PRASCHER RECEIVES DOCTORATE

Administrators at Brush High School faced many problems during the year dealing with faculty, students and parents. Some of the major problems were those of vandalism and thievery in the school building. But these and other problems were dealt with successfully by Principal Dr. Ronald Prascher, who received his doctorate in education from the University of Northern Colorado in the summer of '75, and by Vice-Principal Mr. John Gotto. Dr. Prascher completed his sixth year and Mr. Gotto his second at the end of the '75-'76 season.

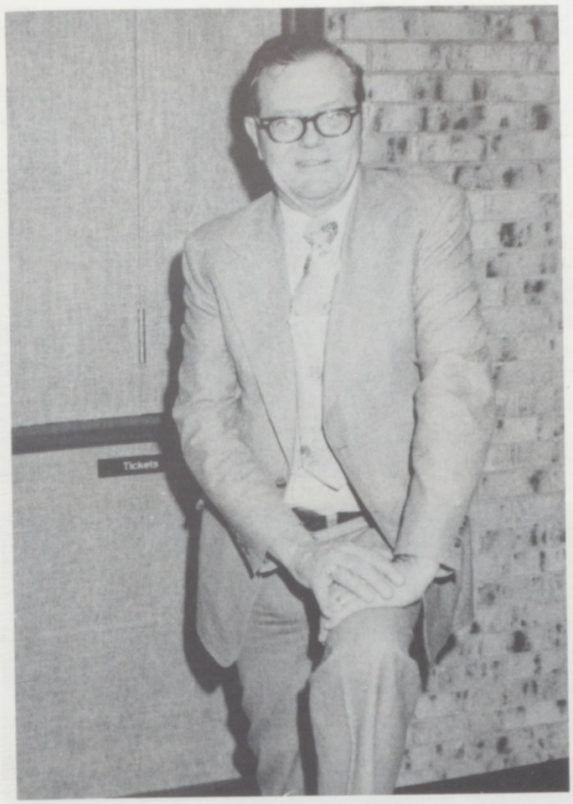

Serving as school board members for the '75-'76 school year were, from left to right: Mark Richards, Jim Christiansen, Allyn Wind, Don Mitchell, Peggy Guthner, Glen Swinson and Don King.

Presiding over the offices of Superintendent and Assistant of Schools for their sixth and ninth terms, were Mr. Robert Kilzer and Mr. Robert Scoville, respectively.

WITH SIX NEW FACES

Mr. Mitchell, one of the business teachers of Brush High, has retired as of this past September. He was one of the teachers to instruct at BHS the longest, having taught over 15 years.

In the years Mr. Mitchell was at BHS, he taught Typing, Shorthand, BOE, Bookkeeping, and Business machines, among others. He has also taught a couple of generations of students, having instructed parents of some of the students now attending Brush High.

To end Mr. Mitchell's year of teaching, going away parties were given him following several classes. With these parties, it is easy to say Mr. Mitchell will be missed.

CLASSES

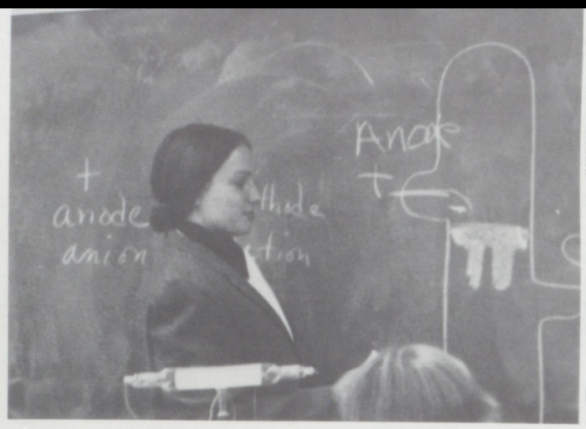

BOOTS
SHOES

When one enters high school as a lowly Freshman, the highest pinnacle that one strives for is to become a Senior. But there are many obstacles placed in one's way along the rocky road. The two major hindrances are the stations of Sophomore and Junior. As one goes through high school life and moves from Freshman to Sophomore and Sophomore to Junior, one may see many classes come and go. And when the pinnacle is reached and the title of Senior is won, a person looks back on those four years and sees that it is really a never-ending circle. One class comes in and another goes out. The wheels of time roll on.

