Class Of '82 Looks Toward Tomorrow

What does the future hold for the graduating seniors of BHS? Only time will tell, but the 1981-82 school year was a busy one for most seniors. Senior class officers were: Sheila Walkup, president; Kelly Emhovick, vice president; and Michele Crall, secretary.

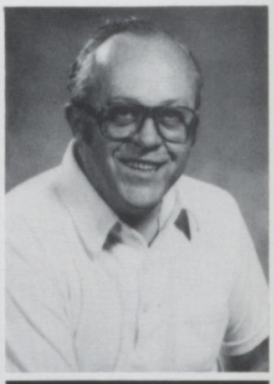

Homecoming and Prom were two of the major events of the year. The Homecoming theme was "Digger Gold" and for the first time in two years the festivities were accompanied by floats. The senior class placed second in the float competition.

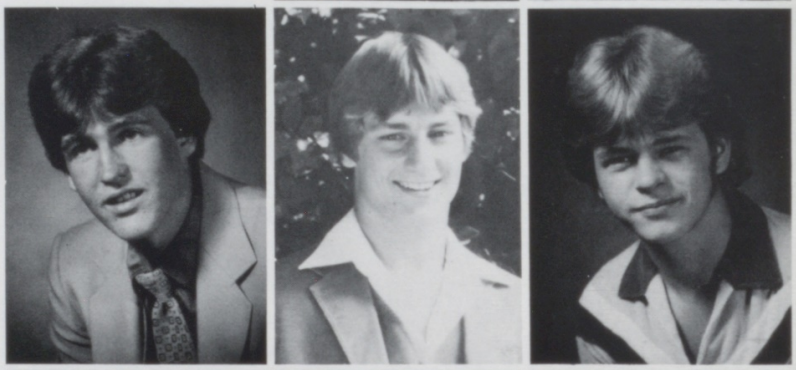

"Southern Nights" was the theme of the Junior-Senior Prom which was also the last dance of the year.

Graduation was held outdoors for the first time. On Saturday May 22nd on the football field the class of '82 bid farewell to BHS and took their first step toward their future. Mrs. Woodward and Mr. Woolley sponsored the senior class.

J-Staff Tries Out A New Company

Through the 1981-82 school year, the journalism staff of Brush High School kept busy learning new yearbook production techniques as the staff joined up with a new company ... the Josten's American Yearbook Company. Different techniques in layout, copy and photocropping kept the entire staff busy throughout the year.

Editors for the yearbook were Lorie Wind and Ron Alexander. Zane Rudnik was ads manager and head of the production staff with Penni Wahlert as his assistant. Although these students were veterans in journalism, they also had to learn different ways to make a yearbook.

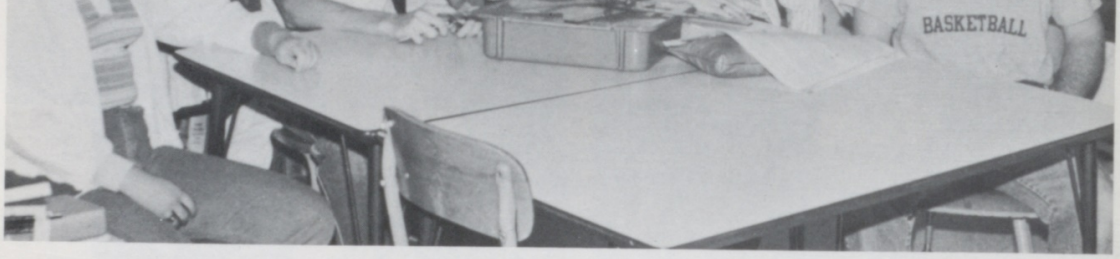

Kise Irvine and Mike Diers were editors for the Sagebrush Reporter which was distributed approximately once a month during the school year. The staff students got much experience in writing about school events, clubs and activities.

Reporters for the 1981-82 j-staff were: Bob Baker, Jay Bzdek, James Chubbuck, Amy Cook, Tessie Gardetto, Tania Giauque, Pat Griffith, Pia Hayes, Pam Ivey, Julie Kautz, Jim King, Leslie Likely, Toni Schultz, Bill Thornsby, Michele Toohey, and Jennifer White.

STATE

Tied for 4th — Tied for 4th

Twenty-five boys participated in the 1982 track season. Throughout the year the boys track team proved to be very successful as they captured the conference title with 165 points and ran 8 speedsters right into the state track meet. Qualifiers for the meet were Mitch Bostrom, Scott Schantz, Scott Trimbach, Aaron J. Spade, Jim Glass, Tom Newland, Shawn Weatherill, and Joe Guthner. Placing in individual events were Tom Newland, 2nd in the 400, and Mitch Bostrom, 4th in the 300 hurdles. They tied for fourth with Lake County out of 56 teams who participated in the state meet.

Fast Lane

Small But Mighty

Although there were only 14 girls out for track, they placed highly at all the meets they participated in. Through alot of hard work they finished first in the conference track meet and 11 girls qualified for the state track meet which was held in Brush, May 14th and 15th. Among these girls were Maren Bostrom, Michelle Bostrom, Tania Giauque, Vicki Bass, Melanie Schwab, Sandra Ewert, Carol Moos, Lisa Woodward, Lisa Gardetto, Shawnie Massey, and Carolyn Dickerson. Placing in individual events were Michelle Bostrom, 2nd in the 400 meter and Tania Giauque, 5th in the 880 meters. Under the direction of coach Larry Mills and

Two State Runner-Ups . . . . .

