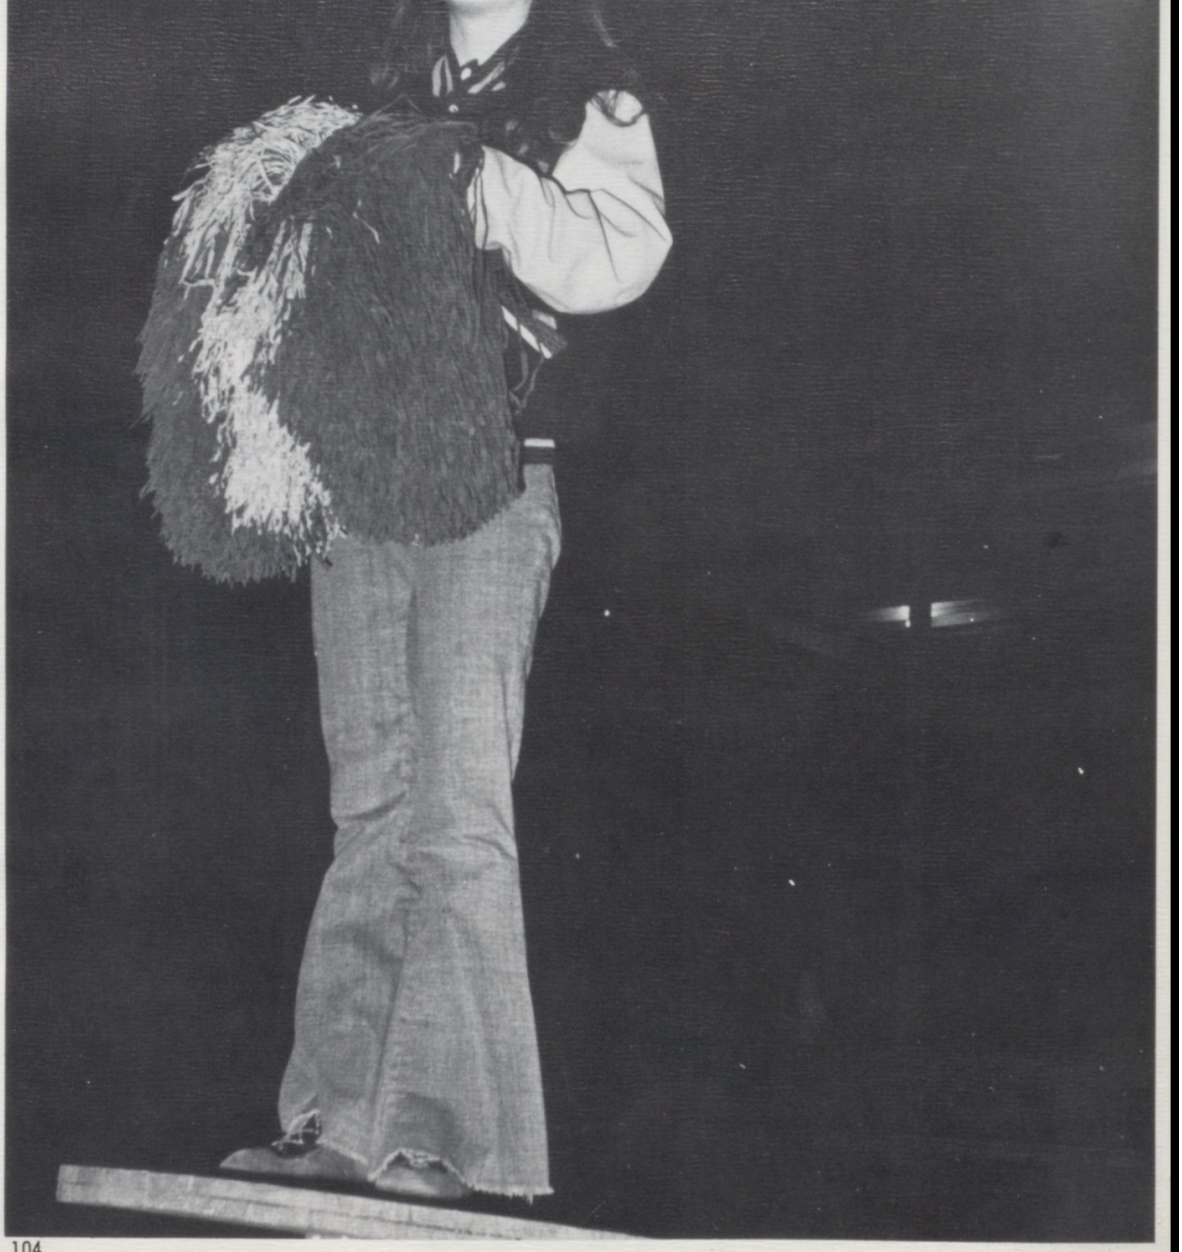

B.H.S. activities varied from hard mental labor to the carefree hall conduct, from winter fields to spring lawns. Dances and sports highlighted the social world.

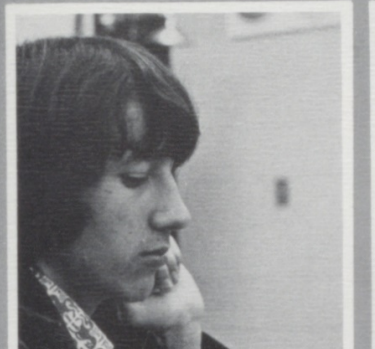

FALL

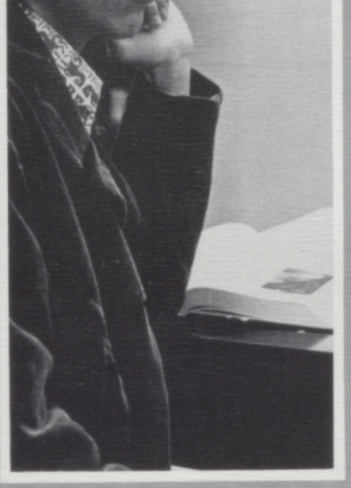

Leaves of gold and red served as a carpet to the doors of Brush High

Leaves of gold and red served as a carpet to the doors of Brush High School. With the weather warm and the nights pleasant the football season came and went with an average record. The weather made an abrupt change to snow October 31, bringing an end to the afternoons and a spectacular beginning to an extraordinarily snowy winter.

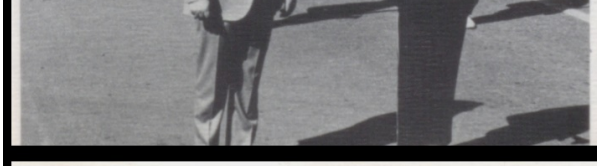

Homecoming topped the many events for the Student Body of Brush High School during the fall. Many of the clubs and other organizations held banquets, went on field trips, and participated in other activities in B.H.S. In all, fall was a busy time.

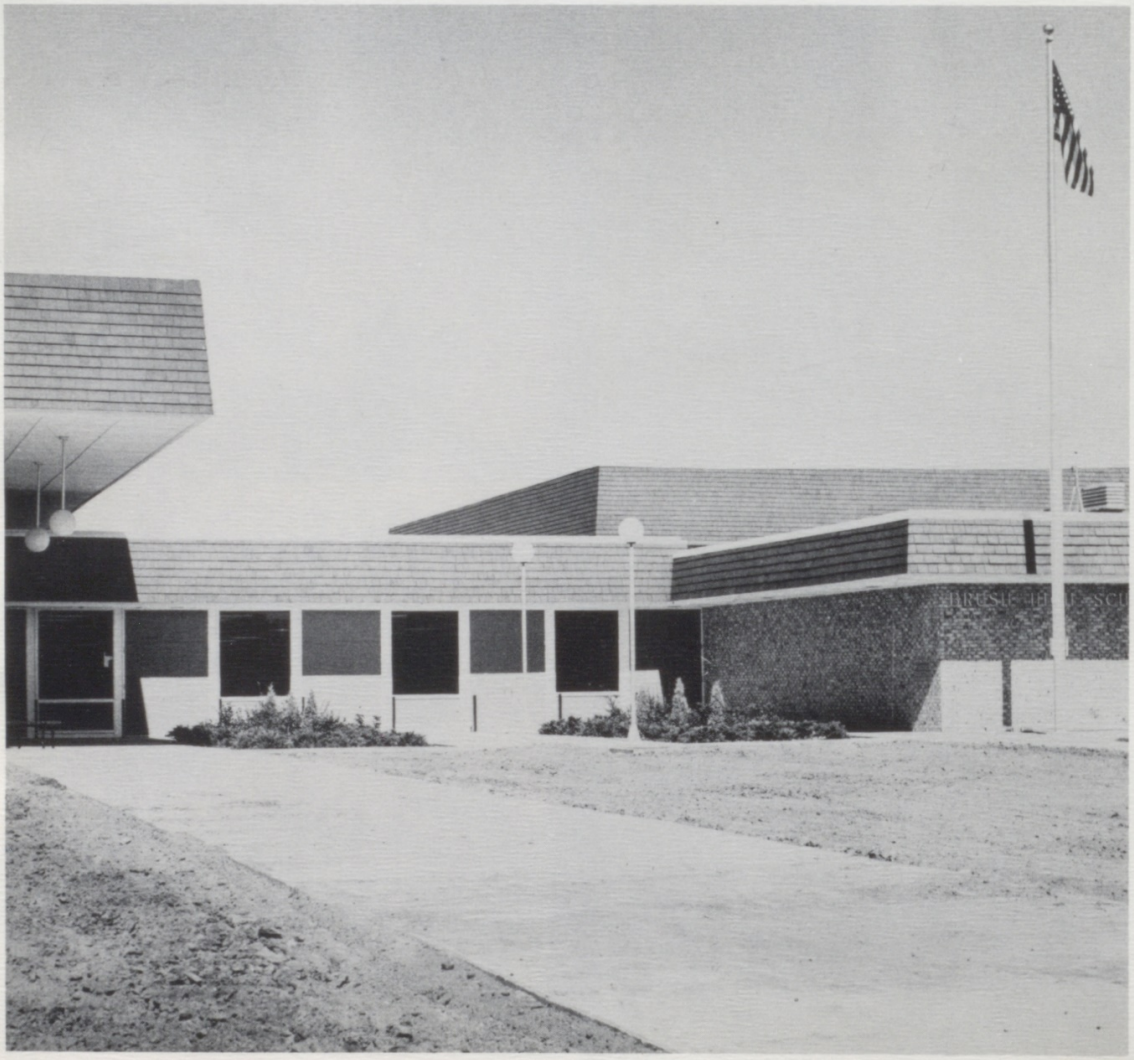

NEW YEAR OPENS IN COMPLETED SCHOOL

On the first day of school, August 28th, an opening assembly was held in the auditorium, which each student was obligated to attend.

The new Student Body President, Dan Ingmire, took the stand for his first time and gave the student body a cheery welcome for the coming year.

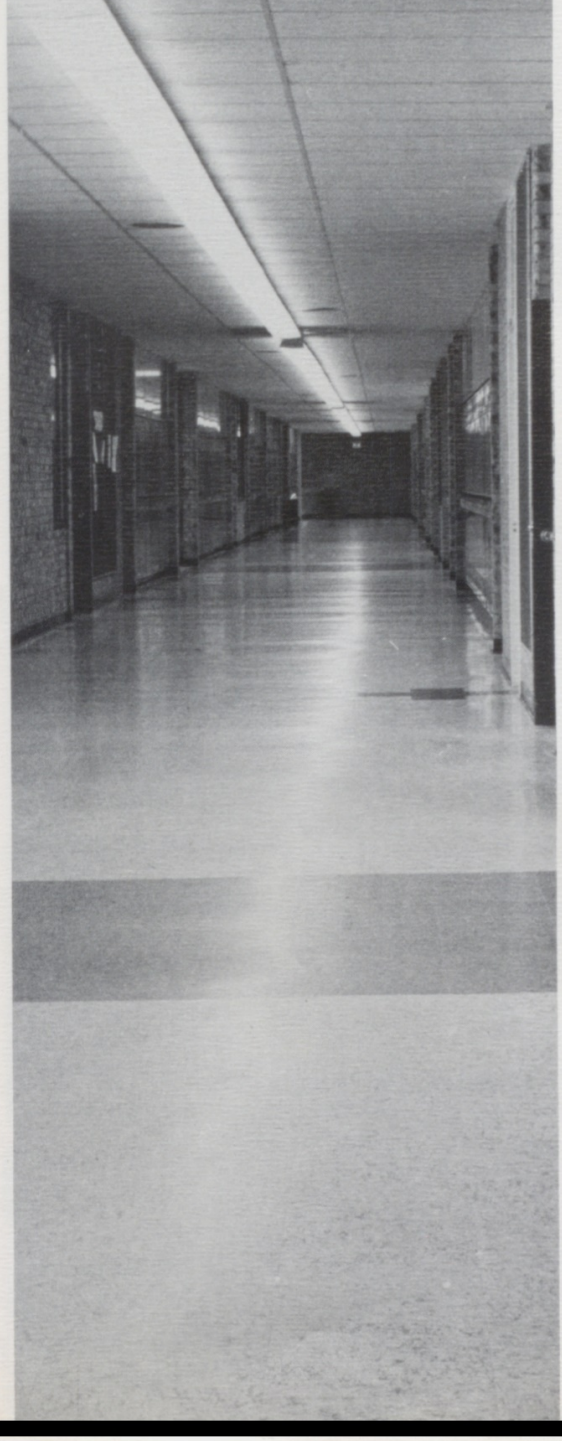

Principal, Ronald Prascher, and Assistant Principal, Jim Gingerich, introduced the new and old faculty members and the classes they would teach. They also discussed the rules and curriculum for the following school year.

