THE 1962 SAGEBRUSH

Students of Brush High School will remember the year of 1961-62 as being full of study and fun. The student body brought many awards and honors to the school. Not only did the teams bring home two state championships during the year, but also drew a record breaking number of scholarships and awards at the end of the year.

Besides all of the work done behind the scenes by the school board, Mr. Lally, Mrs. Fries, three custodians and twenty faculty members worked to guide and educate the 302 students. School opened on Aug. 29, 1961 and closed on June 1, 1962.

A well ordered day at BHS began at 8:25 with the pledge of allegiance. Students then settled down to trigonometry problems, Spanish declensions, Latin conjugations and German tests. Students were also offered work in the English, science, business, social studies, music, vocational and physical education departments.

During activity period students had a choice of clubs in which they could participate. Student Council granted one new charter to the Anna C. Petteys Chapter of the Future Teachers of America Club. There were local clubs such as IRC, pep club and B-club, and national clubs such as FFA, FHA, National Honor Societies and Thespians.

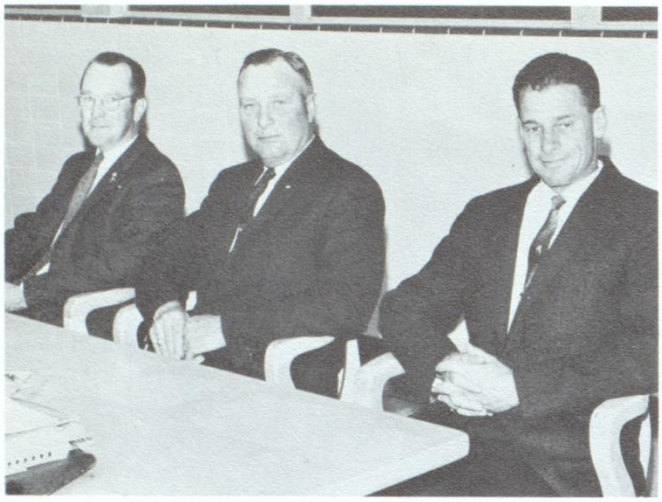

In addition to these activities, the library was open to those who wished to study, or who didn't get their homework finished.

During the late winter, February and March, a snowstorm gave the students an unexpected winter vacation.

BOARD OF EDUCATION

Directs Brush Schools

From left to right are Mr. Don Mitchell, trustee; Mr. John Lindell, vice-president; and Mr. Harvey Bolinger, president.

Brush's Board of Education has contributed many hours of time to maintain the Brush School System's high academic standards and reputation.

It is the responsibility of the men on the Board of Education to determine the course of study, text books, and school equipment. They also consider financial matters and teaching assignments.

Mr. E. W. Thomson, Superintendent of Brush Schools, has served in the Brush School System for the past 37 years.

Mrs. Grace Jeffers is acting secretary.

Mr. John Howlett, trustee, and Mr. Raymond Fries, treasurer, await the beginning of a meeting.

