Seniors Look Ahead

Leading the Class of 78 as President for the third consecutive year was Mary Jane Norwood. Kyle Langlois assisted as vice-president. Gayle Emhovick filled the secretarial position while Steve Needens handled the money matters.

The Seniors received a disappointing second place in the Homecoming Float Competition under the theme "Lead On To Victory".

Once again, the juniors honored their elders at the Junior-Senior Prom under the theme "Come Sail Away", which was held on April 29.

Stressing originality, the Senior Steering Committee chose brown and gold for their graduation gowns, and final graduation preparations were made.

On May 25, 109 Seniors took that final walk down the gym, and entering into a new world.

Juniors Take First

Juniors started the new year by electing officers and winning first place in the Homecoming float contest. The new officers for 1977-78 were Todd Elling, president; Kent Lindell, vice-president; and Linda Kuriger, secretary-treasurer. The winning float featured a large beet waving his teams on to victory.

Activities to make money for the prom were football concessions and the junior class play. The play was a three-act comedy entitled "Breaker Calling Cinderella". It was a takeoff of the Cinderella story and was performed on two different nights.

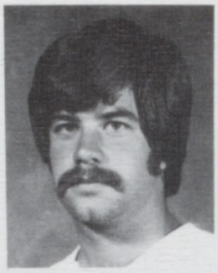

Sponsors of the class were Mrs. Kathy Daniels, Mr. Joe Edson, Mr. Tim McGlynn, Mr. Mike Sampson, and Mr. Don Scrotberger.

AIA group consisted of the usual concessions and quilt raffle and also a booth in the FBLA Carnival. The booth gave students a chance to throw pies at teachers who had volunteered to be in it. With the money that was earned, a one-day ski trip was taken to Winter Park.

AIA was headed by Becky Braun, president; Linda Kuriger, vice-president; Deanna Odle, secretary; Ellen Reib, treasurer; and Tammy Hitchens, point recorder. Miss Helen Speegle sponsored the club.

Steve Leads B-Club

This year B-Club was headed by Steve Needens. Jon Cook served as Vice President and Kent Lindell was the Sec.-Tres.

Activities the club held this year were the chili supper, holiday raffle and the football raffle, and having the trophy case built. To highlight the year the club went to Denver in March to see the Denver Nuggets play basketball.

Karen Rudnik Leads Clearing House

The Brush chapter of Clearing House again participated in functions for the mentally and physically handicapped of Morgan County. Karen Rudnik led the club as president; Nancy Gardner, vice-president; Dianna Short, treasurer; and Charlotte Rudnik, secretary.

Clearing House took part in many activities this year under the leadership of club sponsor Mrs. Jane Van Dyke. The club helped in the activities of a St. Patrick's and Christmas party, with all handicapped persons of Morgan County participating. In the summer of 1978, club members accompanied the handicapped persons on a camping trip at Jackson Lake.

DECA Breaks Another Record

DECA was sponored by Mr. Whiting this year and the officers were: Rick Winger, Pr.; Brian Bostron, Vice-pr.; Jami Miller, Sec.; Charlotte Steib, Treas. The club had 32 members.

District contests were held at CSU on February 1st. The following members qualified for state; Rick Winger, Ron Lebsock, and Jeff Rowley, Market Place; Brad Mees, Petroleum; Jami Miller, Advertising; Brian Bostron, General Merchandising; Rodney Holman, Finance; Kent Lindell, Food Marketing and Nominating Committee; and Pam Delong, Food Service. The chapter qualified 47 percent of its participants at District, setting a new record for a second year chapter.

State was held in Colo. Springs, March 5,6,7, at the Broadmoor. Unfortunately, DECA did not have a State winner and consequently did not send anyone to Nationals.

The club's activities this year were concessions and an Employer Appreciation Banquet. The banquet was held May 2nd.

Winkler Leads Largest Organization

FBLA started the year with two new sponsors; Mrs. Joan Kreutz and Mr. John Schafer and record membership with 93. Officers were; Jeri Winkler pres., Amy White vp., Chris Griffith sec., Jenni Stinton tr., Shannon Fleming rep., Karen Eicher ass't rep., and Jan Mitchell parl., Committee chairman Andrea Ruggles, Robin Grippin, and Barb Strauch.