The doors were then opened for the second year in the new high school. The vigorous freshmen and experienced upperclassmen, led by the seniors, rushed into the halls and then into the classrooms. Mass confusion raged for a while, then all quieted down to a year of school routine.

STUDENTS USE BUILDING . . .

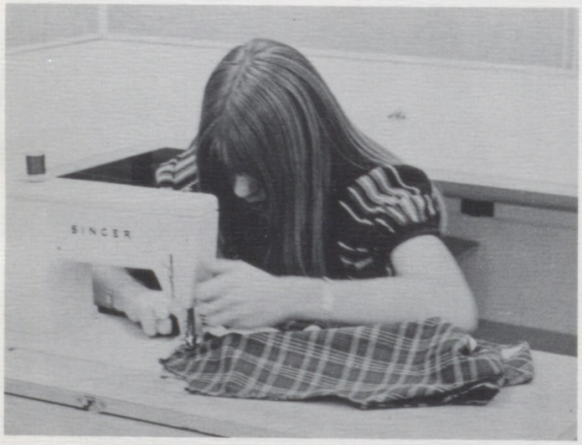

Of course, along with every class, a period of relaxation can occur. Occasionally it becomes necessary to "take five."

Stage presence was a very important factor in the Speech classes. Cindy Stinton tries to sell a product during a project involving the writing of commercials.

Twenty seniors were enrolled in the senior home ec. class, taught by Miss Laura Franklin. Several topics were dealt with including budgeting, child development, and sewing.

A new concept in the Science Department was the addition of two quarter courses, biochemistry and genetics. Both were on a pass/fail basis, and consisted of a series of experiments and cut-outs.

Business played an important part for the freshmen. All

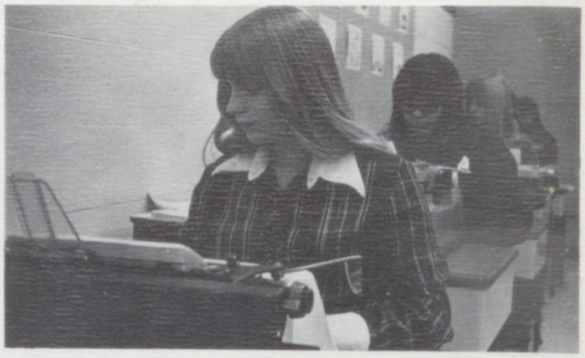

Business played an important part for the freshmen. All frosh were required to take on semester of consumer business and one of civics.

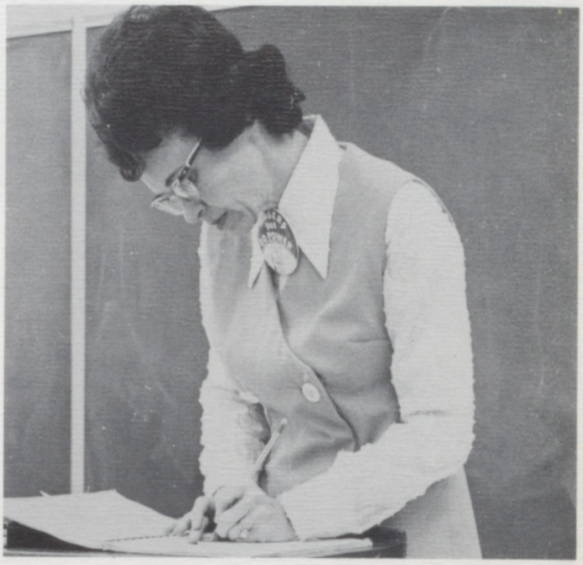

One of the senior histories this year was Sociology I. Claudia Christensen reviews the aspects of the Elm Town Survey.

. . . AND EQUIPMENT TO FULL ADVANTAGE

Typing was an elective course that was offered to all students. For those students not going on to college, this class prepared them for the world of business. On the other hand for the pupils interested in going on to college, this class served them well in typing term papers and the like.

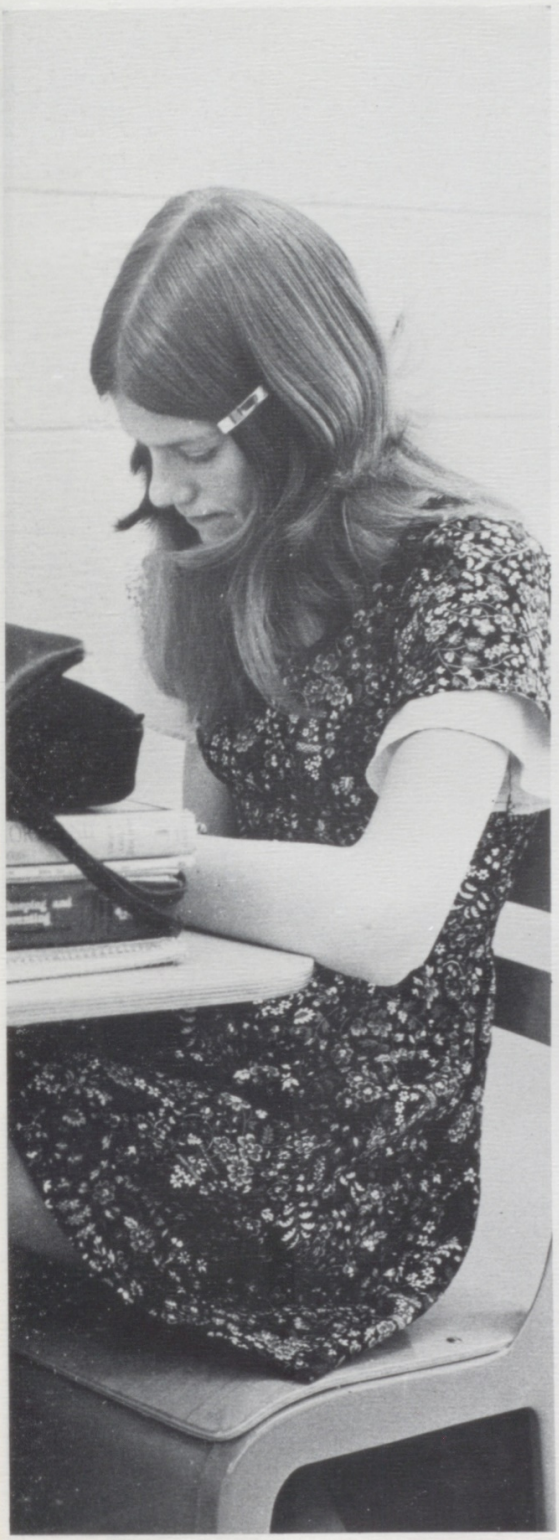

One of the daily routines performed everyday in school was attendance-taking. Every teacher taught a variety of classes making it difficult to remember the roll for each class.

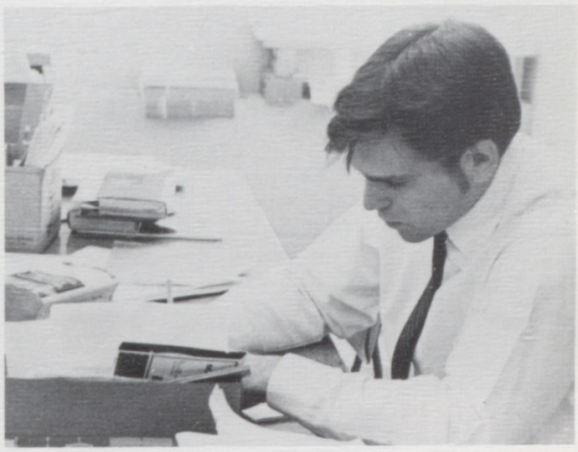

Warm fall days tend to cause more boredom than interest in studies. This particularly shows through in the seniors pictured.

Several new teachers were introduced into BHS during the 1972-73 school year. Mr. Frank Bednarik was a new man in the English department.

As with any class, a certain amount of studying is required. Sometimes it entails cramming during class, or during another subject.

Voice clarity and content were important factors in radio announcing. Pete Padilla reviewed the news of the day in his speech class.

RECORDS FALL TO DIGGER GRIDDERS

RECORDS FALL TO DIGGER GRIDDERS

Under the guidance of Coach Don Thomas and assistants Tim McGlynn and Craig Kientz, the Brush Beetdiggers ended the '72 season with a 3-6 overall record.

On offense, the Diggers rewrote or tied all but two passing records on the books. They also set two other team records, as well as 4 individual rushing records.

Rushing, the Diggers were led by Ed Pabst carrying 176 times for 755 yards, and Steve Krueger who carried 54 times for 315 yards. The total team rushing yardage was 1070 yards.

Dennis Miller threw 113 times with 46 completions for 686 yards, and John Lynch passed 41 times with 18 completions for 319 yards. Together they totaled the record 1005 yards in 154 attempts.

Defensively, Ed Pabst led the Diggers with 58 tackles and and 47 assists, followed by Kurt Dodge with 57 tackles and 42 assists and Dave Arnold with 55 tackles and 53 assists.

The Diggers forced 22 turnovers, with Dennis Miller intercepting 3 times, and Lloyd Jones with 4 fumble recoveries leading the team.

HOMECOMING PLACED SENIOR FLOAT AS A SUCCESS

"Digger Dynasty" predominated as the theme at the Homecoming festivities Friday, October 6. A parade began at the Clayton Street intersection, where a pep rally was held, featuring a skit by the Thespians, "Duel in Brushelot", a mad satire on Camelot.

Seniors were winners of the float contest and won a trophy for their "crown" float. The junior class received second, with third and fourth places going to the freshmen and sophomores respectively.

Unfortunately the Brush Beetdiggers were defeated by the Wray Eagles during the evening football game. Eddie Pabst and Robin Peterson were crowned as Homecoming royalty during the informal coronation. Attendants were Luan August, Jane Flinn, Claudia Christensen, Rick Blatt, Steve Krueger and Jerry Ely.

Dan Ingmire, president of Student Council crowned the queen, and Jane Flinn, Pep Club president, crowned the king at the Homecoming dance which was sponsored by the Brush High School Student Council.

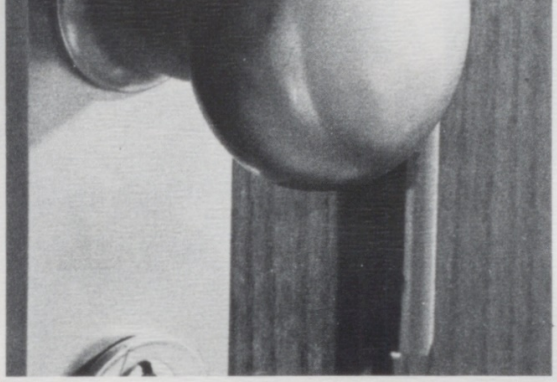

DO YOU REMEMBER?

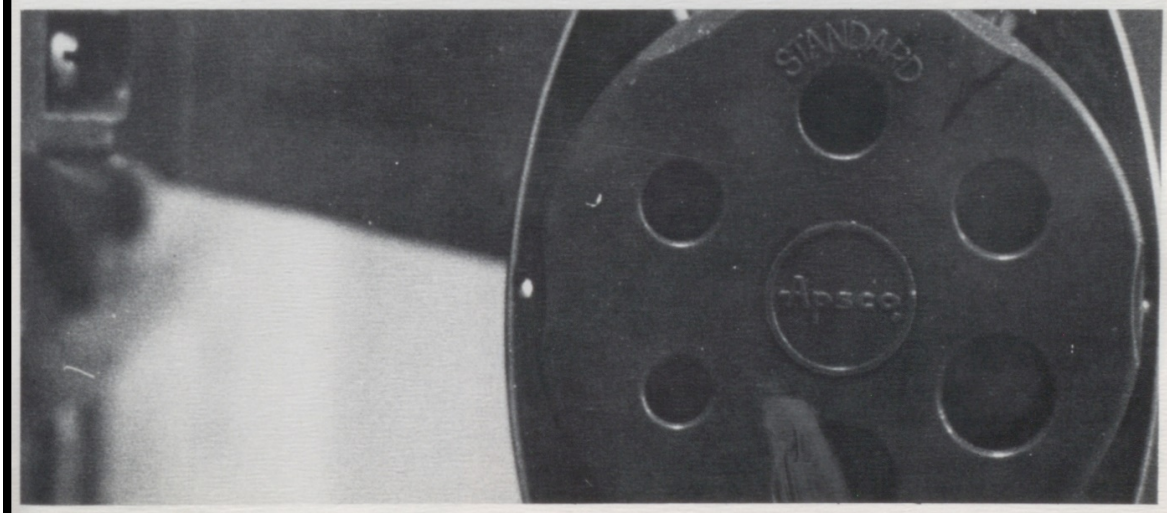

PUSH

GIRLS SUPPORT SPORTS AND . . .