MR. LALLY
Leads Faculty

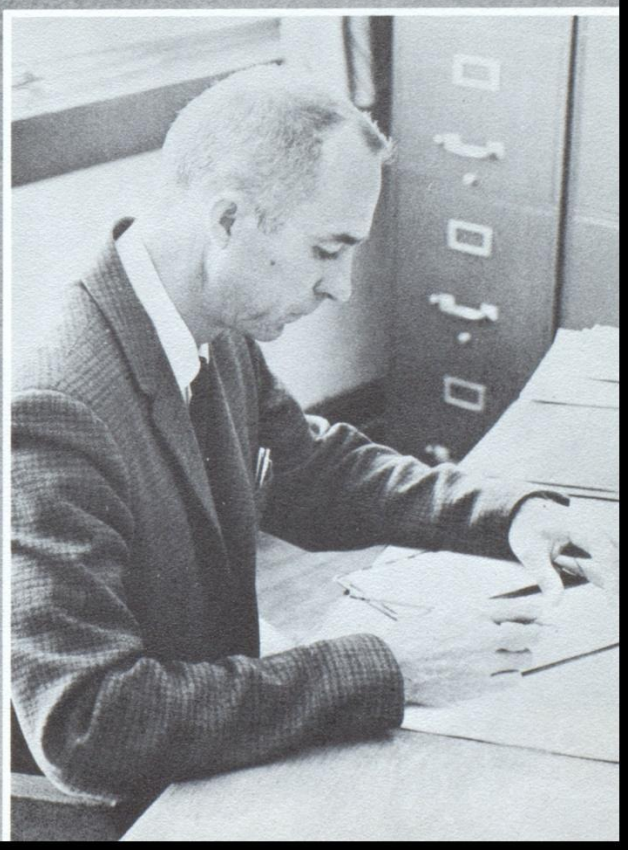

Mr. Lally participates in many varied extra-curricular activities. At left he is shown during his most dangerous and unusual pastime, parachute jumping.

May this book be the personal history of Brush High School for the year that will be remembered for orbiting astronauts, nuclear submarines, and gyrations of the "twist."

It should serve as a record of the students, the faculty, the serious achievements, the times of fun and frolic, the academic accomplishments, and the athletic attainments for the school year 1961-62.

Sagebrush Staff Numbers Fourteen

Sagebrush staff members had a busy year during the 1961-62 school term. They put out fourteen issues of the Sagebrush Reporter, the B. H. S. newspaper. They also put out an annual of one hundred and five pages.

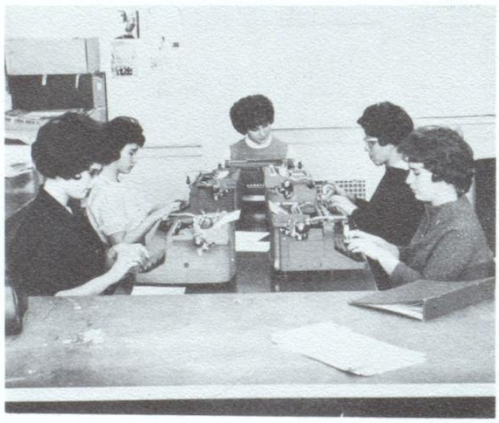

Outgoing editor Clifford Clay, a member of the class of '62, is replaced by Robin Wankelman, a member of the class of '64.

Clifford Clay and John Watrous, editor and copy editor for 1961-62 year, read a copy of the Sagebrush.

Janet Lebsock and Laurie Harbert, feature editors and yearbook editors, look over layout pages for the annual.

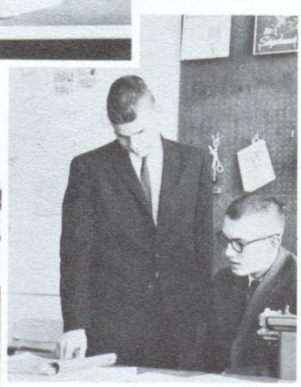

Reporters Rosie Schomerus, Rita Thomas, Robin Wankelman, Sharyl Vondy, and Barbara Scholz strive to make deadline.

Quill and Scroll for '61-'62 are: D. Gabriel, S. Vondy, J. Lebsock, L. Harbert, B. Scholz, R. Thomas, J. Watrous, A. C. Lusby, and C. Clay.