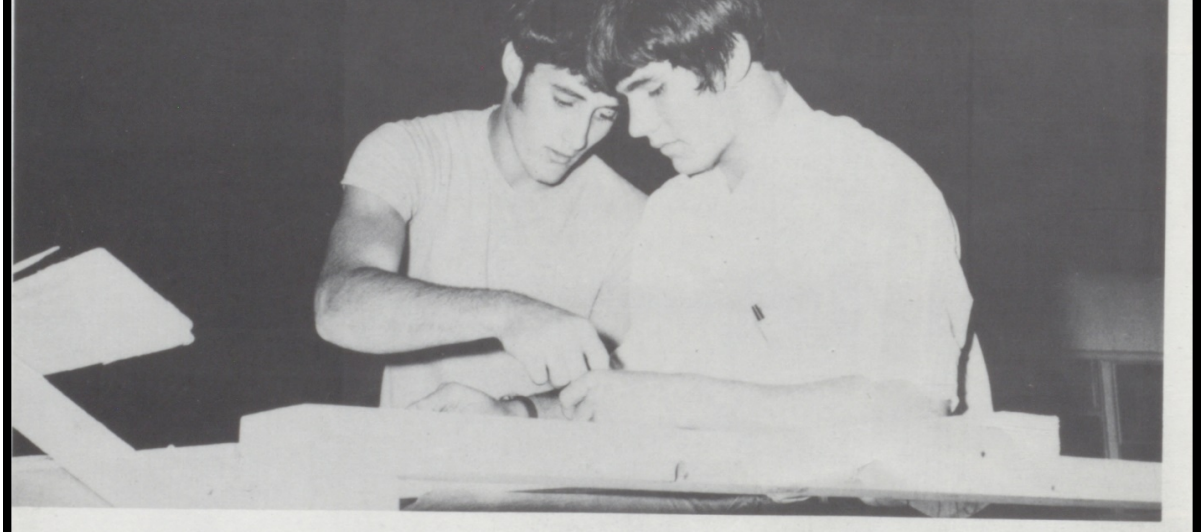

SENIORS

CENTENNIAL CLASS GRADUATES

In the fall of 1975, the class of '76 began its final year at Brush High School. The year started off with the election of class officers. Kory Cornum was chosen to lead the seniors as president. Bob Ferguson assisted him as vice-president, while Frankie Anderson served as secretary-treasurer.

The first class project the seniors undertook was the building of their Homecoming Float. A colorful creation of white napkins and crepe paper, it took second place in the Homecoming festivities.

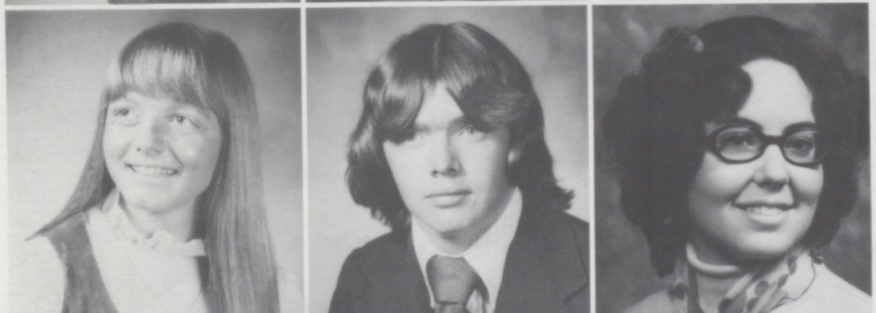

By the end of the first semester, their final year was well underway. A total of 75 seniors had made the Honor and Cadet Rolls. Along with the usual college and job applications, members of the class of '76 filled out financial aid forms and took ACT tests. Visitations were set up for collegebound seniors.

Under the guidance of the Senior Steering Committee, class colors and announcements were voted upon, and a class motto adopted. In preparation for graduation exercises, commencement speakers were auditioned and selected. Finally, all was ready.

In traditional commencement ceremonies, the Centennial Class of Brush High School culminated four years of scholastic education on May 27, 1976. 117 seniors, clad in blue and gold, walked down the aisle to receive their diplomas. At the evening's end, 117 young adults left the school, ready to face their future.

O Lord my God! When I in awesome wonder

And when I think that God, his Son not sparing,
Sent Him to die, I scarce can take it in;
That on the cross, my burden gladly bearing,
He bled and died to take away my sin. (chorus)

Chorus:
Then sings my soul, my Savior God to thee;
How great thou art, how great thou art!
Then sings my soul, my Savior God to thee;
How great thou art, how great thou art!