During the fall sport season Brush High Pep Club did their best to provide spirit for the football team.

An underlying feeling of tension was present among the cheerers as they watched the game progress.

Cheerleaders and pom-pon girls boosted enthusiasm of spectators.

Members kept their spirit until the completion of the season. There were times for cheering, times for crying, and also times for quiet comtemplation. Some girls were sorry the football season had to end but most were looking forward to warm indoor sports.

COMPETE IN SPORTS

FCA sponsored a "Powder Puff" football game and the distaff half of BHS showed their plays.

FCA members coached and refereed the game while the girls provided their own strategy.

After breaking from the huddle, the girls got into the lineup and awaited the fateful snap of the ball. This play resulted in a fifteen yard gain for the Underdogs.

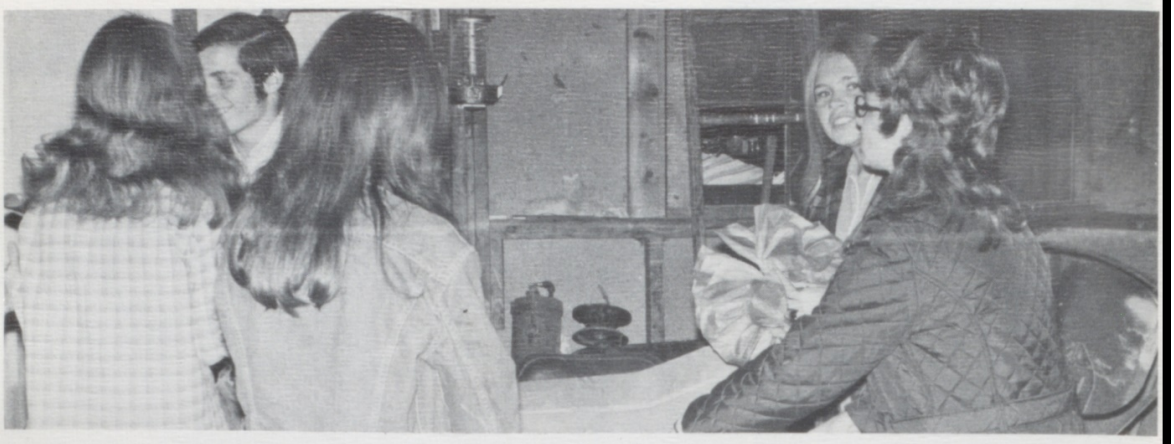

The Digger Dames defense failed to stifle the attempts of the Underdogs as they gained yardage.

Both teams did a lot of scrambling, but skill determined the winners as the Underdogs defeated the Digger Dames 12-6.

OCTOBER PROVES BUSY . . .

Student Council chose "Digger Dynasty" as the theme for Homecoming this year. Classes worked vigorously all week preparing their floats. Seniors made paper flowers to decorate the cab of their truck.

Finished floats were mounted by various members of the classes in hope it would enhance them.

Construction started with chicken wire, plywood, and muscles.

Many students spent many hours stuffing chicken wire.

Work in the concession stand was all a part of the work on the October conference.

Registration for the Fall Leadership Conference of FBLA was very organized.

Another club that worked on a production was the Thespian Troop when they performed for Homecoming.

Costumes were pinned on and stuffed for the skit regardless of the grunts and groans of the actors.

HALLOWEEN FESTIVITIES CLIMAX . . .

"I'll drown!" was one of various expressions heard as Jolie and Sheila bobbed for the traditional apples at the GAA Halloween Party held October 30 in the cafetorium.

The party began with a buffet dinner and afterwards members participated in many games including the grand finale of the breaking of a ghost pinata.

A haunted house highlighted the Fall Halloween Party sponsored by BHS's Clearing House Club.

Mentally retarded and handicapped members of Fort Morgan's Star School were invited, along with special ed. classes from Morgan County.

Guests played in the haunted house and various games, after which refreshments were served. The festivities lasted from 7:30 to 9:00 p.m.

. . . AN EVENTFUL AUTUMN MONTH

BECKLEY PLAYS "BROTHER GOOSE"

"Brother Goose" was the title of the junior class' annual play this year. It was given November 16th and 17th in the new auditorium to almost a full house.

The play was a comedy with a cast of twelve; mainly a humorous mass of confusion. Jeffrey Adams, a young architect, played "brother goose" to his brother and two sisters, and the play centered around the resulting general bedlam. With a sophisticated girlfriend-client, a motherly boarder, and a little sister aspiring to be captain of a football team, Jeffrey had his hands full.

The junior class all took part in selling tickets for the comedy, which was directed by Mrs. Eleise

The junior class all took part in selling tickets for the comedy, which was directed by Mrs. Eleise Bloom and assisted by Miss Lorraine Young.

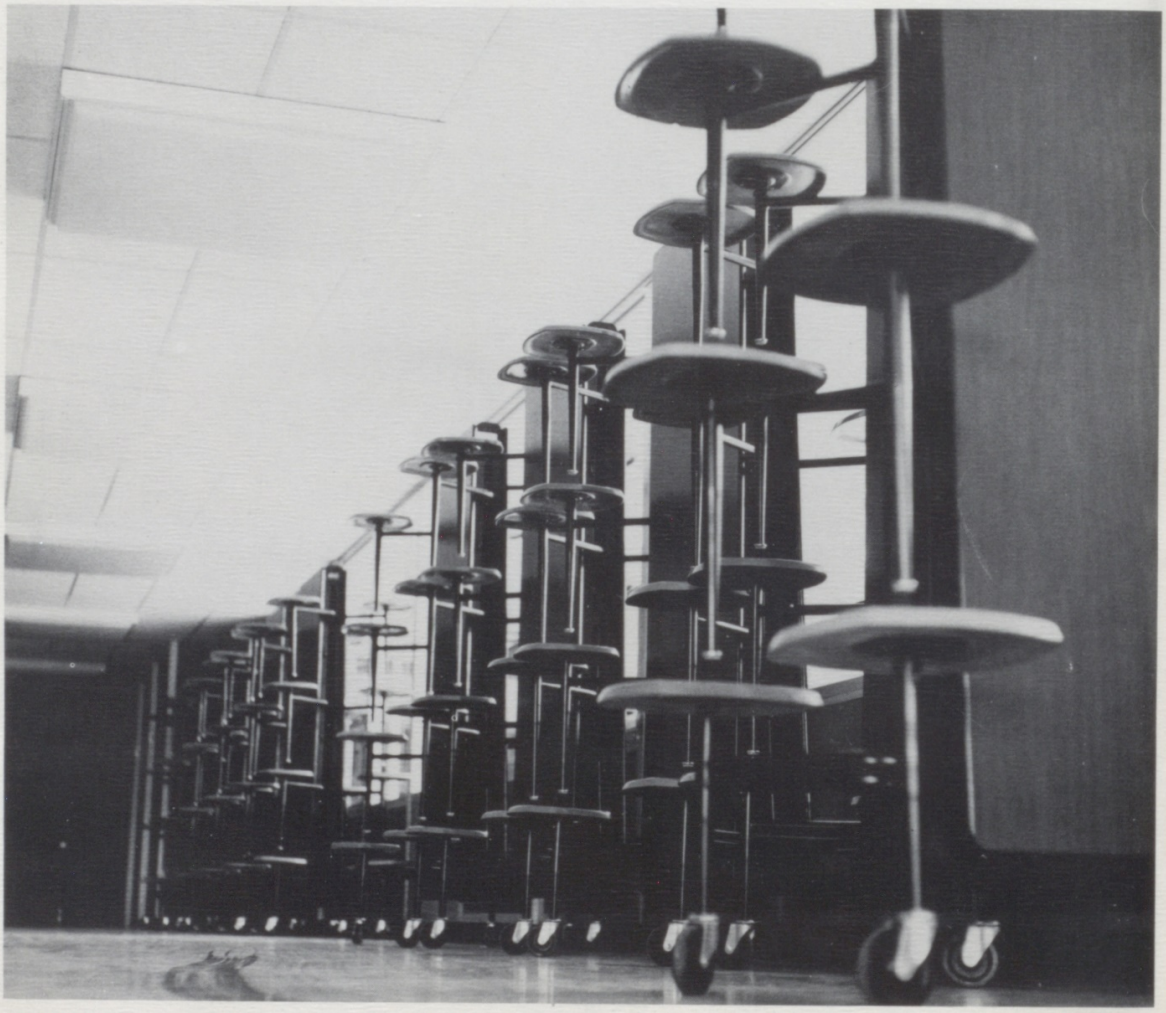

Cast for "Brother Goose" included: Paul Beckley, Kathy Elling, Pat Mitchell, Barb McConnell, Cindy Graham, George Isaac, Cindy Chrismer, Del Hutcheson, Gayle Lindell, Lee McGaughy, Marlene Schilling, and Steve Poulignot.

Prompter, business manager, publicity managers, and property mistress were Wendy Boxer, Bonnie Howell, Pat Samples, Susan Small, and Verna Foley.