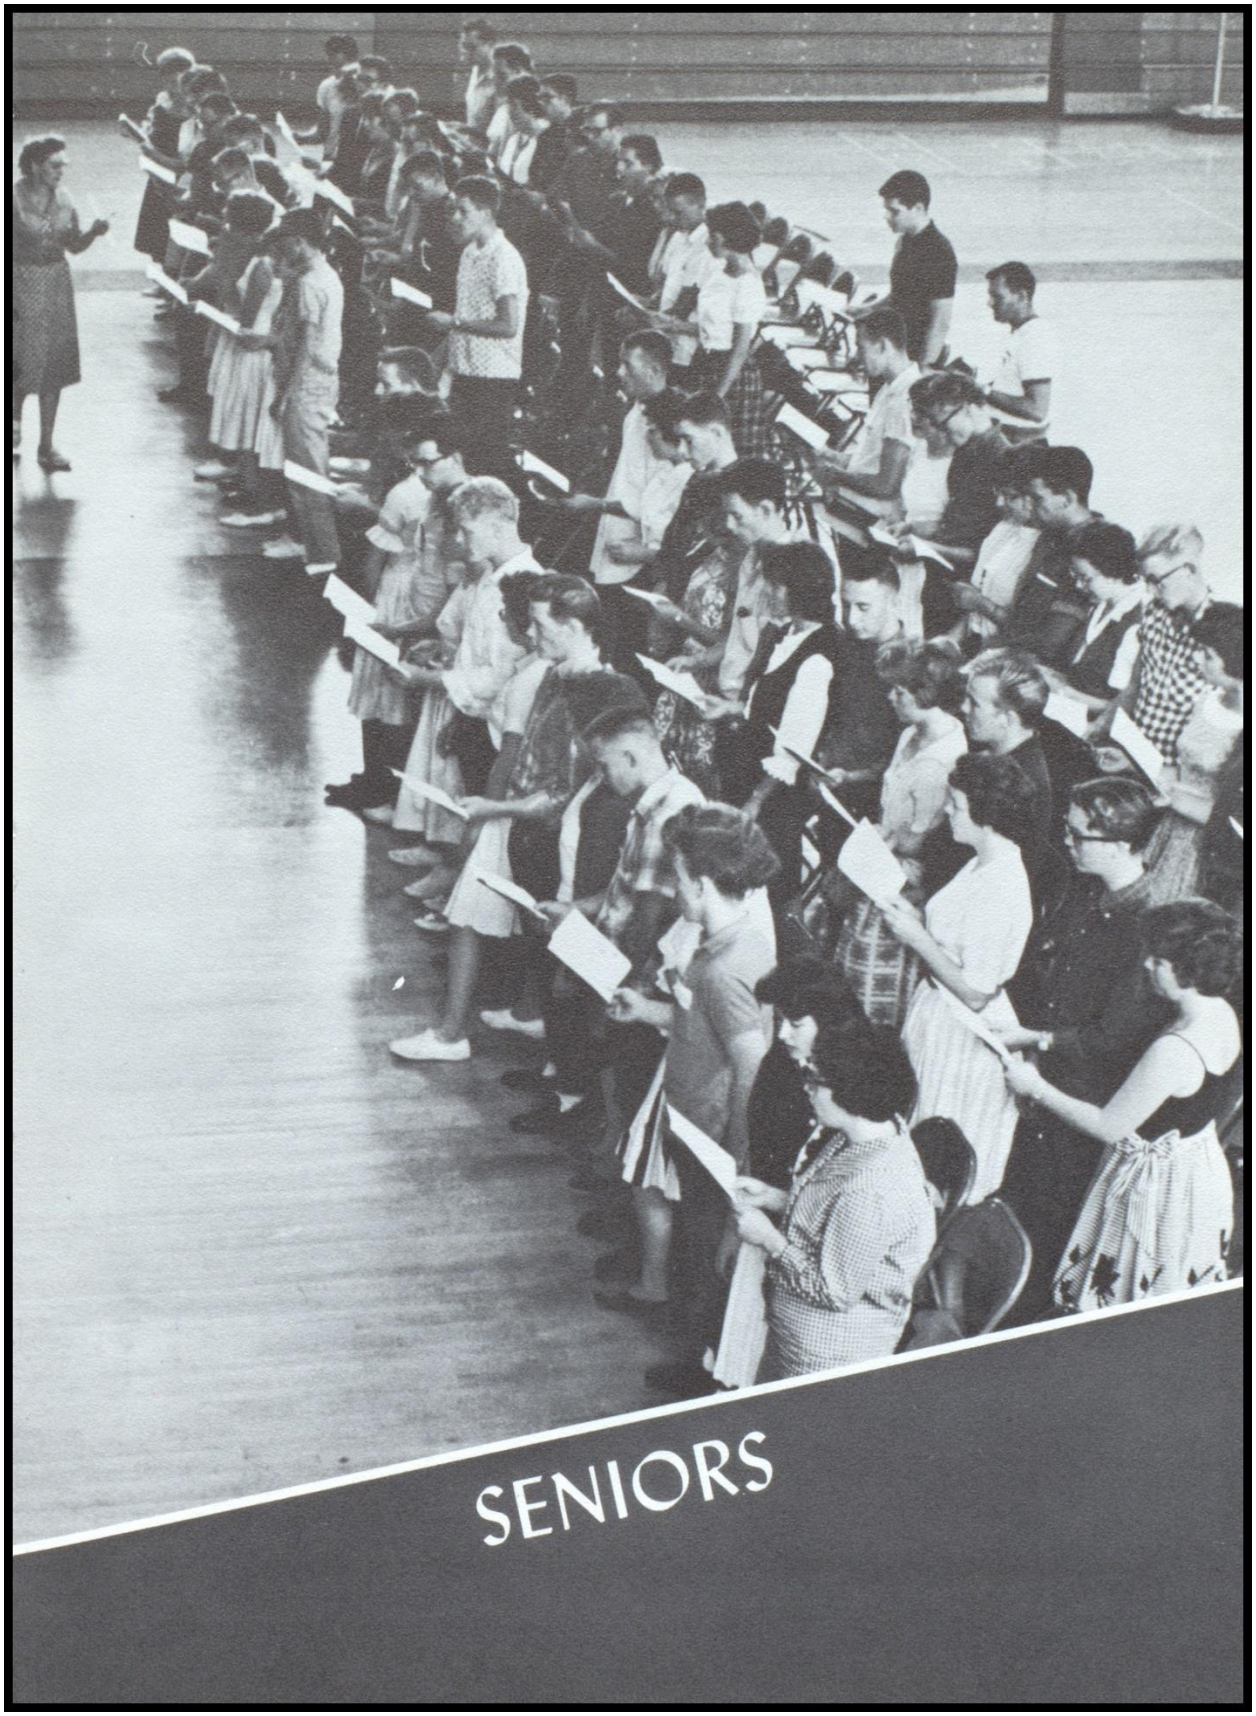

Don Gabriel and Jess Freeman check their assignments.

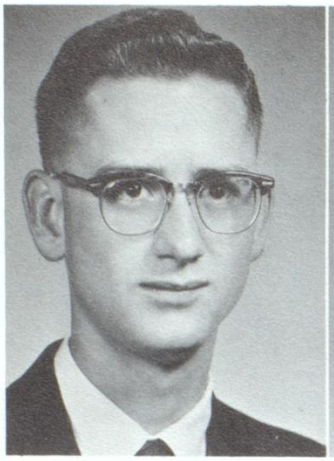

A. C. Lusby and Bob Smith read copy for the Sagebrush.

The class of 62 not only displayed their academic achievements by receiving a record number of scholarships and diplomas, but also displayed their music abilities and talents.

Members of the girls chorus were, bottom to top, left to right, J. Grippin, S. Gordon, R. Thomas, C. Schippert, C. Plank, A. Schippert, K. Friehauf, K. Peed, J. Hartwig, B. Scholz, A. Leis, M. Chapman, M. Brock, K. Koehler, C. Wolfe, J. Lebsock, J. Mortensen, S. Becker, M. Dahms, M. Davis, D. Morse, C. Mercer, K. Rayback, S. Schilling.

Members of the girls triple trio which sang, "You'll Never Walk Alone," were C. Plank, J. Hartwig, M. Dahms, C. Mercer, J. Mortensen, K. Koehler, R. Bolinger, M. Davis, and J. Lebsock, and accompanist, K. Friehauf.

Don Kirst, Carlo Mercer, and Kathy Friehauf entered instrumental solos in the program while Jess Freeman contributed a vocal solo.

Members of a quartet which sang, "Ivory Palaces" were J. Freeman, M. Chapman, C. Schippert, D. Krout, and accompanist K. Friehauf.

When the Class of 1962 entered BHS in the fall of 1958, it had 113 members, electing Mark Kjeldgaard, Ron Stoops, and John Watrous to the offices of president, vice-president, and secretary-treasurer. They built the bonfire for Homecoming, and they also collected the first place ribbon for their float.

As sophomores they again won the Homecoming float prize. A. C. Lusby, Ron Stoops, Dennis Loose, and Karen Koehler were elected class officers.

At the junior level the class planned and presented the prom. The theme was "Fascination." The class contributed four of the ten members on the state runner-up basketball team. All four of the senior cheerleaders were juniors. Class officers included A. C. Lusby, John Watrous, Mary Dahms, and Karen Koehler.