JUNIORS

JR.'S SPONSOR "THESE DREAMS"

Under the sponsorship of Mr. Edson, Mr. McGlynn, Mr. Moser, Miss Myers, and Mrs. Morris, the Junior Class started out the 1975-76 school year by electing Mike Higgins as President and Stan Linker as Vice-President. Neal White filled the office of Secretary and Chip Bailey was put in charge of the Treasury.

In the Homecoming float-competition the class of '77 took 1st place. The Junior Class Play "I'll Leave it to You" was one of the money making projects while concessions were the other. May 1 was the date of prom, and the Juniors selected the theme of "These Dreams" decorating the cafetorium in shades of blue with white and clouds depicting heaven and it's dreams.

ORGANIZATIONS

Organizations add the extra zing to high school life. Academics are the things that are supposed to instruct and teach. Athletics are the physical activities that heighten and tone a body to the extreme of physical perfection. Clubs and organizations are the extra curricular activities that help to channel a student's varied interests in those factions that help to promote cooperation and participation with the students.

STUDENT COUNCIL STEERED BY BLATT

Several new innovations were sponsored by the school's legislature, among which, two were in accordance with the Spirit of '76. After the Pledge of Allegiance was discontinued, student movement brought it back. The reappearance of the Pledge featured recitation from a member of the Student Council.

Another development of the Student Council was the Centennial-Bicentennial message given before each winter athletic event. Generally given by a Student Council member, the short declaration related to restoring pride in the flag.

Dances were again a part of the assembly's agenda. They sponsored Homecoming, a football victory dance and a Digger Day dance.

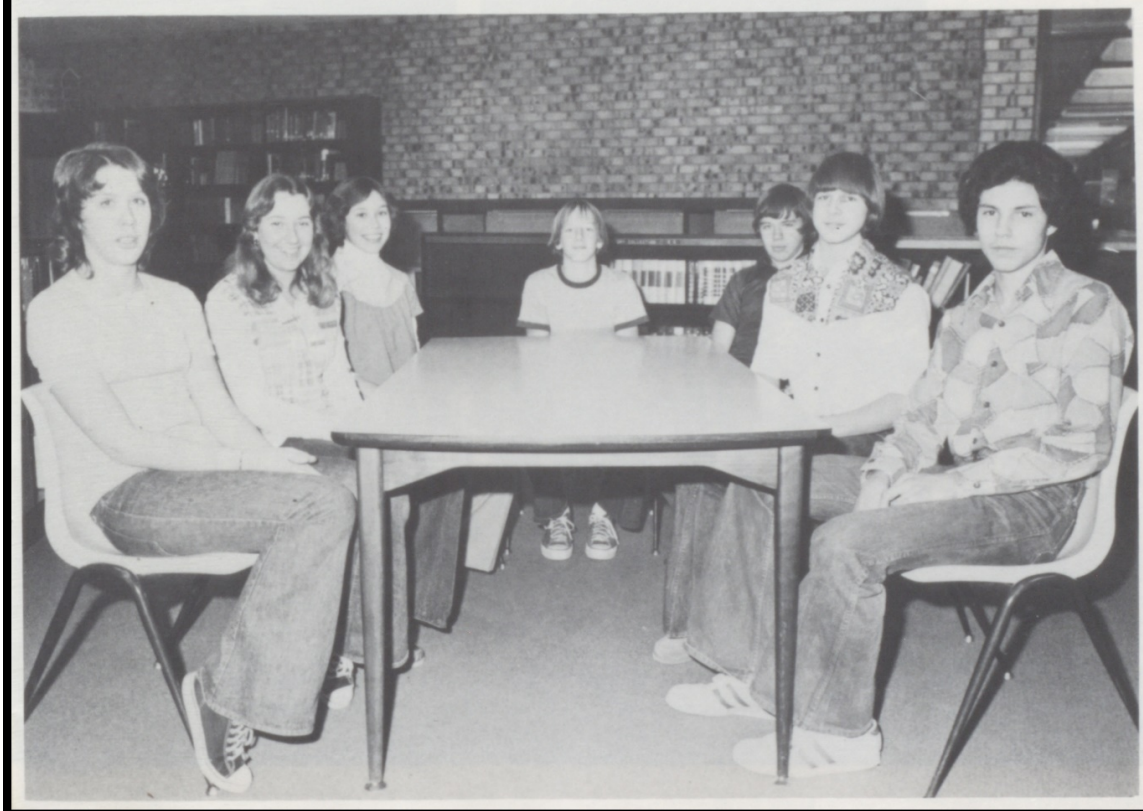

Forming an Outstanding Student Committee and attending the State Student Council were among their activities. Mark Blatt, Kory Cornum and Mrs. Lynch traveled to Fort Collins for the seminar.