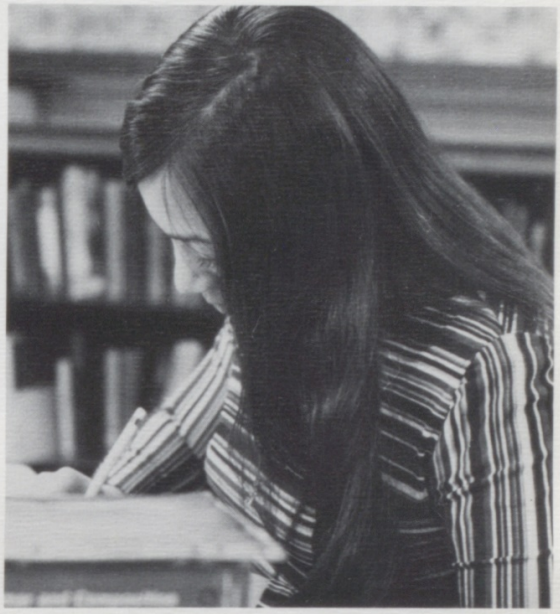

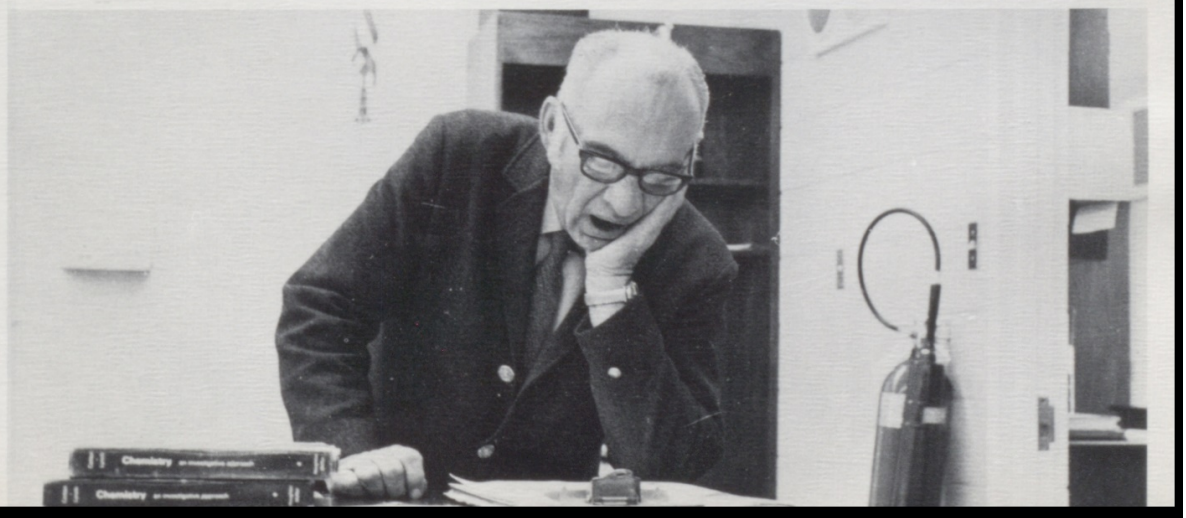

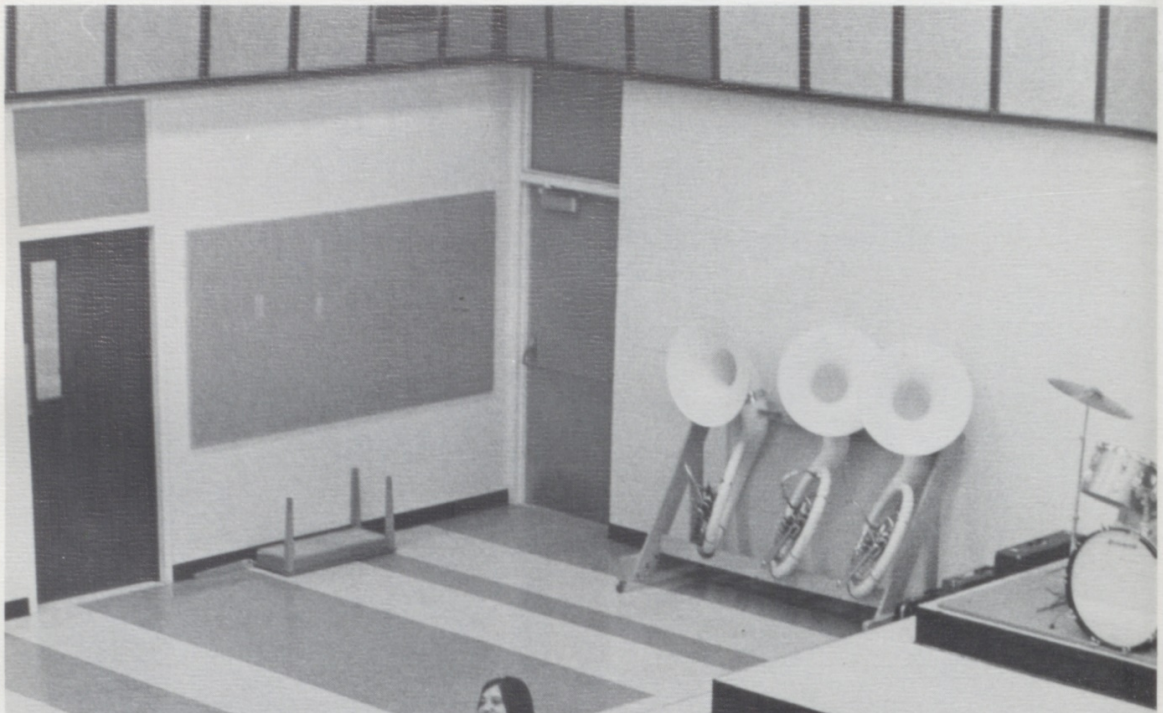

With the arrival of several feet of snow and ice, the Fall came to an abrupt close. The students were now resigned to the fact that school was here to stay.

Icy flakes of white continued to roar down from the north throughout the winter months, leaving the ground concealed under tons of ice and snow. Highlighting the winter season were the State Wrestling Tournament held in Denver and District Basketball Play-offs in Platte Valley. For the first time an All School Musical, "The Feather Duster", was presented in March to repeated full houses. The sun finally broke through the clouds at the end of March to thaw the frozen world once again, but there had been a time when it seemed as though winter would never end.

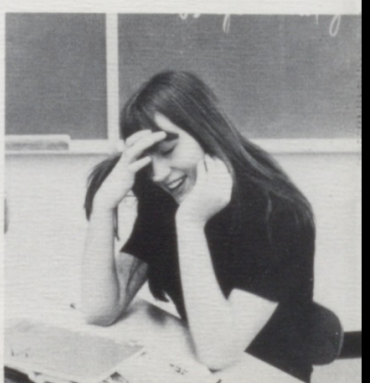

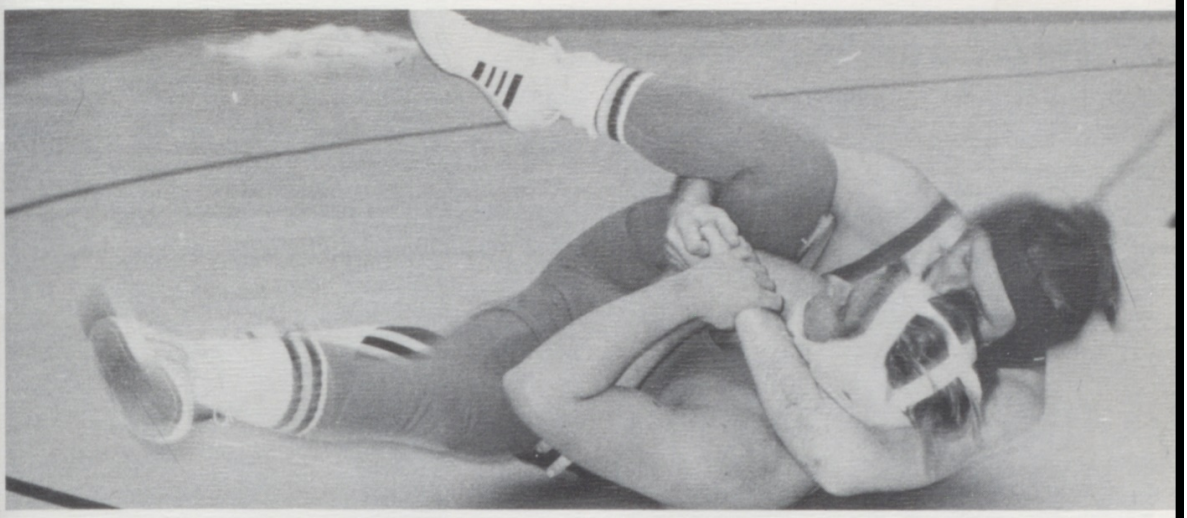

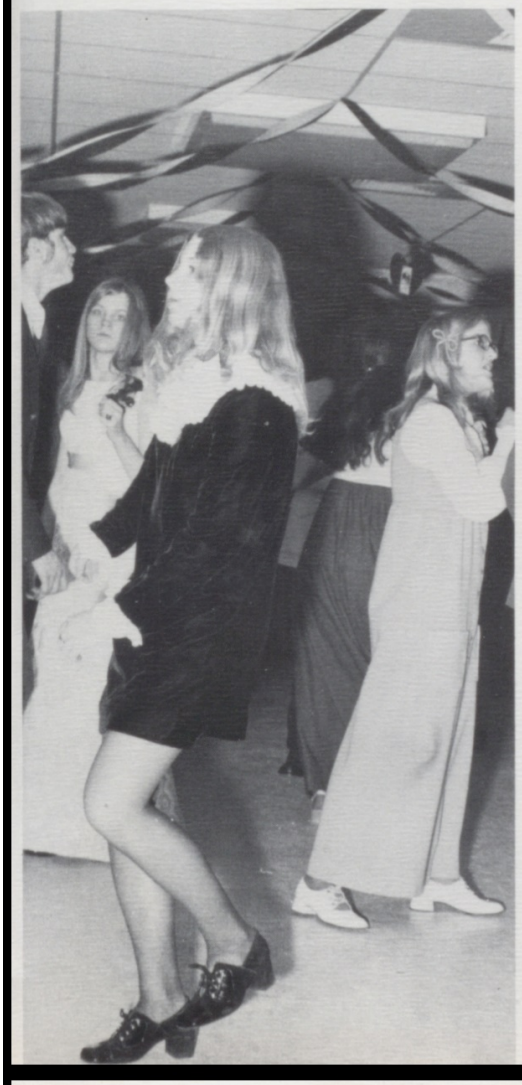

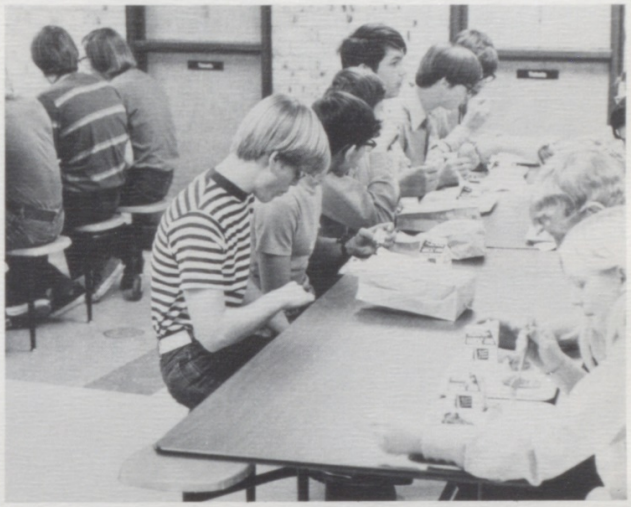

As the snow piled up around the school, the work piled up on the desks of students, making the winter a time of great concentration. The outstanding events of the winter were the various athletic tournaments and the musical, as well as the parties at Christmas time. The Sweetheart Dance served as the last event as the winter closed.

Physical Education I was a basic requirement for all new students, and each had the opportunity to take P.E. I as a freshman or sophomore. P.E. II was an advanced course offered to all who had completed P.E. I. The girls' classes participated in bowling, volleyball, basketball, ping pong, softball, horseshoes, shuffleboard, and gymnastics.

Introduced into the curriculum this year was an eleven minute break, in which students were allowed to be entirely on their own with no supervision. They were allowed to drink pop, sit on the lawn and visit with friends. The break actually lasted eight minutes, with a three minute passing period.

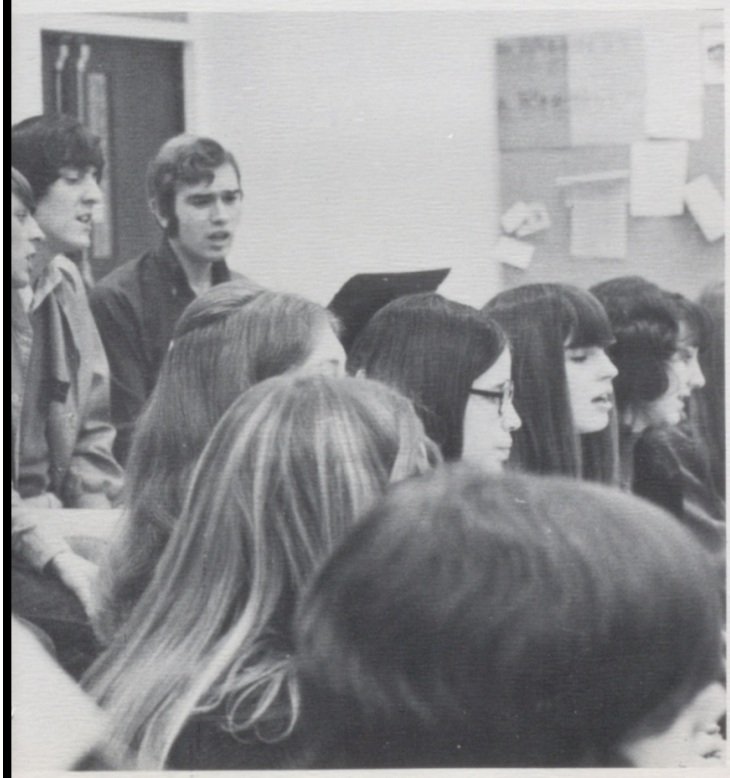

Mr. Terrell Sumner headed the Art Department during the 1972-73 school year. He instructed Crafts I and II; Art I and II classes. On the other hand, Mr. Albert Moser taught a class of Crafts and Woodworking I and II.

As an added feature to many of the classes, teachers took students on many varied excursions. Mr. Thomas Woolley took his Sociology classes to the Denver Art Museum and the Colorado Museum of Natural History.

Select Choir met as a regular class this year on a rotating basis with Swing Band. The group numbered 25, and was under the direction of Mr. Calvin Harding. The group made several community appearances, including a Spring Tour of southern Colorado.

. . . MORE ACTIVE FOR B.H.S.!

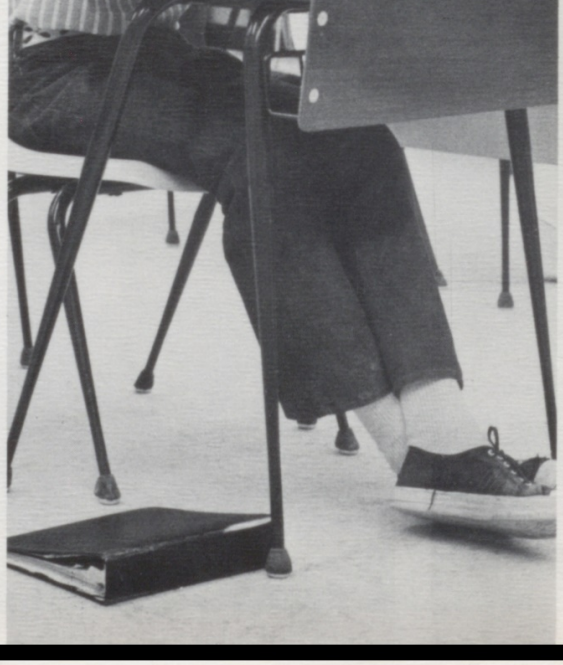

Students used the library as a retreat in which they could study, read, or just escape. Many new books were received this year through donations and memorials.

Working closely with the office personnel, the principals were able to get through the daily routines. Mrs. Leona Graham, Mrs. Virginia Fries, and Mrs. Eunice Needens performed the secretarial work.

