Seniors Reach Climax

May 28, 1983, a day that will live in infamy for the graduating senior class. This day marked the end of twelve years of school and the beginning of a wide spectrum of new activities. Ninety-one graduates took the giant step toward their future with Baccalaureate Friday night and Graduation the following Saturday morning. Maroon and silver were the colors chosen by the class for caps and gowns.

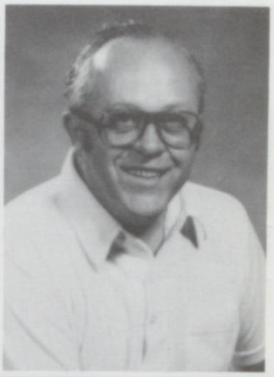

Senioritis hit early for many seniors, but despite this contageous disease, seniors still managed to accomplish quite a few tasks. Float building was one of the major undertakings but proved to be a frivolous when adverse weather conditions caused the parade to be called off thus making Homecoming a rather soggy experience. State Football also proved to be a rewarding and memorable experience as the Beet-diggers took state lead by their senior players. These events helped to add color and excitement to their final year at B.H.S.

PROM was the grand finale of dances at B.H.S. for the seniors and they had the opportunity to make their last debut on April 30th at a "Hawaiian Fantasy" which was the theme. Following tradition, the juniors sponsored PROM in honor of the seniors.

Throughout the final year the class of '83 was lead by its officer team; Susanne Acosta, President; Rebecca Hunker, Vice-President; and Rosa Perez, Secretary-Treasurer. Mr. Woolley sponsored the class and helped them with many decisions concerning graduation.

O Lord my God, when I in awesome wonder Consider all the worlds Thy hands have made, I see the stars, I hear the rolling thunder, Thy pow'r thru-out the universe displayed!

And when I think that God, His Son not sparing, Sent Him to die, I scarce can take it in- That on the cross, my burden gladly bearing, He bled and died to take away my sin!

When Christ shall come with shout of acclamation And take me home, what joy shall fill my heart! Then I shall bow in humble adoration And there proclaim, my God, how great Thou art!

Music Under New Direction

Flag Corp: (top to bottom) Michelle Carlson, Kay Kirk, Nadine Trujillo, Terry George, Charlotte Kerr, Yolanda Villarreal, Sonya Arroyo

Drum Major: Lori Woodward

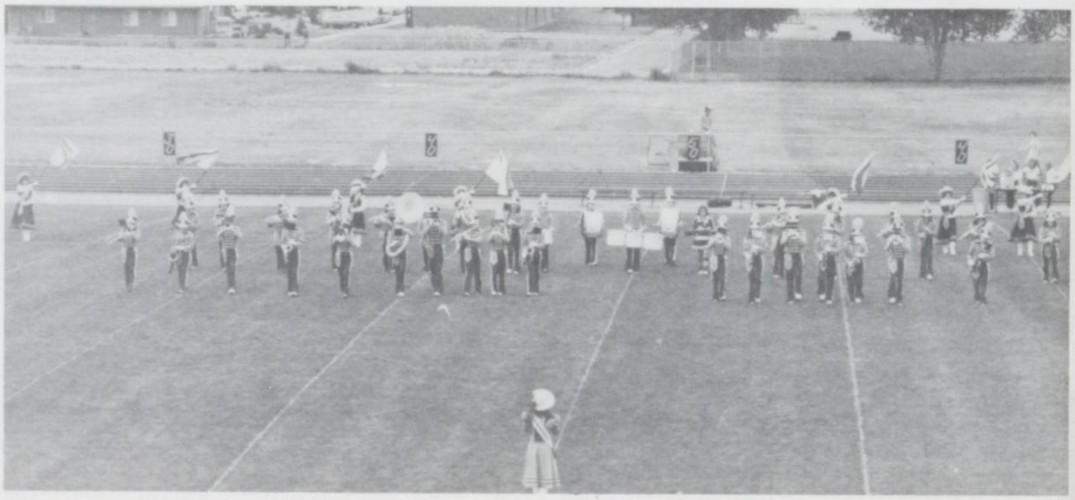

Two new teachers added to the Brush High School Faculty are both in the music department. Miss Judy Meisel was the 1982-83 Marching/Concert Band director. Along with a new teaching position, she directed the band through many activities. They provided enthusiastic music for all home football games, as well as the State Championship game. Not only were football games a place where they provided entertainment, but they played at volleyball games, including the State Championship game. The band performed marching routines at a few contests in the fall. They placed second at one marching contest and went on to receive an excellent rating at C.U. Band Day. They also played at the Veteran's Day Program. Once basketball started, the band remained loyal and played at every home game and played at Wrestling Districts also. Along with games, they played at nineteen pep rallies. But pep music isn't all they can play. They performed three excellent concerts throughout the year with some very fine music pieces. In March, twenty-eight students performed solo/ensemble pieces for the Central Band Contest where the following results were scored: superior ratings-three soloists and six ensembles, excellent ratings-one solo and seven ensembles. Two days later the State Solo/Ensemble Contest was held. The NEC Band Clinic/Concert was held here this year, and then they traveled to Sterling to play at the Large Group State Music Contest where they received an excellent rating. The band finished their busy year by performing at the 1983 graduation ceremony.