The club began with the installation on October 3. They enjoyed a Pizza Party, a pot luck dinner with Morgan, and a fun trip to Denver. They also gave a dinner for the area business teachers and a Christmas Coffee for the faculty.

Money making projects included concessions, cake raffles, and candy sales as well as sponsoring a Homecoming Carnival.

Fall Leadership was October 5 for the nine officers and Mrs. Kruetz. The chapter held the local contest and 42 members qualified for District. District was at Sterling and 20 members qualified for State at Colorado Springs in March. Chuck Rieb placed 9th in the State Accounting contest and the chapter placed 8th in the Activities Report and Chapter of the Year. National FBLA was in San Francisco last year and three members of the local chapter went, they were Pam Poulignot, Terry Linker, and Chris Griffith.

FHA Starts New Trend

Future Homemakers of America started a new trend this year by hosting a series of breakfasts for the student body and teachers on different mornings before school. They also had a pizza party for the club and a Thanksgiving dinner for the residents of Sunset Manor. Members also attended the District meeting in Sterling and the State Convention. Another money-making project was the raffling of two pillows.

Officers for the 1977-78 year were: Cindy Chubbuck, former Vice President, who replaced Debbie Hatten as President; Bonnie Henry, Secretary; Ellen Gutierrez, Treasurer; Charlotte Stieb, Parliamentarian; and Diana Short, Recorder-Historian. The sponsor was Miss Laura Franklin.

sponsor was Miss Laura Franklin.

New Sponsor Joins FFA

Mr. Hamilton started off as the sponsor of Future Farmers of America during his first year of teaching at Brush High School. He was assisted by President, Mike Bostrom; Vice President, Justine Coleman; Treasurer, Kenny Herron; Reporter, James Kissler; and Secretary, Brad Wagner. Enjoyed by 24 members, FFA has gone into its 49th year of existance.

The club's activities for the year were: judging contests, a trip to the stock show, trips to the state and national conventions, a trip to the Annual Spring livestock Show, and a slave sale. As usual, the club held its green hand initiation as the freshmen and new members entered the club.

Second Not Bad At All

New coaching brought new records when the gridders broke the schools biggest record ever. The '77 Diggers were the first ones ever to take second place in state in the school's history. Under their new coach, Larry Mills, the team compiled a 11-2 season, taking second place in their conference and in state. Aiding coach Mills were Tim McGlynn as line coach, Brian Whiting as defensive back coach, and Mike Sampson, helping with the offensive backs. Also, as a new member to the team, was Gary Tague, a student teacher and coach. Coaches Whiting and Sampson also took charge of the J.V. and freshman teams.

Four out of the last five years have been spent in the play-offs for the B.H.S. football teams, but these gridders finally made it to the important game. In 1977 they were Steve Needens, Bob Brungardt, Joe Ely, Mike Bostrom, Jon Cook, Rick Winger, Ed Jones, Doug Samples, Marty Kautz, Glenn Rieger, and Mike Mullen. All-State honors went to Steve Needens and Jon Cook. Bob Brungardt was elected to represent the Northeastern league in the All-State game to be played in August.

What reminds you of days gone past? This is some of the memorabilia that we felt would remind the class of '78 of their four high school years. A hat or a bandana to shield the sun; for looking cool there is a necessary pair of mirror shades. Frye boots proved very popular during the four years. Tennis shoes are an old favorite. Levi's are an item that will possibly grace high school halls for many years to come while painters pants made a strong showing. T-shirts, with meanings sometimes questionable, are a standard part of any teenagers wardrobe. Then there is the stuff that any senior will recognize: a number 2 pencil, an eraser, a class ring, car keys, pocket knife, and finally, a graduation announcement. All these, plus much more, will hopefully bring back joyful memories of high school.

Gretchen,
Here's to a really neat girl that has a lot going for her. A super personality, good looks, Grains, etc. I really had a lot of fun with you in PE last year. I'll never forget all the stupid things that I've done on there. There was always someone laughing at the dumb things I did. I hope we can always be friends. We have a couple more years here at school and hopefully we will have some more classes together. Good luck in the future with everything you attempt to do. Good luck with the boys, too.

Friends always,
Lisa