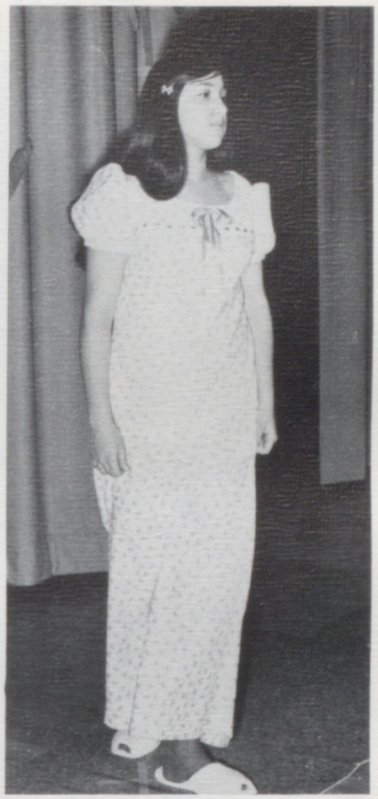

Virginia Fries, and Mrs. Eunice Needens performed the secretarial work.

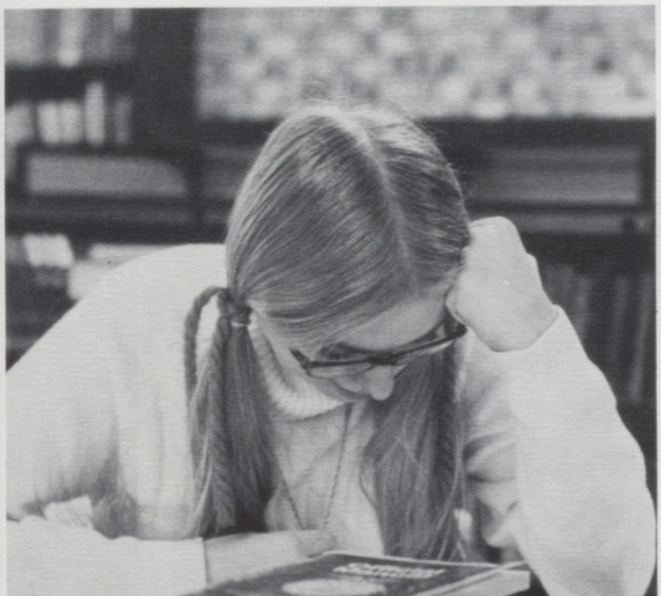

German I, II, III, Spanish I, II, III, were the languages offered at BHS this year. Beginning Spanish was taught by Mrs. Margaret Queen, while Mrs. Eleise Bloom instructed the other classes. The department continued with the program set up last year, with the aid of the new equipment.

During the month of January, the Home Ec. Department gave a style show. Participating in the review were the Clothing and the Senior Home Economics classes, taught by Miss Laura Franklin. The show featured fashions made by the girls, and ranged from nightwear to formal evening gowns.

Composition 35, an advanced comp. class taught by Mrs. Margaret Queen, featured the writing of a term paper. The class met daily in the library, and sought out and researched all resource materials, used in their projects.

DIGGERS HAVE 13-7 SEASON

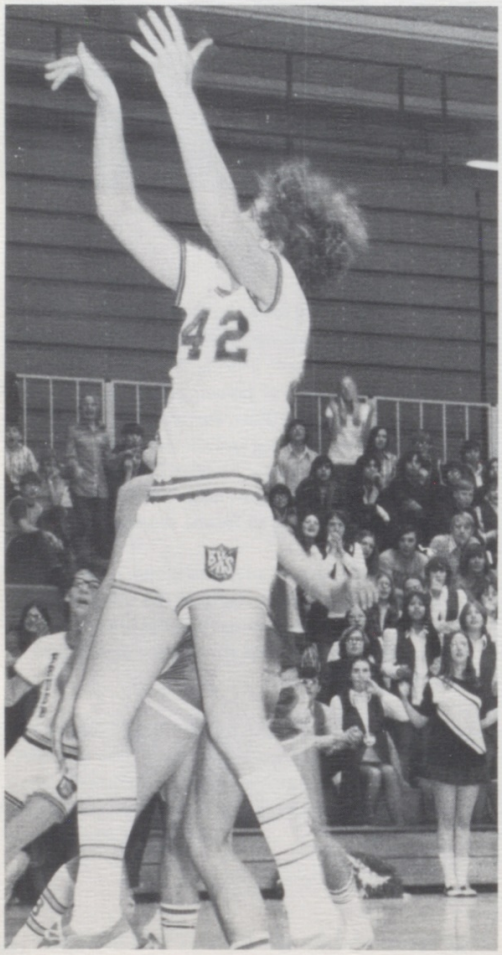

Overcoming inexperience and having only one returning letterman, the Brush Beetdiggers finished second in League, but were beaten in the District playoff 63-56 by Welco Champ Platte Valley.

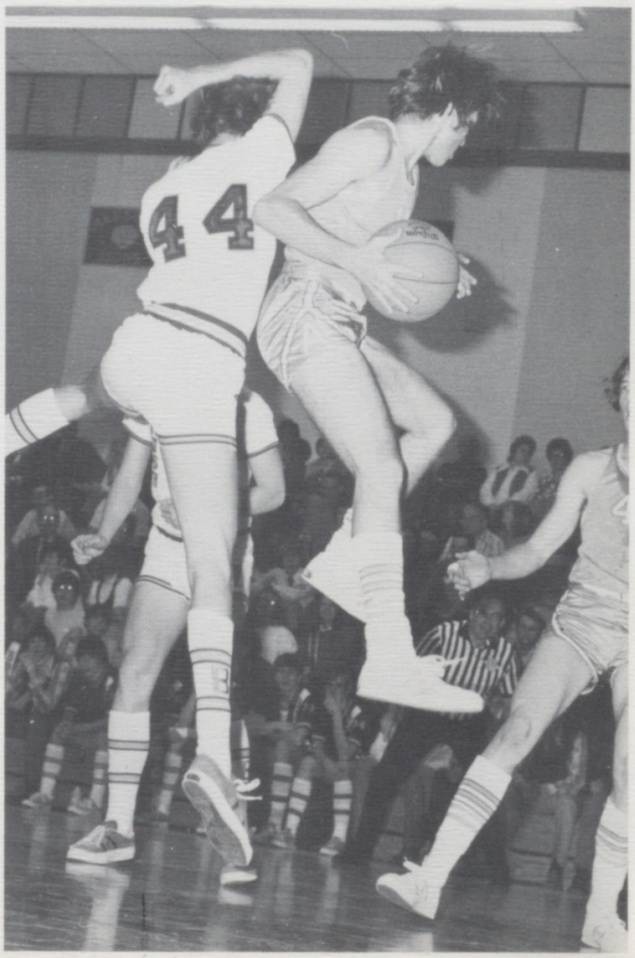

The team shot 36.3% from the field and 61.5 from the the free throw line in scoring 1,266 points during the season. The team averaged 63.3 points per game as compared to 55.4 for their opponents.

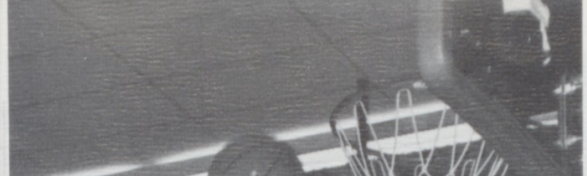

The team had 730 rebounds led by Dan Alexander with 224. Randy Needens led the team in assists with 30.

High scorers for Brush were Dan Alexander with 13.3 points per game and sophomores Randy Needens and John Lynch with 12.7 and 12.3 respectively.

WRESTLERS COP THIRD PLACE TROPHY

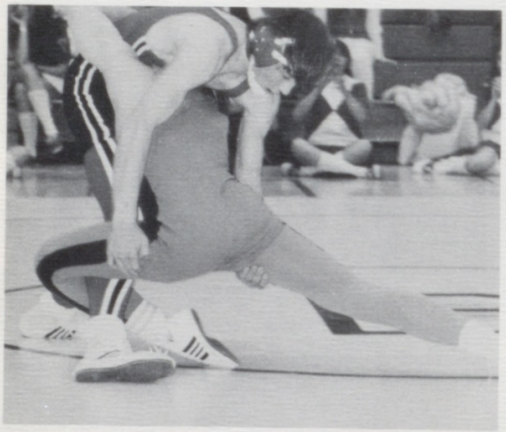

During the '72-'73 season, three Diggers qualified for State at District held in Akron. Misfortune hit, however, when Pete Padilla was injured in his final match, making him unable to compete at State. Kurt Dodge placed second at 145 pounds, while Gaylen Bostron was eliminated in his third match.

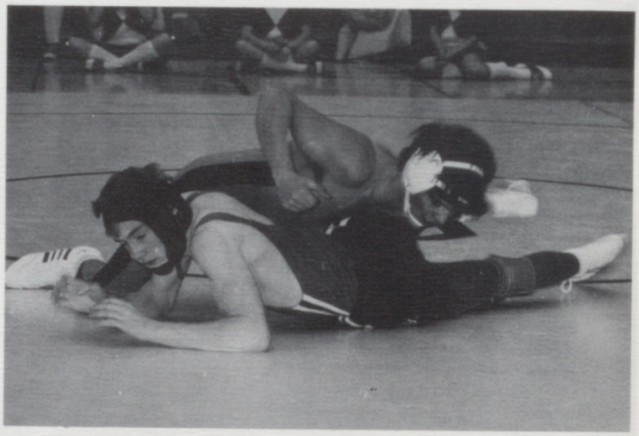

Under the direction of a new coach, Mr. Frank Bednarik, the BHS matmen had a fine year with a 3-2 conference record, topping it off with the third place trophy from District.

JERRY ELY IS MR. BEETDIGGER FOR YEAR 1972-73

Sponsored by Pep Club, the annual Sweetheart Dance was held Saturday, March 24 from 8:00 to 12:00 P.M. The theme was "Love Is All Around Us," and the cafetorium was decorated in red, black, and white with posters and cartoons from the "Love is . . . " comic series.

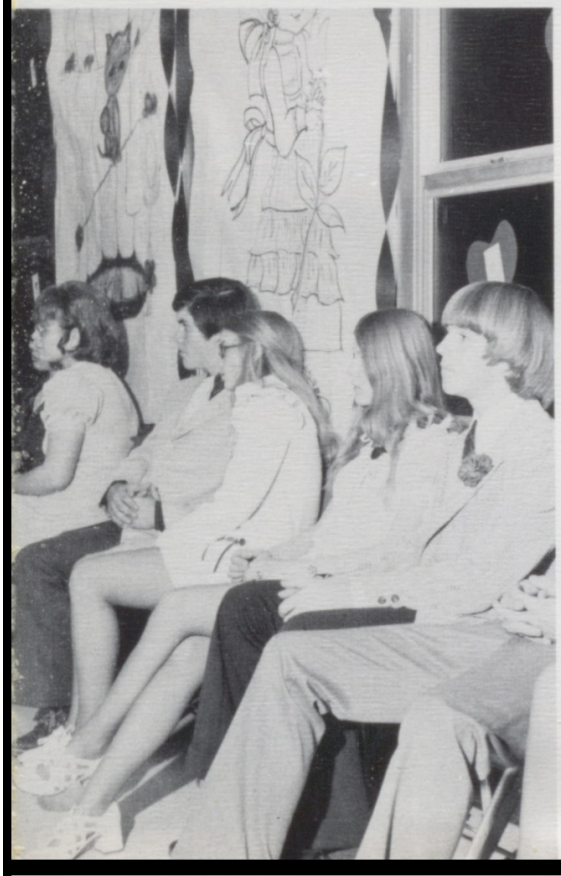

The band was "High John", featuring a female lead singer. Chaperones for the night were Mr. and Mrs. Don Alexander, Mr. and Mrs. Junior Ferguson, Mr. and Mrs. Richard Catron, and Mr. and Mrs. Lawrence Ely.

Highlighting the night was the crowning of Mr. Beetdigger and the honoring of his attendants. Nancy Swinson, Laurie Price, and Robin Peterson escorted the attendants to the throne, while Jane Flinn crowned Mr. Beetdigger. Danny Alexander, Kurt Dodge, and Steve Krueger were elected to the honors of being attendants, while Jerry Ely was chosen Mr. Beetdigger for the year 1972-73.

CHRISTMAS PROGRAMS HIGHLIGHT THIS YEAR'S SEASON

Santa Claus made the Thespian Christmas Program at Eben-Ezer complete.

The Thespian Troup of BHS presented a Christmas Program for the elderly that consisted of poems, readings, and skits.

The sophomores presented the most original skit of all four classes at the Christmas Program.

A Thespian is always faithful to his part, even though his basic personality conflicts with the role.

As their part in the Christmas Program given by the classes, the Freshmen presented a revised version of "The Littlest Angel".

After performing at Sunset Manor, the troup traveled to Eben-Ezer to repeat their program.

G.A.A. ENJOYS SNOW . .

Innertubing down the white snowy mountain side was loads of fun, but it was the long tiring walk up the slick icy mountainside which many of the GAA girls dreaded.

Among the tall trees and crisp mountain air skiing became a fascinating and enjoyable sport, not only for the beginners but also for the advanced.