Highlights of the senior year included participating in taking state basketball and track championships.

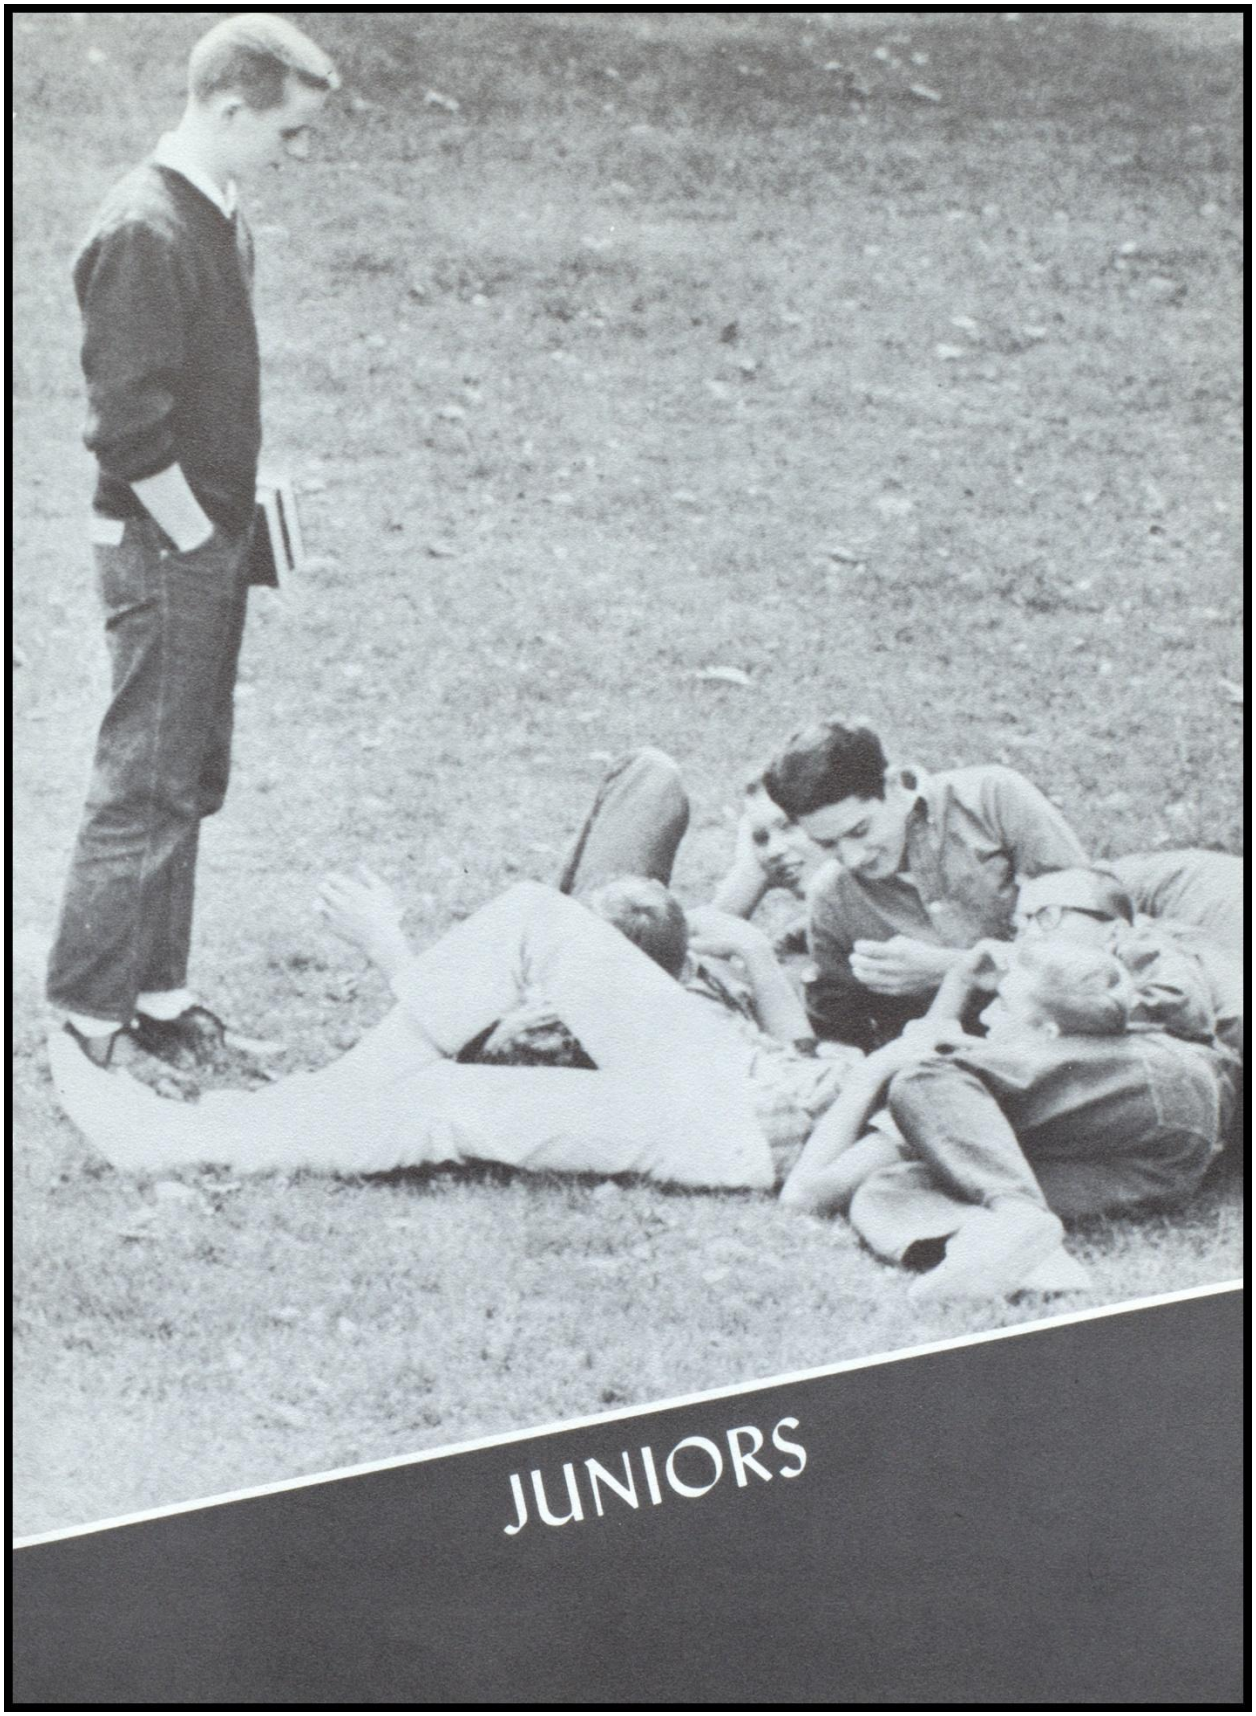

The class officers were Paul Staby, Don Gabriel, Mary Dahms, and David Olson.

The class chose "Not the sunset, but the dawn" as their motto. Shades of blue were their colors. The rose was the class flower. The Class of 1962 graduated on May 31, 1962.

This year the Class of 62 selected Bonnie Sandoz, Karen Howlett, Mark Kastler and Larry Mills to escort the class during the commencement and baccalaureate exercises. It has been traditional to have four escorts.

Because the Class of 62 has a large membership, it felt that twelve ushers instead of eight ushers were necessary to handle the many relatives and friends who would attend the formalities. Those elected were Barbara Chartier, Jan Bostron, Sue Osborn, Patty Friehauf, Judy Olson, Pam Meier, Ray Christensen, Bob Van Dyke, Gary Wofford, F. D. Stoops, Bob Smith and Tom Linker.

1961-1962 was a highly successful year for the juniors. At the beginning of the school year, they held a class meeting and elected the following as class officers; Mark Kastler as President; Sue Osborn, vice-president; and Jannifer Bostron, secretary-treasurer.

Sources of revenue came from the football and basketball concessions while other juniors individually sold candy during the noon hours and after school. With all the money being made from these different sources the juniors didn't have to pay dues this year. The money the juniors made was spent on the Junior-Senior Prom.