The Student Council backed a couple of projects to raise school spirit. In the Yuletide season a door decorating contest was staged and a poster contest was held for the District basketball game.

VOCAL MUSIC HIGHLIGHTS EASTER SERVICE

Mr. Harding's Choir section was as busy as the instrumentalists during '75-76. The Concert Choir performed in numerous evening concerts including public programs during the Christmas and Easter seasons, the latter being a Sunrise Service at the All-Saints Chapel in the Eben-Ezer Nursing Home Complex Easter morning. The Speech Department assisted the choirs in providing religious readings for the program. The big choir also performed for the students of Thompson and Central Schools with the Select Choir, whose year consisted mainly of singing for different clubs and organziations in Brush and Fort Morgan. These included programs for the "The Last Squad", a group of World War I veterans living in Brush, and for the Northeastern Administrators, a group of high school supervisors who held their annual meeting at Bunker Hill Country Club. Section leaders this year for Select Choir were Tim Macht, Rose Mata, Ruth Wallace and Roger Brown.

BAND YEAR CULMINATES IN SPRING TOUR

For the fifth year, Mr. Calvin Harding commanded the Stage, Concert, and Marching Bands. For the Marching Band, the year started in the traditional mode as half-time performers and sports supporters. The Marching Band was under the leadership of Barb Wagers, Brush High Drum-Majorette. During the year the Band participated in many activities culminating in a Spring tour the band took in the latter part of April. The tour extended to Castlerock and Denver.

Mr. Harding's Stage Band participated in many different activities akin to those done by the Select Choir. Throughout the year the Stage Band participated in the Akron Stage Band Festival; a concert for the Students at Thompson School, and in providing the music for the Eighth Grade Graduation Dance.

J-STAFF WORKS ON PUBLICATIONS

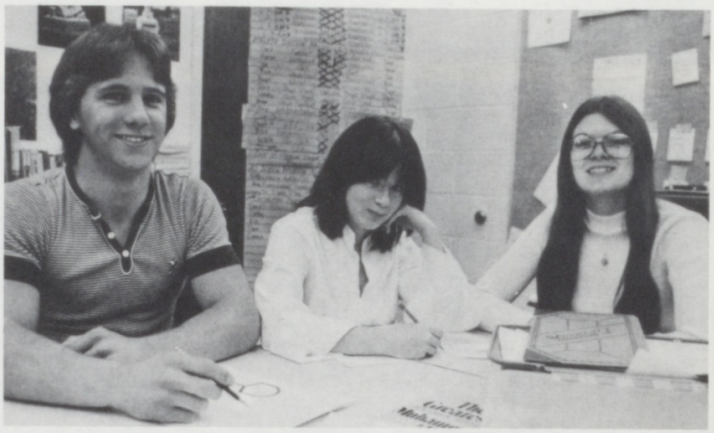

21 members of J-Staff, 12 of which were new, helped in the production of the Sagebrush Reporter, the school newspaper, and the 1975-76 Yearbook.

Tim Macht and Dave Graves, editors of the paper, had a busy year as they checked over articles and features handed in by the reporters. Each paper covered the latest happenings and was "put to bed" approximately once a month, which gave the school about 10 issues throughout the year.

Editors of the Annual, or memory book, were Donna Hile and Lisa Woolley. They began their year by setting up the "ladder" of pages for the book. Helping them were the reporters, managers, and editors of the paper, who made layouts for individual pages.

But that was not all of the staff. Cathy Chrismer, who was busy making advertisements for the paper, was Ads Manager, Laurie Hastings was Business Manager and Roger August was Exchange Manager. Laurie kept the books straight by recording how much money was brought in for the publications of the yearbook and paper by individual companies, etc., and Roger made sure that everyone who bought an ad got a paper.

Then, of course, there was Connie Ostwald, Darkroom Manager, Chuck Villareal, Head Photographer, and Scott Christensen, Photographer. Last of all, were the reporters. They were Ted Anderson, Rick Conner, Deb Eskew, Parke Guthner, also a photographer, Vic Mata, Chuck Miller, Karen Petersen, Brad Pierce, Merrigwen Segelke, Wendy Ruhl, and Amy White. But the major force behind both publications was Mr. Thomas Woolley, the sponsor of Journalism.