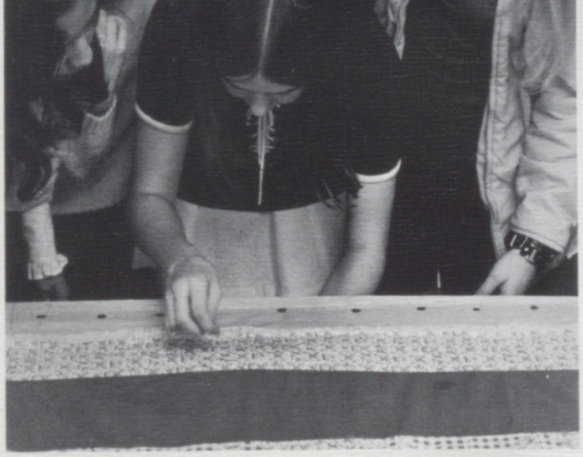

Enthusiastic GAA members debarked from the bus into the quaint mountain town of Estes Park for the invigorating weekend in the Colorado Rockies.

Through a group effort, the G.A.A. worked many long tiring hours to complete their money making project, a quilt.

Raffle tickets were sold at the door and during halftime of a varsity basketball game the quilt was given to the lucky winner.

FTA PLAYS BASKETBALL ON FOOT . . .

Mrs. Bloom, faculty coach, had the towels ready for her victorious team, after they defeated FTA members 23-17.

Lively debates and lots of action highlighted the game held February 1.

For the strenuous pre-game warm-ups, the faculty team stole the show in fashionable bloomer sweat-suits.

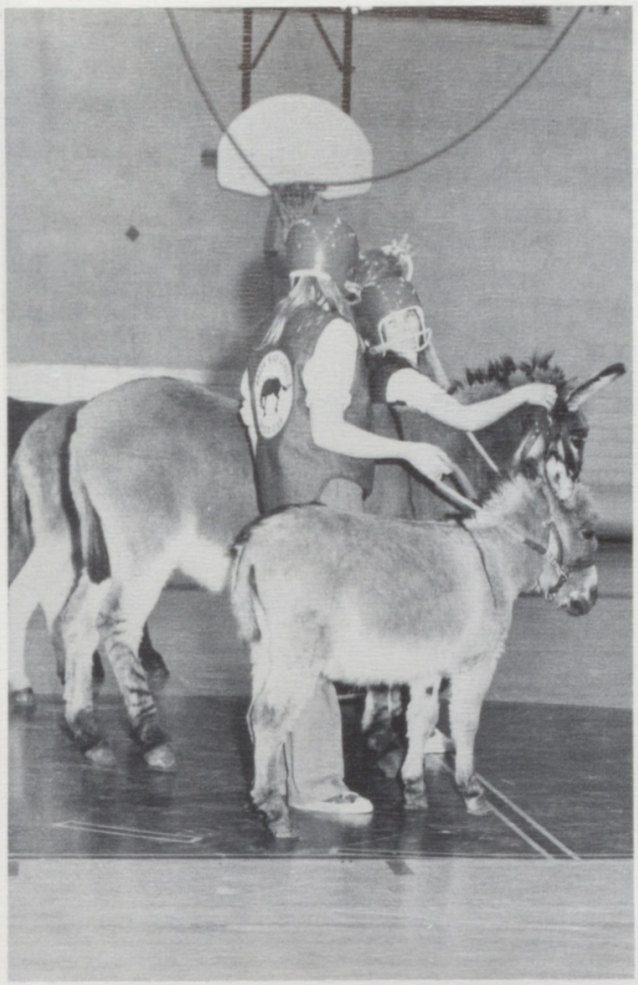

Rodeo Club had their share of "kicks" and fun as they challenged BHS faculty —on donkeys!

Sometimes the burros had the bad end of the deal.

Much speculation was made as to the outcome of the game. Many still swear the donkeys were the REAL victors!

. . . WHILE RODEO CLUB GETS ITS "KICKS" ELSEWHERE!

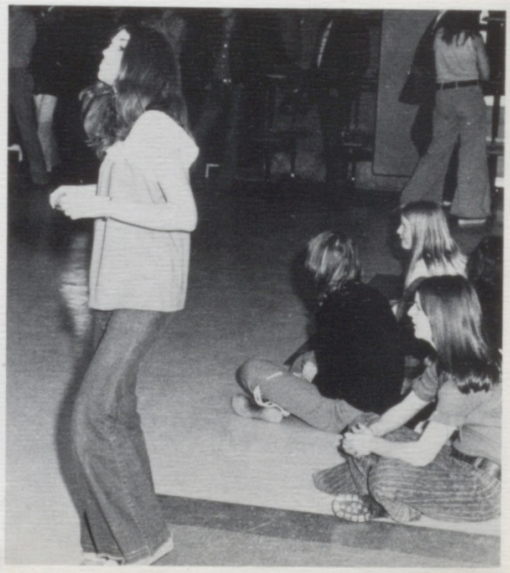

COUNCIL SPONSORS SOCK HOP

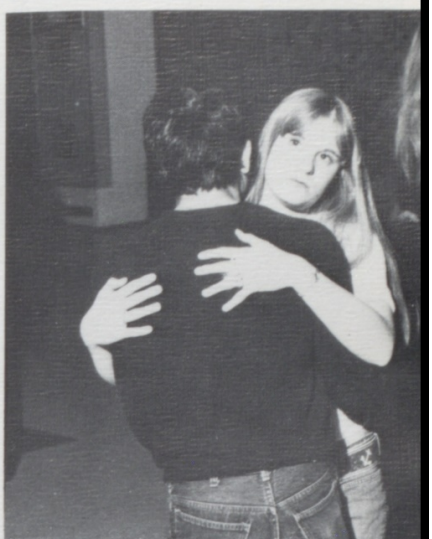

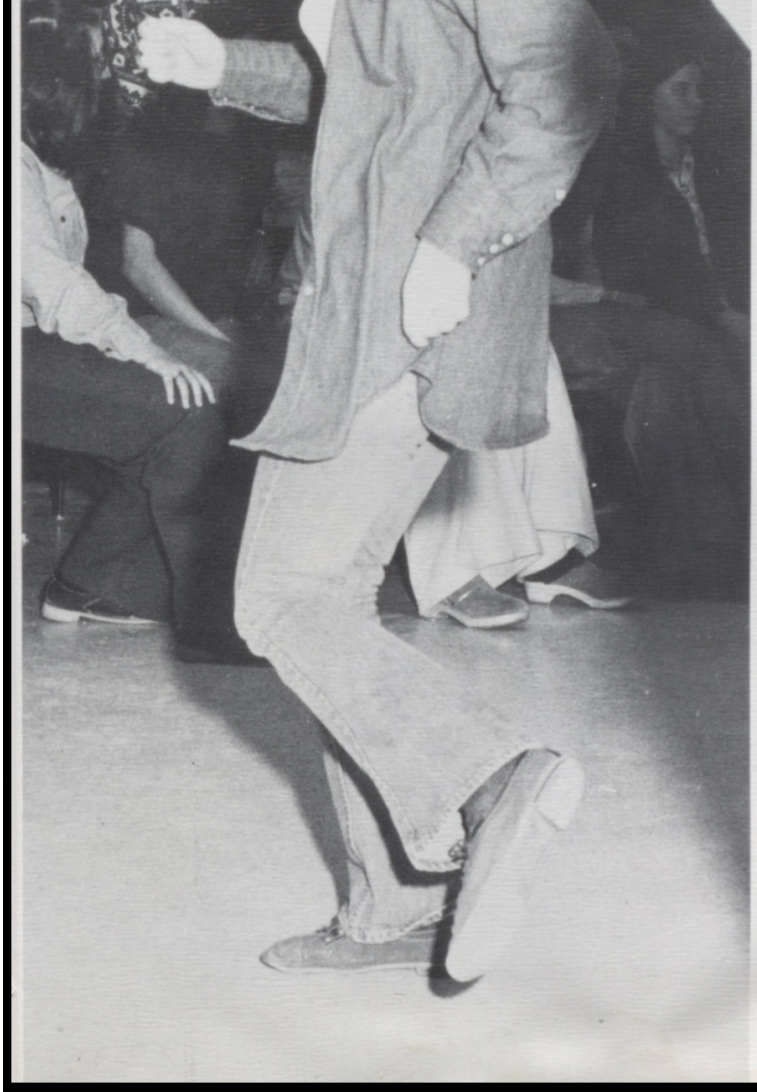

Student Council sponsored a dance that became a first at BHS when they played tapes to provide the music instead of a live band.

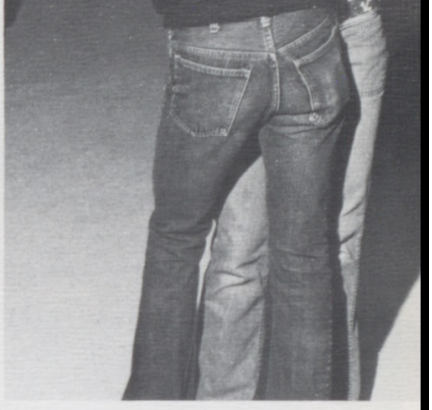

Couples enjoyed dancing and sitting for a quiet talk.

MARCH COMES IN LIKE A LAMB . . . WITH A 'FIRST' IN DRAMATICS

BHS presented a 'first' in dramatic productions March 1st and 2nd—a musical! The show, entitled "The Feather Duster", centered around a fairy tale sketch devised from the children's stories of fantacist Hans Christian Anderson.

The libretto involved the well-intended flops of the fairy Fortunetta intermingled with the adventures of Thumbelina. It was presented a total of four times: twice

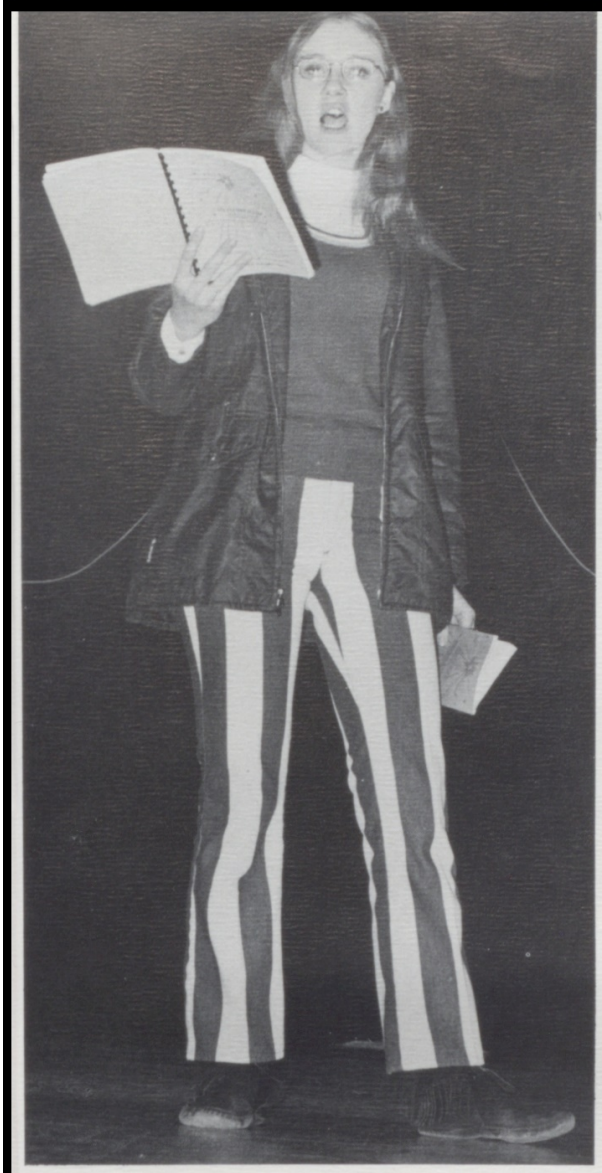

The libretto involved the well-intended flops of the fairy Fortunetta intermingled with the adventures of Thumbelina. It was presented a total of four times: twice for the grade school children in matinee performances, and two times for the general public in the evening.

Cast for the musical included Sue Hellyer, Peg Holter, Tim Macht, Bret Lessman, James Bass, Andy Mitchell, Chris Ruebel, Carl Stitt, Luanne Price, Robin Peterson, Rick Conners, Claudia Christensen, Jeff Dymond, Kathy Miller, Leslie Price, Russell Kauk, Arnie Andersen, Trudi Asheim, Marla Boxer, Kathy Flinn, Verna Foley, Marlene Schilling, Susan Small, Amy Wahlert, Judy Wagers, Clay Ruebel, and Kathy Elling.

Many others participated in the musical in necessary jobs such as stage crew, lighting, costumes, publicity, and posters.

"Remember, I'm a fairy" was a choice cut.