In other business at the meeting the class of '64 with a membership of 70 set their class dues at $3.00 for the school year. According to Mr. Woolley and Mr. Wendt, class sponsors, this will help offset the cost of the Prom in their Junior year. Later it was announced that unless the dues were paid by February 9th they would be raised to the sum of $4.00.

Homecoming Highlights
Fall Social Season

Carol Mercer was elected Homecoming Queen by the football team. She was first announced and crowned as queen at the halftime of the Homecoming game with Valley High. Eddie Hall, captain for the evening, had the honor of crowning Carol.

Carol was escorted off the field by Eddie Hall and Ron Stoops to her waiting white convertible.

Each of the captains escorted two queen candidates onto the field.

One of the four candidates selected by the B club was Mary Dahms. She personifies the excitement of the game as she cheers. Jan Hartwig and Mary Dahms await the beginning of the parade.

The theme of the 1961 Homecoming was, "The Space Age." Dance decorations were done by the Student Council committee headed by Jan Bostron.

Queen Carol Mercer reigned over the Homecoming Dance following the game. Music was provided by the Mellowmen.

The queen was attended by Mary Dahms, Janice Hartwig and Laurie Harbert, Carol was crowned a second time at the dance by Student Body President Ron Stoops.

Students F. D. Stoops, Sharon Taylor, Mary Dahms, Bob Smith, Janet Lebsock, Stan Thompson, Gwen Green, and Coach and Nancy Brandon chat and dance.

Sweetheart Dance:

Don's crown was furnished by Tom Taylor, Mr. Beetdigger of 1959.

Carol Mercer, head cheerleader, crowned Don Tomasini, football player, wrestler, and track man, Mr. Beetdigger for 1962. The Pep Club elected Mr. Beetdigger on the basis of athletic participation, good sportsmanship, and general character.

Don's name will be engraved on the plaque which the Pep Club purchased in 1961.

The entrance into this red and white fairyland featured a white picket gate decorated with artificial greens.

Tomasini Crowned Mr. Beetdigger

The music was presented by the Mellomen.

Carolyn Plank, head of the refreshment committee, had the Pep Club members bring punch, cookies, and candy, which the Mothers' Council served.

The tickets were made by Judy Scott and were sold for $1.50 per couple.

The members of the Mothers' Council were chaperones.

Janice Hartwig headed the decoration committee. The decorations consisted of a large red heart across from the entrance with the theme of the dance, "Let Me Call You Sweetheart" emblazed across it, a false ceiling, and a false wall with alternating patches of streaming red and white crepe paper with a heart at the bottom of each streamer.

The class of 1963 honored the class of 1962 with the annual prom and banquet on May 5, 1962. The juniors chose Romantic Rome as the theme for the gala event.

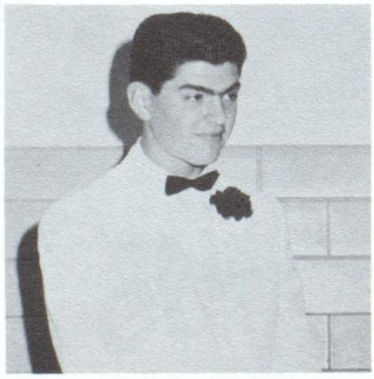

Prom Climaxes

Junior Class President Mark Kastler welcomed the seniors. Sue Osborn presented the farewell speech to the class of 1962.

Paul Staby, senior class president, spoke on behalf of the senior class.

John Sears was the Master of ceremonies.

The recreation room was transformed into a setting of "Romantic Rome" by the decoration committee chairman Tom Linker and his helpers.

The usually bare balcony was supported by columns imported from the local stores. They were bedecked with garlands of leaves and grapes. Draped net along the top of the columns gave an airy effect and met the cloudy sky of cheesecloth. A mural of the old colisium faced the entrance.

The parents were invited to visit the prom. Mothers of the juniors chaperoned.