Brush volleyballers capped off another exciting season by making their third consecutive trip to the State AA Tournament in Colorado Springs, and coming home with a second place trophy.

Brush volleyballers capped off another exciting season by making their third consecutive trip to the State AA Tournament in Colorado Springs, and coming home with a second place trophy.

The Beetdiggers, who compiled an overall record of 21-4, were led by first year coach Liz Bitzer as they won conference and district championships and advanced all the way to the state finals. The championship match with Platte Valley marked the end of BHS volleyball careers for seniors Tania Giauque, Amy Odle, and Kim Reitz.

. . . . . How Sweet It Is

Six inches was the difference between a state championship and a second place trophy as the Brush Beetdiggers ended their 1982 campaign with a stir of controversy in the state finals against the Windsor Wizards.

The Brush gridders, who had an opportunity to win in the closing seconds, came up just inches short on a crucial extra point attempt, and Windsor held on to win by a final score of 14-13.

In spite of the season ending loss, the Beetdiggers returned home as reigning conference champions and state runner-ups.

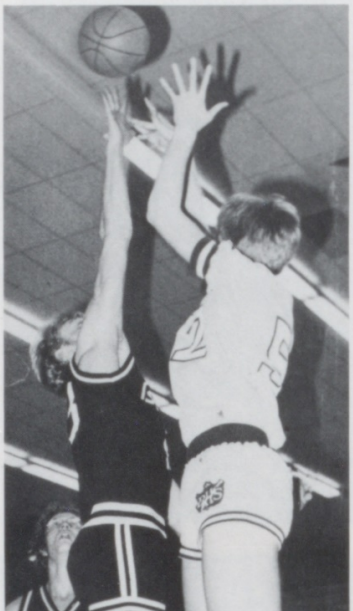

So Close, Yet So Far

Brush's boys' and girls' basketball teams both won sub-district championship and earned berths in the district playoffs, but came up just short of a trip to the state tournament.

After a dismal 0-8 start, the lady Diggers turned their season around to make their third straight district appearance, with the last two coming under the direction of head coach Bob Bever.

Coach LeeRoy Needens and the boys wrestled the Northeast Conference title away from the defending state champion Yuma Indians. They compiled a 6-0 record in conference play, and like the girls, went on to make their third consecutive district playoff appearance. Playing host to the University High Bulldogs, the Diggers lost a heartbreaking 56-55 decision to end their 1982 campaign.

Track Teams Race To Fourth Place Finish

Brush was once again the site of the State Track AA Championships. Schools from all over Colorado arrived on May 14th to compete through the 15th, for the top positions in their respective event and to qualify to be a state champion. The Beetdiggers sent eight boys and 11 girls to enter the state meet. Tania Giauque and Michelle Bostrom were the top placers from the girls team, where Mitch Bostrom and Tom Newland earned a state placing with their events. Out of 56 Colorado teams who participated in the State Championships, both Brush teams tied for fourth place with their team scoring overall.

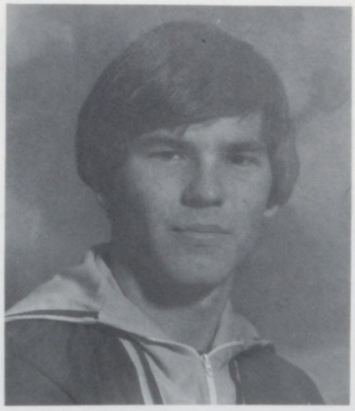

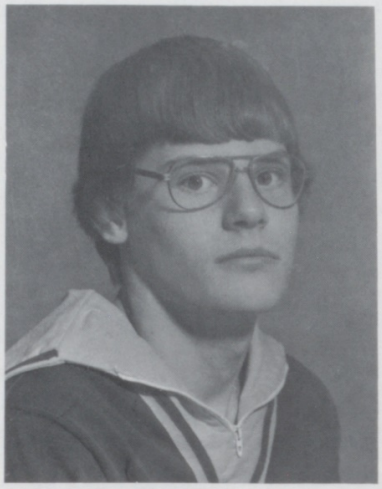

Wrestlers Escape With Seventh

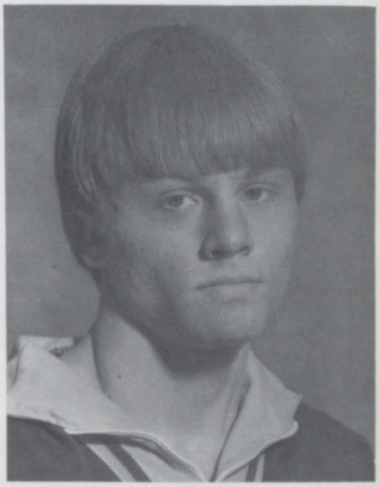

Brush Beetdigger wrestling sent five qualifiers to the State Tournaments in Denver this year. Warren Quinlin and Felix Flores did not place at the tournament. Jim Glass and Jeff Yearous both qualified for a fourth place standing in their divisions. Mitch Bostrom placed first in his match for the second consecutive year in the State Championships.

The family then found out their father was ill after Mrs. Gilbreth broke the bad news and the story ended as Mr. Gilbreth announced he was going off to London to preach efficiency in the household.