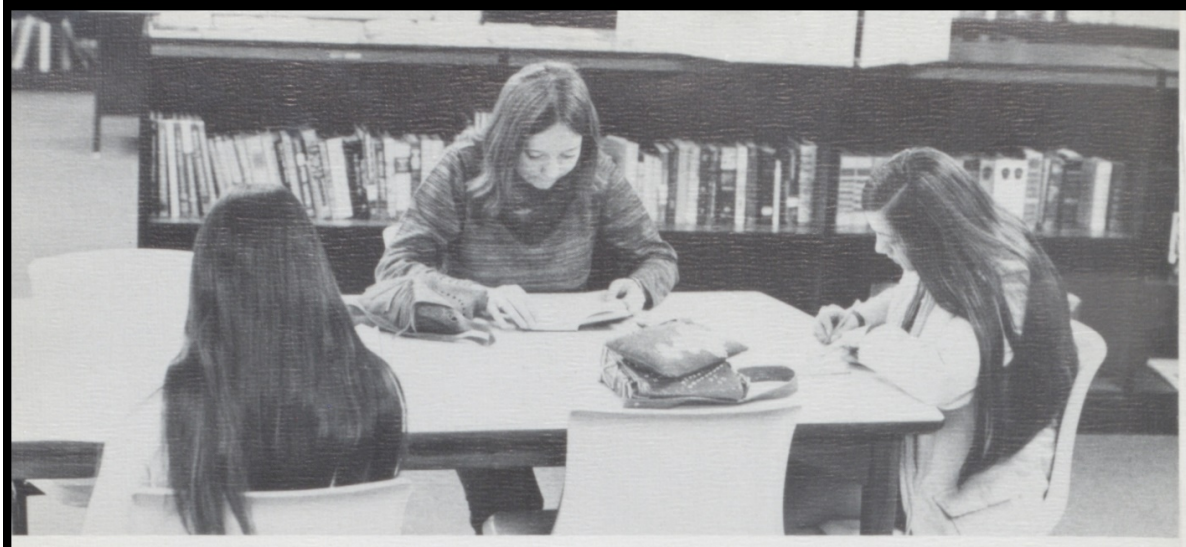

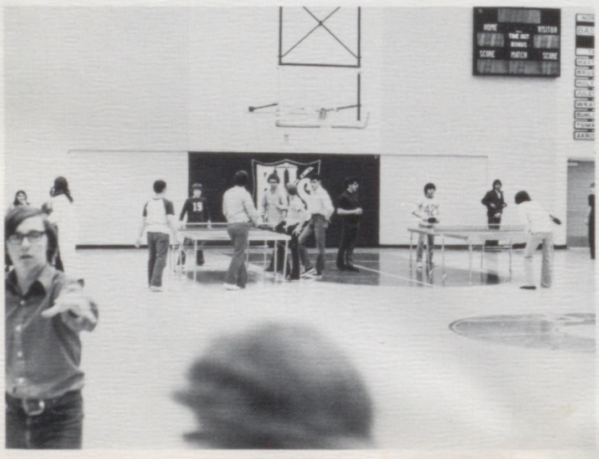

Because of the bad weather which dominated the winter months, the students' anxieties built up, making it trying for both the faculty and the student body. With the coming of sunshine the tensions were finally relieved, and all looked forward to spring.

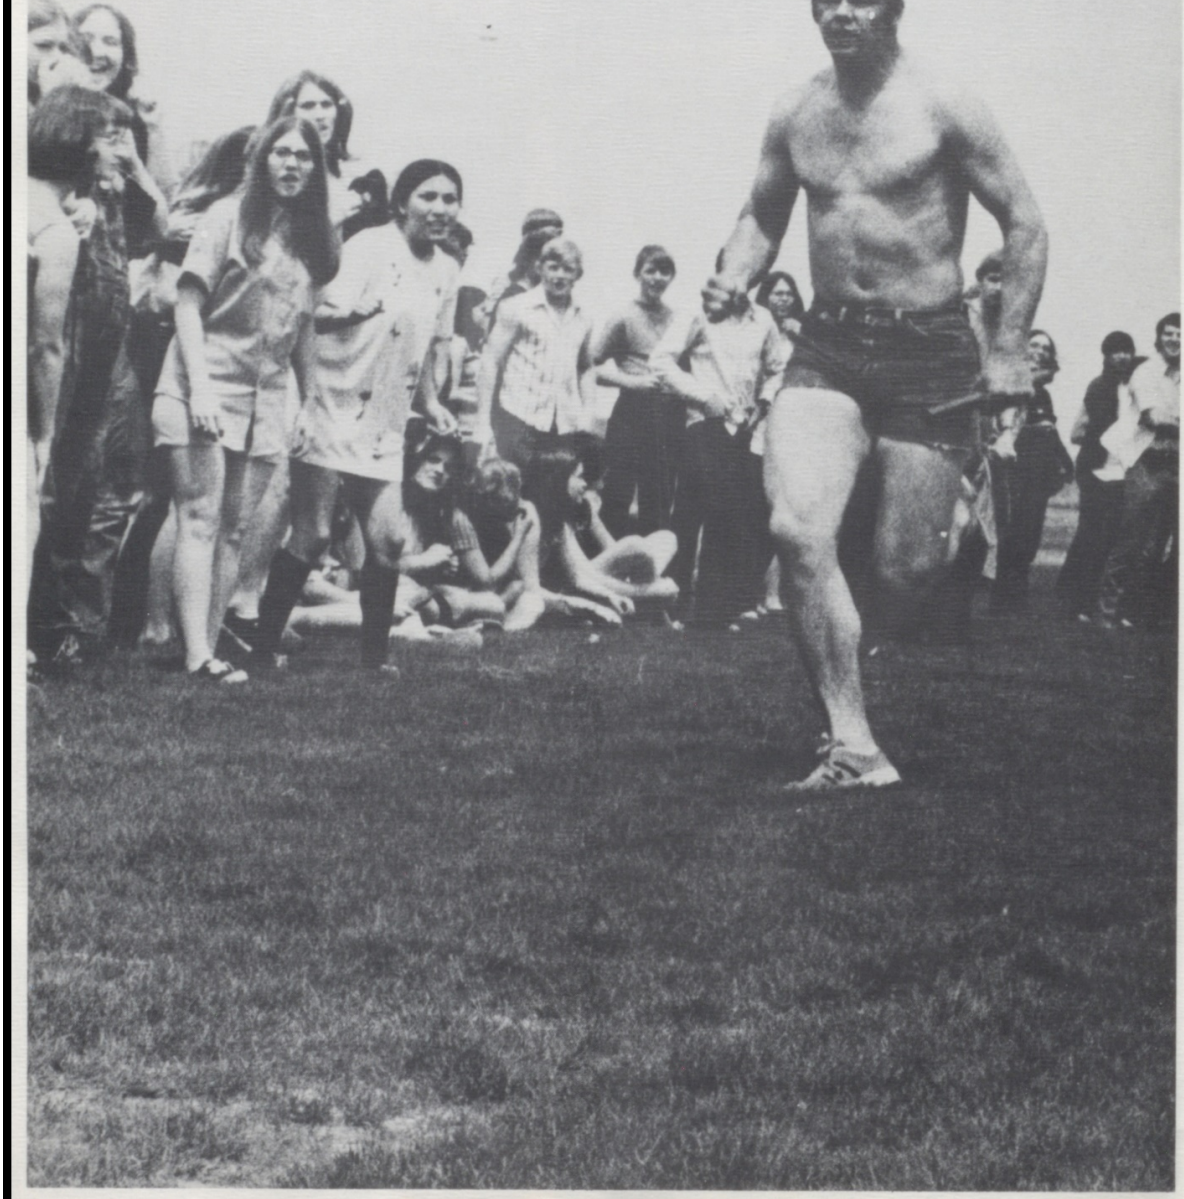

SPRING

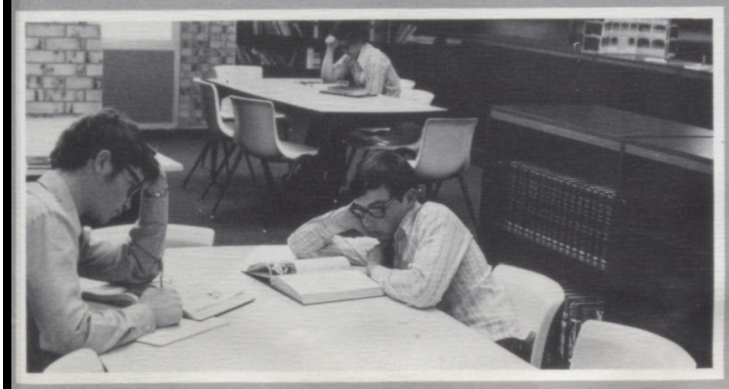

Rain dominated the early part of the Spring, finally clearing only a couple of weeks prior to graduation with clear skies becoming the general rule. Banquets, parties, and assorted activities took up the time of the various clubs and organizations throughout the final months.

rule. Banquets, parties, and assorted activities took up the time of the various clubs and organizations throughout the final months.

Accenting the Spring months were the Junior-Senior Prom, Digger Day, and the graduation of the senior class which brought to an end another school year on May 24, 1973.

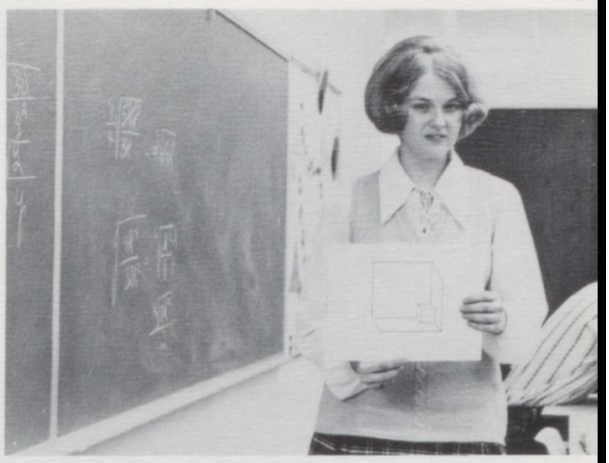

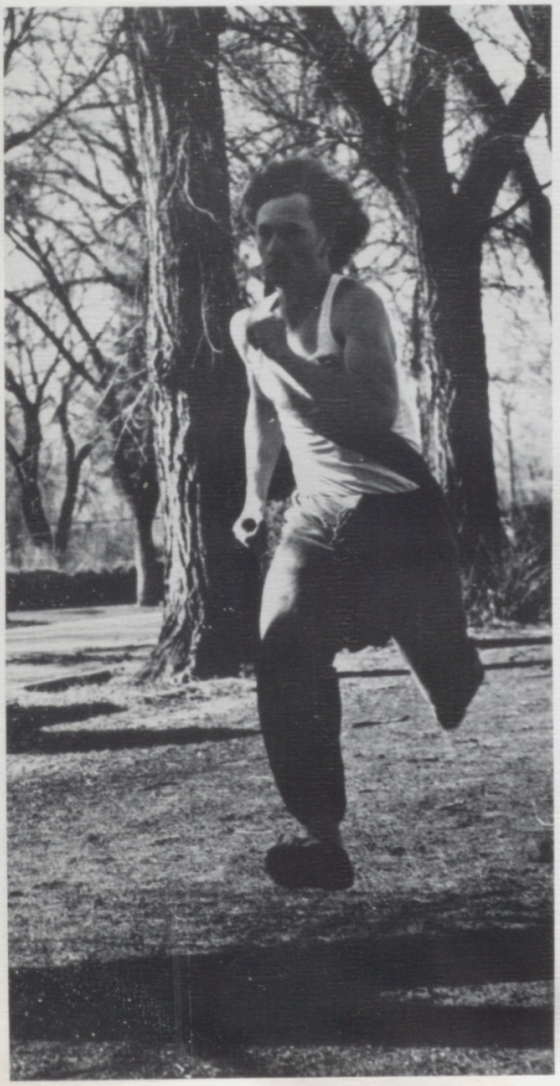

Among the various activities that were undertaken from March through May, Digger Day proved to build the most school spirit with races, relays and several assorted events. Other events that were on the individual level were ping-pong, chess tournaments, and games of horseshoes.

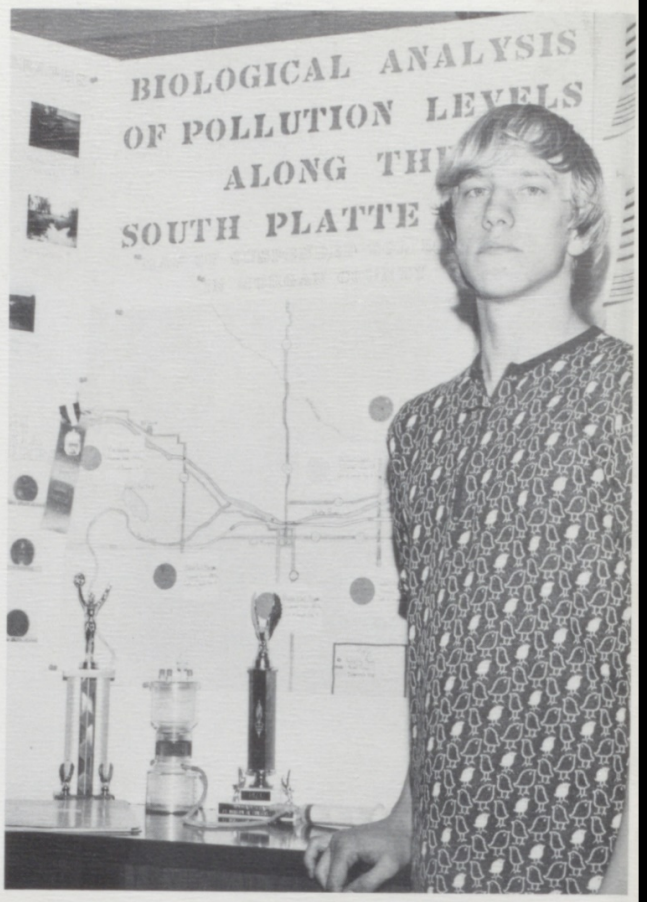

In May the clubs as well as the Student Body elected officers and held the end of the year banquets, generally wrapping up 1972-73.