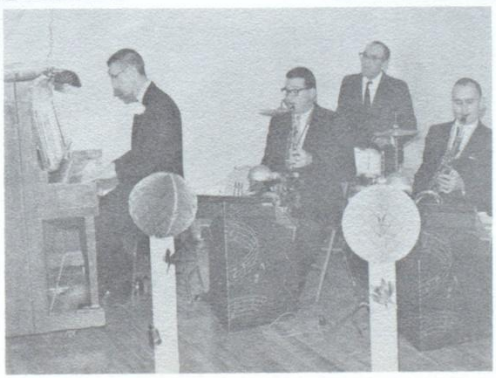

School Year

Although the girls were bejeweled and the boys were formally attired, they were not prevented from doing the twist.

FFA

Spurs Farming As Profession

FFA is a national organization that promotes vocational agriculture. During the summer before the 1961-62 school year the Brush Chapter of the FFA won the Grand Sweepstake trophy at the Colorado State Fair. For the school year, the FFA sponsored a cattle project that made $200 for the organization. Other activities have been participation in crop and livestock judging and work on concessions.

Eldon Weiss, who has been outstanding in the Future Farmers of America for the last four years, talks over the organization's problems with Mr. Richards.

After students expressed their interest in a Future Teachers Club last year, Mrs. Queen and Mr. Neill worked together to get information about membership in the national club. The club first met in the fall of 1961. Since then, the club gained membership in the national organization and was granted a charter by the BHS student council. The club set up an observation program in which students observed and taught the different grade levels which interested them.

Mrs. Anna C. Pettys addressed the club. She urged the club to work for the joy of learning beyond the reward of a grade. She also stated that peace, joy, learning and God come from within a person. To keep these traits alive, people should express them. She quoted the poet Tagore in saying "that you go forward in the stream of learning into ever-widening thought and action."

During the 1961-62 school year, the students of BHS elected 17 Students of the Month. At the beginning of the year, after the September Student had been chosen, it was decided to elect a girl and a boy for Students of the Month for each of the remaining eight school months.

Students of the Month are elected by the Student Council after the representatives have submitted several nominees' names. An honored student is usually selected because of some outstanding achievement in a particular field, such as a scholastic achievement, athletic honor, or unusual recognition.

Many people such as this stadium policeman, were awed by the enthusiasm shown by the Brush team, students, and townspeople.

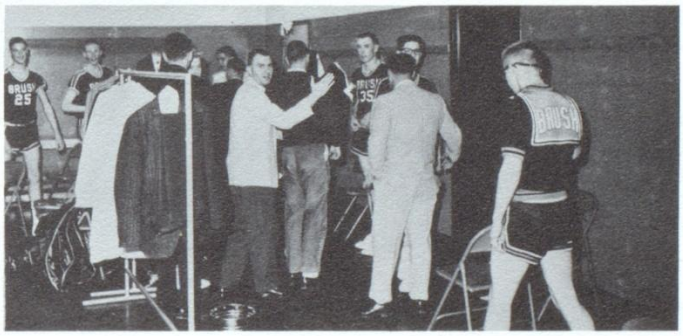

The Pep Club and band came in full force to see the Diggers take the Class A State Title.

Journey Tourney

When the triumphant Diggers returned home, the townspeople met them at the KFTM radio station and escorted them home where they held a special downtown assembly to honor the coach and team.

In the State class A championship game on March 24, the Beetdiggers topped Yuma's Indians, 62-59 for the school's first state championship. Brush led by six points, 19-13, at the close of the first eight minutes. The Diggers seemed to be coasting to their 21st victory of the season, as they led at halftime 36-27. Colorado's only undefeated basketball team raced to a 50-39 lead at the three-quarter mark. Then suddenly the complexion of the game began to turn. Brush scored only two points in the first five minutes of the final stanza, and Yuma suddenly came to life. Yuma rallied to battle back to only 52-51 with 4:51 to go. After calling time out to reunite their forces, Coach Needens' quintet proceeded to wrap up their first Class A title. In the clinching rally, Brush collected seven straight points. Ron Stoops was the game's leading scorer with 21 points, with Bob Smith close behind with 20.

Arriving home Sunday evening, the Diggers were greeted at radio station KFTM in Fort Morgan, and from that point were escorted in a motor cavalcade through Fort Morgan and then to Brush.

This year there were many good pictures which weren't used on any pages. There also happened to be money enough for three extra pages on which to put these pictures. The following three pages, therefore, contain an odd assortment of pictures. The pictures have caught people "being themselves" and also have captured some memorable moments.

Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed.