The other new teacher in the music department is Judy Carlson. She came to BHS as the choir and the stage band director. She had a busy year being in charge of three music groups. Under her leadership in the Concert Choir, they sang at many performances. They had four concerts throughout the year and sang at Eben Ezer around Christmas time. In the fall they attended the NEC Choral Clinic. Besides singing in a group, some soloists did their own performing at the Chamber of Commerce and Sunset Manor. Singing at the Solo/Ensemble Contest and the Large Ensemble Contest were the competitive events for the choir. The choir gave their last performance at the Baccalaureate Service on May 27.

The other two groups she directed was the Stage Band and Copyright 83. These groups performed most of their concerts together. Throughout the year they entertained at many places. Together they gave excellent shows for P.A.C. on November 29 and turned around and performed for the Optomist the next day. Copyright 83 sang and danced for the 1st National Bank and later traveled to UNC to show their talent. The Vocal Jazz Festival was another big event for the Copyright group. The two groups performed in three concerts throughout the year and held their last entertaining show at Thompson School.

Officers for the 1982-83 school year for the Math and Science club were: President, Pat Edson; Vice President, Lori Woodward; Secretary/Treasurer, Shawn Weatherill; and Sgt. at Arms was Greg Woodward. Mr. Gabriel and Mrs. Preston sponsored the club.

The club enjoyed a prosperous and active year. At the beginning of the year the club went on a field trip to the Rocky Mountain National Park to the Junior Academy of Science. They also went on a hayride out to the Woodwards pasture, and roasted hotdogs and marshmallows.

For money making projects they had a cake raffle and worked in the concession stand. Also, they helped sponsor the freshmen science fair and the regionals.

In order to increase membership an ice cream social was held with Forensics. This upped the membership to thirty.

CODE

VICA Attends Several Contests

The Vocational Industrial Clubs of America, Brush Chapter, attended several automotive and leadership contests this year. Members participated in at least one such contest during the 82-83 school year. Officers were: President, Dean Morland; Vice-President, Johnny Trujillo; Secretary, Marlin Mohrlang; Parliamentarian, Paul Emhovick; and Treasurer, Jo Hight.

FFA Cultivated By Kissler

FFA membership sprouted to 30 for the 1982-83 school year. Leading the chapter through a successful year were: Jim Kissler, President; Jeff Yearous, Vice President; Brad Mortensen, Secretary; Brian Weitzel, Treasurer; Greg Kalous, Reporter; and Matt Baker, Sentinel. The year held alot in store for the chapter. Greenhand initiation was done at the Creed Speaking Contest. Placing first here and at the District Contest was Margo Baker. Twelve members who won at District Judging traveled to Ft. Collins where the following came home with a gold standing: Matt Baker in Horse Judging, Brad Mortensen in Livestock Judging, and Jim Kissler in Ag Mechanics. The National Convention in Kansas City was attended by Jim Kissler and Greg Kalous. The annual trip to the Stock Show and Tractor Day during FFA Week and a Children's Barnyard were some highlights of the chapter's activities. Money-making projects sponsored by the chapter were a Nacho Stand, Gun Raffle, and an Oyster Fry. One of the final activities for the chapter was their Parent-Member Banquet on April 23 where many awards were presented and the new officers were installed.

Keeslar Leads F.H.A.

Vernie Keeslar was President of Future Homemakers of America this year. He lead the club through many activities along with the rest of his officer team which consisted of Merle Hudson, Vice-president; Dolores Rameriz, Secretary; and Dave Crouch, Treasurer. Mrs. Thruston was the sponsor of the club.

During the year F.H.A. held many fund raisers which included selling cookbooks, pretzels and popcorn for Homecoming. All of these funds went towards their tip to the State Conference which was held at the Broadmoor in Colorado Springs. F.H.A. also took two trips; a camping trip to Glacier Basin in Rocky Mountain National Park and a train trip to Denver.