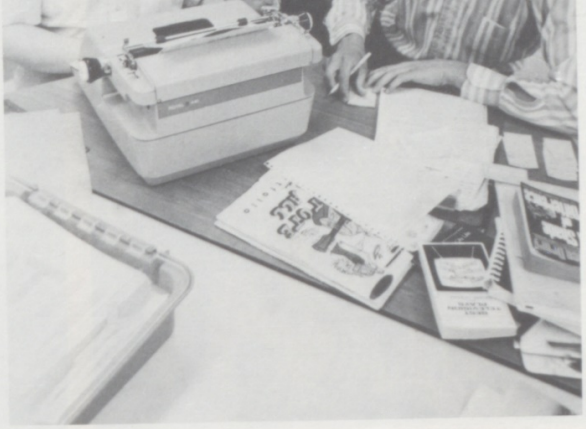

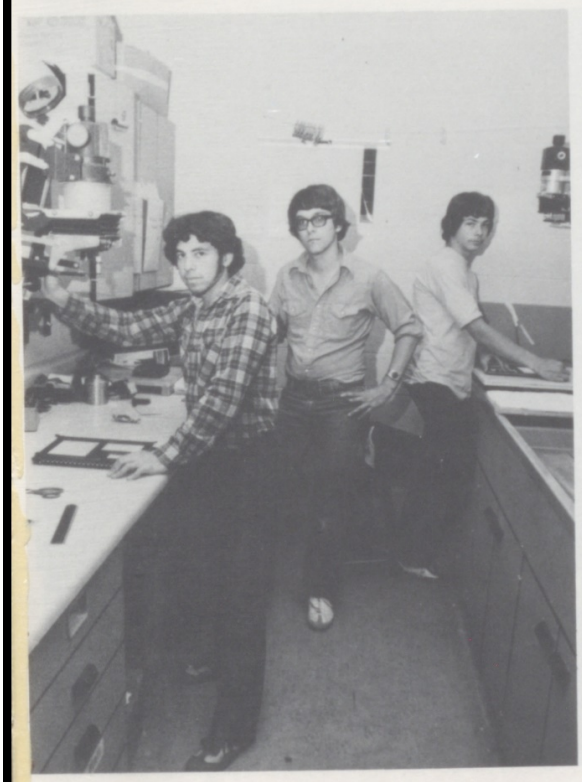

PEP CLUB CHANGES TRADITION

Pep Club's activities for the '75-76 school year consisted of two cake raffles and a sockhop. The first cake raffle was held at the Homecoming football game and the next at a February basketball game.

Tradition was changed for the first time in years, when the formal Sweetheart dance was canceled in favor of an informal sockhop, held on March 19th.

Sue Poulignot, president, headed the club with Lauri Biggin as vice president, Jan Woodward, secretary, and Jean Poulignot, treasurer.

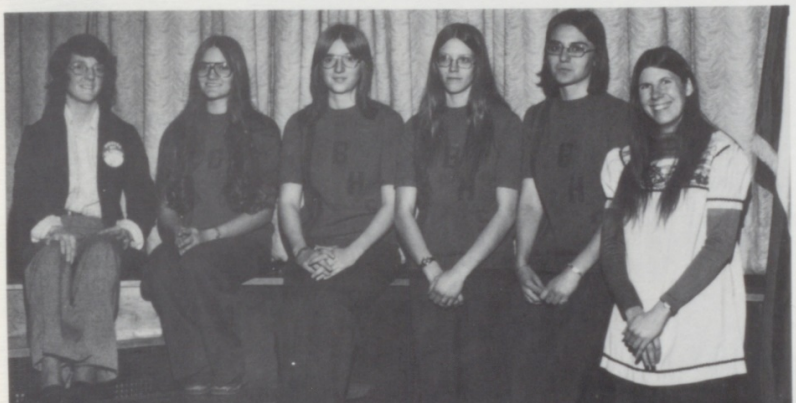

The Cheerleading squads consisted of Patty Pabst (head), Janet Norwood, Deb Eskew, and Lynné Bostron on A-squad. B-squad was Jeri Winkler (head), Jan Mitchell, Marlene Kalous, and Gayle Emhovick.

Pom Pon girls for the year were Penny Richter (head), Natalie Rodger, Denise Bach, Karen Petersen, Pam Brenning, and Karen Strauch.

Pep Club also had two new sponsors, Miss Joanne Ebel and Miss Peggy Potter.