Sports were also an integral part of the Spring with two boys qualifying for the State Track Meet. There was also a Golf Team and a Girl's Track Team, which participated in meets throughout April and May.

DURING SPRING QUARTER . . .

Roger Olsen was honored during the 1972-73 school year at the Morgan-Washington Bi-County Science Fair held at Wiggins in March. He placed second and was then eligible to move on to the State Science Fair in Denver. Roger received many various awards including third in the All-Projects Division, first in Botany, second award given by the American Society of Microbiology, and he was given a special award by the Inst. of Arctic and Alpine Research. He also was given $150.00 in savings bonds and a ten week all-expense paid trip to the Arctic and Alpine Research Center above Boulder this summer.

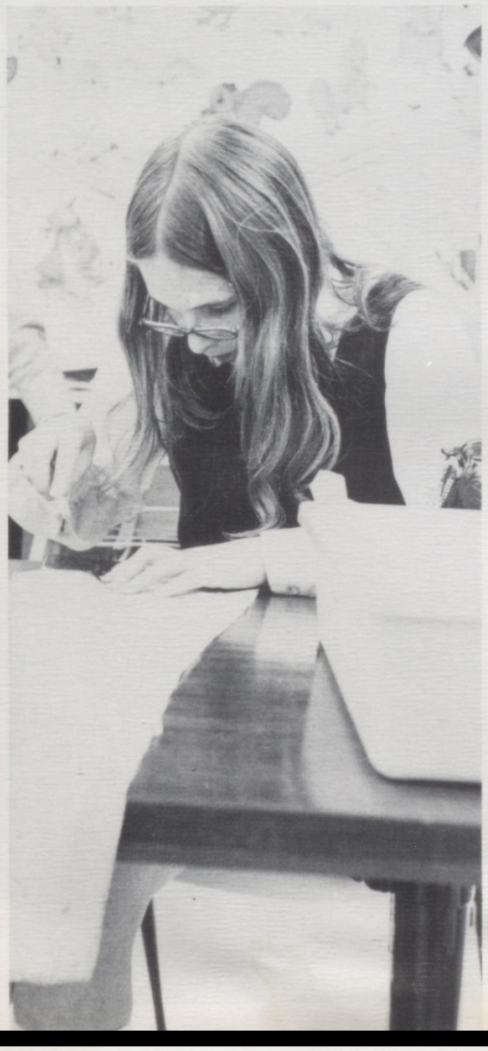

The Math Analysis class taught by Miss Paula Young, undertook a project which consisted of making a map of the city of Brush. They used mechanics learned in class such as vector analysis and Trigonometry. The whole class was divided into small groups, and each mapped certain sections of the city. The sections were then assembled into a finished map.

"Life with Father", a situation comedy, was presented by the Drama class early in the spring.

A freshman tried her hand at sewing in a Home Economics I class.

Ghetto, a simulation game that approximates ghetto life was played by Soc. II students.

GIRLS COMPETE IN TRACK AND FIELD

Girls' track struggled against both adverse weather and no facilities, and yet managed to come up with an excellent team. Competing in only 4 of 12 meets, the girls, small in numbers compared to all the other schools teams, managed a respectable finish in all meets. Two freshmen placed at District, and left Miss Mora with an optimistic view for the coming years.

The girls placed 3rd in the league meet, and 3rd in a quadrangular meet with 3 other AAA schools. They also placed high in the Haxtun meet. Team points were not kept for the District meet.

The girls were forced to practice down at the junior high on fair days, because there was no track at the high school, and because of the poor weather, they also spent many days practicing in the gym.

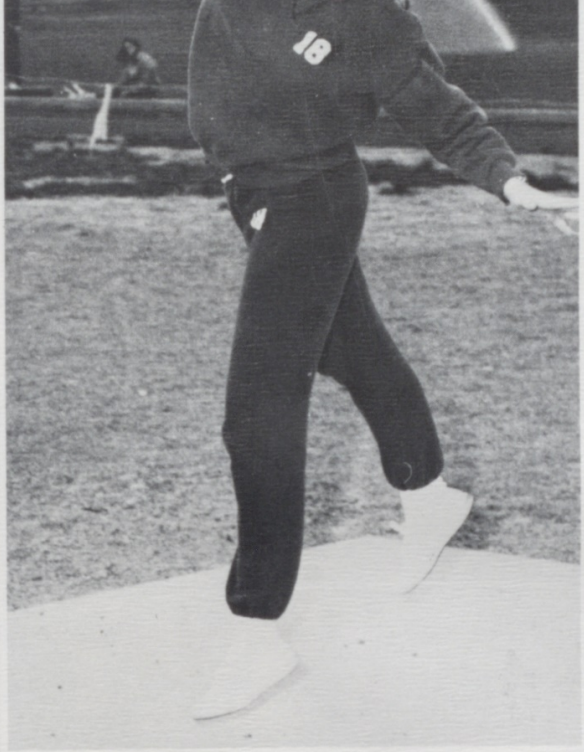

The goal of girl's track is perfection. But to acquire this goal, enormous amounts of work are needed. This results in practice, practice, and more practice.

But more is needed than practice. Proper technique is also part of a winner. These techniques are obtained, in a large amount, from the advice of the coach.

BANQUETS AND PICNICS HIGHLIGHT THE SPRING

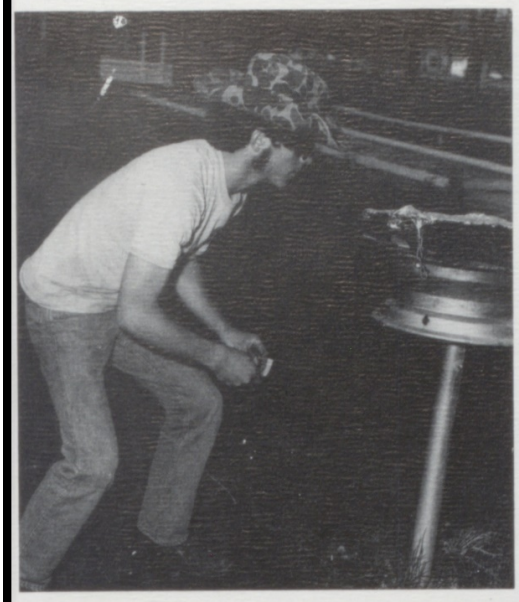

F.T.A. members enjoyed a picnic to wrap up the year's activities.

Mothers were special guests at the G.A.A. picnic in which volleyball and eating were relished by both mother and daughter alike.

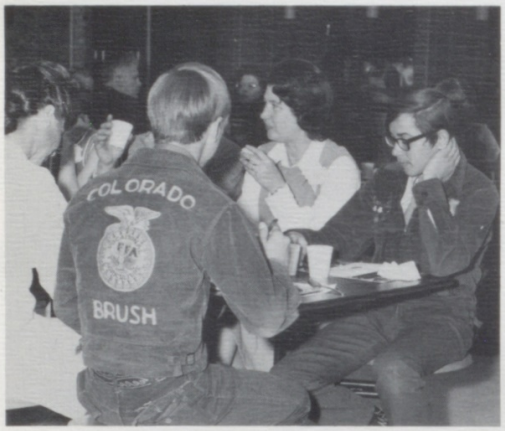

VOCATIONAL CLUBS END A SUCCESSFUL YEAR

Both the Future Farmers of America Club and the Future Homemakers of America invited their parents to celebrate the end of their school year.

Throughout the year both clubs took state and district offices and awards.

ELECTIONS END YEAR

As is traditional, Student Council candidate speeches had a touch of humor. The time for seriousness came the following day at the polls.

TEARS MARK A BEGINNING AND ENDING

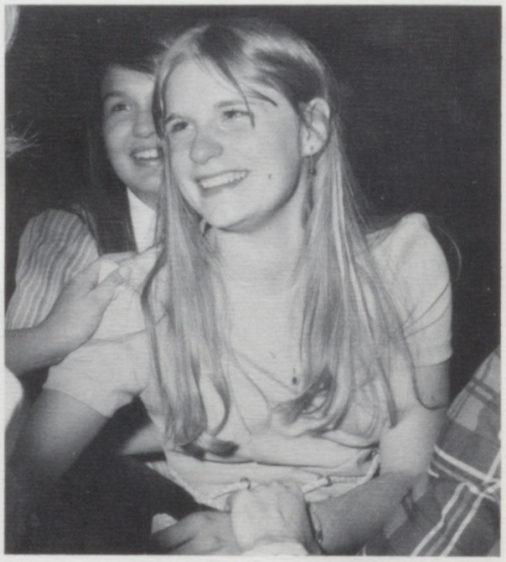

For the Senior Girls, the Pep Club Banquet marked an end to their eventful years as members of the Brush High Pep Club.

Tears flowed freely when the various winners were announced.

THESPIANS INITIATE 14 NEW MEMBERS

"The show must go on!", and so must the banquet. Through rain and floods the faithful Thespians traveled to attend their annual initiation.

They didn't have to suffer all night because dinner was served early.

SUSPENSE HIGHLIGHTS ALL-SCHOOL PLAY

The all-school play, given on April 12th and 13th, had a new twist this year in the form of a mystery entitled "Nine Coaches Waiting", by Mary Stewart.

Many agreed that Dumbo stole the show. This popular character was very expertly acted by a grey schnauzer named Moose, an active member of the Cox family.

Cast for the drama included: Rick Blatt, Bret Lessman, Claudia Christensen, Jolie Wolf, Karen Cox, Amy Wahlert, Ed Pabst, Roger Brown, Clay Ruebel, Pete Padilla, and of course, Moose as Dumbo.

The play was produced with the assistance of members of stage crew, publicity, props, and other committees, all under the direction of Mrs. Eleise Bloom and Miss Lorraine Young.

LUAN REIGNS AS PROM QUEEN

Days of future passed and the class of '74 prepared a "Stairway to Heaven," which was used as the theme for the Jr.-Sr. Prom. It was held April 28 from 8:00-12:00 P.M., and Alpha Centauri, formerly Colorado, provided the music.

Crowned Prom Queen by Junior Class President Paul Beckley was Luan August. Her attendants were Lana Wantlin and Kathy Elling, escorted to the throne by Steve Poulignot and Mark Gebauer, respectively. The other candidates for Queen were Claudia Christensen, Deb Foos, and Pam Mitchell, while Ellen Bailey, Pat Mitchell, and Marlene Schilling vied for the position of Junior Attendant.

A mighty fortress is our God, A bulwark never failing
Our helper he amid the flood of mortal ills prevailing
For still our ancient foe Doth seek to work us woe;
His craft and power are great,
And armed with cruel hate, On earth is not his equal.

Did we in our own Strength confide, our striving would be losing.

Gathering at the commencement exercises were the excited seniors who had worked together for high esteem, stood together in times of sorrow, and shared good times with laughter. Many were thoroughly overjoyed to be freed of the ties of the school, thinking, "I'll never see this place again!" However, for many it meant a time for giving a tender hug to a friend, a reverent clap on the back, and perhaps a lump in the throat, and a few tears burning in the eyes. As everyone leaves to go his own way, perhaps too far to see his classmates until a reunion in 25 years, he can remember the experiences of the Class of '73 as a part of him.

DELL

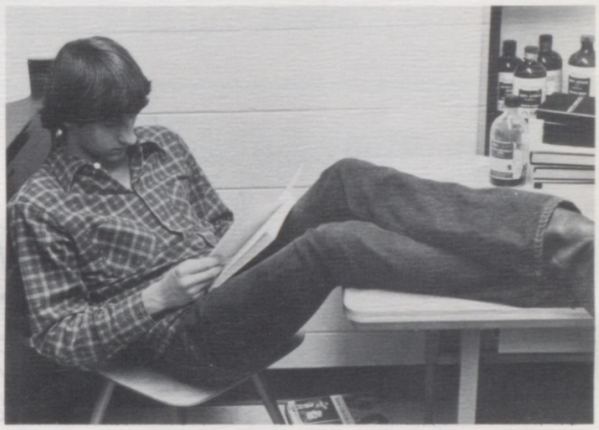

This was the year; it, like all the rest is singly unique in each individual's own experiences and thoughts. The Class of '73 is gone, only to be replaced by the freshman class of '77 and the movement will continue, but this year will always be with us; never to be forgotten.