Sunset Manor residents were the guests of honor at the annual banquet which F.H.A. prepares every year. This community service enables the younger and older generations to narrow the gap and gives the Sunset Manor residents a chance to get out. The club completed their year with the installation of officers.

Projects Occupy Student Council's Year

The officers of Student Council for the 1982-83 school year were: President, Jeff Yearous; Vice-President, Jett Blake; Treasurer, Michelle Bostrom; and Secretary, Adan Flores succeeded by Kristi Davis. They were sponsored by Mrs. Claire Lynch and Mr. Don Dillehay.

Student Council spent much of the year trying to increase the school spirit. They did varios activities which include: crazy days during Homecoming week; different contest were held between classes; they sponsored many dances and the "Hot Shot" contest held during noontime. Last but not least, Student Council chose an outstanding Student of the Month.

Drama Club

Thespians, a long time club at BHS changed it's name to Drama Club during the 1982-83 school year. This change resulted because of the expense involved in belonging to the National Thespians organization. Since BHS is in a rural area, this made it difficult for the club to attend conferences. Another reason was that the qualifications to become a Thespian made it extremely difficult for students to become members. The switch to Drama club made it possible for more students to become members. Under the new organizations requirements a student could become a member if they had participated in a play, whether acting, directing or assisting on the stage crew.

The two plays of the 1982-83 school year were; **Dear Delinquent** and **You Can't Take It With You,** which were performed at BHS. The officers of Drama Club were; President, Pat Edson; Vice-President, Lori Woodward, Business Manager, Mandy Woodward; Secretary, Toni Schultz; and Mr. Krob sponsored the new version of Thespians.

Gridders Take It All

For the first time in Brush High School history, the Beetdiggers captured the Class AA State Football Championship. This momentous occasion took place at approximately 3:30 p.m. on November 27, 1982, when Brush handily defeated the Valley Vikings 41-12, concluding perfectly the 'Diggers' first undefeated season. The 'Diggers' chances for success looked good from the start, as they had annihilated Platte Valley 73-0 in the season opener played in September.

That victory set the stage for a string of unbroken wins eventually culminating in the final confrontation for the big trophy that capped the fall athletic season. Coach Larry Mills' team finally brought the big one home to stay.

Girls Down At Subdistricts

Rocky Road For Wrestlers

A challenging season and a few unexpected injuries set up obstacles for the Digger wrestlers to move, but it didn't stop them from placing second at Districts and sending five to State.

The first set back was Jeff Yearous' injury to his back. Unfortunate luck continued to plague the Digger wrestlers when Rod Zwirn severely damaged his knee. The final blow to hit was at the district match when Jim Glass seriously injured his knee while wrestling. Despite these unfortunate mishaps, the Diggers moved on and pulled through with an exciting season.

State . . . The Result Of A Challenging Season

Dedication and hard work put five Brush Wrestlers on the road to State. Unfortunately, there were a few obstacles in their road, and no one made it to the top of the mountain. All in all though, the journey proved to be a challenging and rewarding experience.

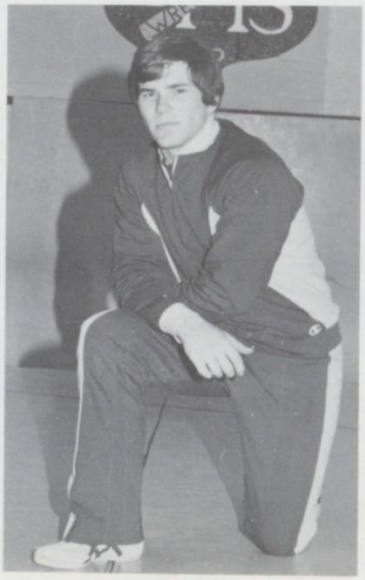

The five Diggers who set out to conquer this challenge were seniors, Jeff Yearous and Warren Quinlin; junior, Tom Odle; sophomore, Barry Quinlin; and freshman, Gerrard Flores.

By wrestling his way through other competitors, Barry Quinlin advanced to the finals and placed fifth. Despite the injury to his back, Jeff Yearous had a successful season and ended his high school wrestling career by taking fourth at State.

Cheering Squad

Cheerleading squad of 1982-83 topped the year off by having twelve total cheerleaders compared to the less numerous squads of years past. The year started by organizing many projects encouraging money making. Some activities were selling carnations, poster calendars, gasoline raffles, hats and leg warmers.

Other activities included, pep rallies to boost school spirit and involve competition between classes. This year was very successful for the squads. They performed during half-time for the audience's entertainment, and went to camps for new ideas.