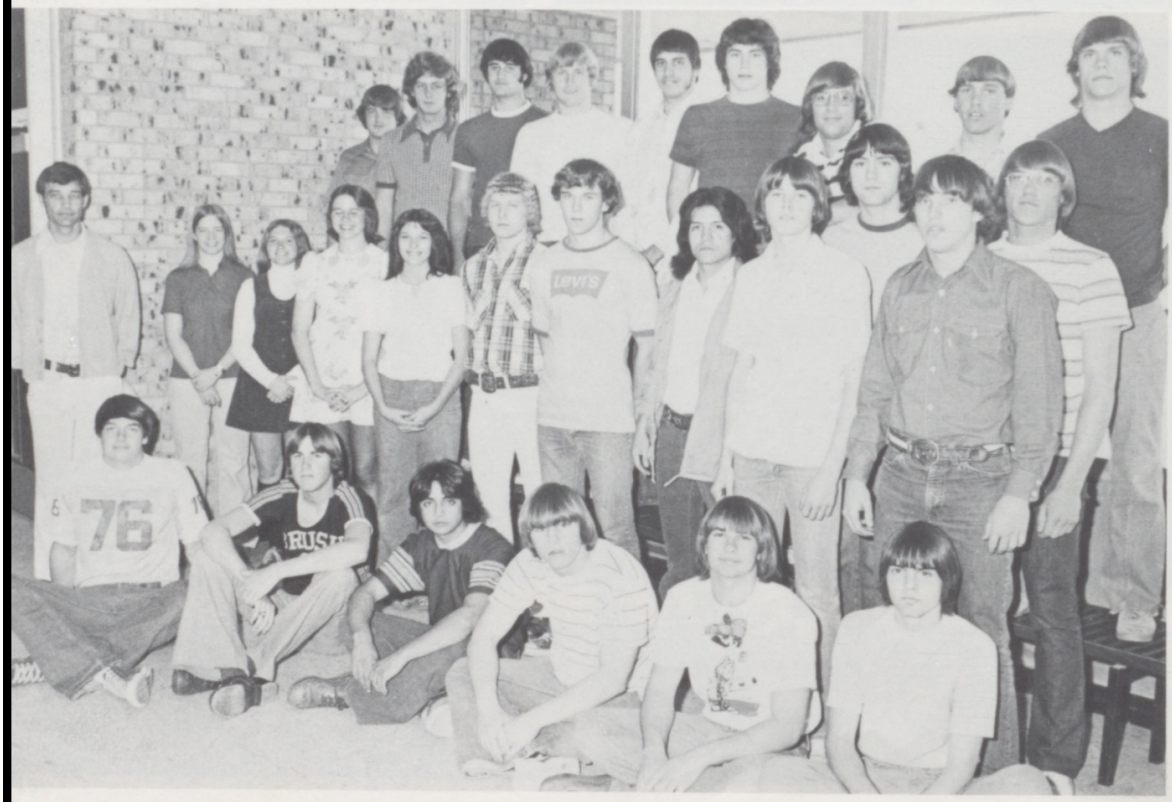

B-CLUB HIGHLIGHTED BY ALL-STAR GAME

IRC ATTENDS LOOKOUT SCHOOL FOR BOYS AND THE C.B.I.

International Relations Club, a club interested in the relationships of the United States and other countries, had a very interesting '75-76 year. Highlighting the school year was an overnight trip to Denver to tour the Colorado Bureau of Investigation and the Lookout Mountain School for Boys, which is in Golden, Colorado.

Twelve members of the club, plus Mr. Don Dillehay, the sponsor, and his wife, left Thursday, April 29 and returned Friday, April 30. While there, they also went to see a movie which dealt with the Watergate case of the early 70's, called: "All the President's Men."

Although the trip was the highlight, other activities consisted of a caramel apple raffle in the fall, and a pastry raffle in the winter. Also, during the winter season, the club held two concessions and the money made from these helped to pay the club members' way to Denver.

Leading the club in its activities was Rosé Mata as President. Assisting her were Cathy Chrismer, Vice-President; Lisa Woolley, Secretary; and Vic Mata, Treasurer.

THREE RECOGNIZED BY THESPIANS

HONORS

A public school is a tax supported institution that strives to serve all of the students equally in the community. However, some students, by their academic achievements, scholastic superiority, forensic talents, leadership qualities, or popularity among the student body, distinguish themselves in many areas. These are the people upon whom honors are bestowed, titles given, and responsibilities transferred for the future years. Today they are high school's leaders, tomorrow, society's.

ACTIVITIES

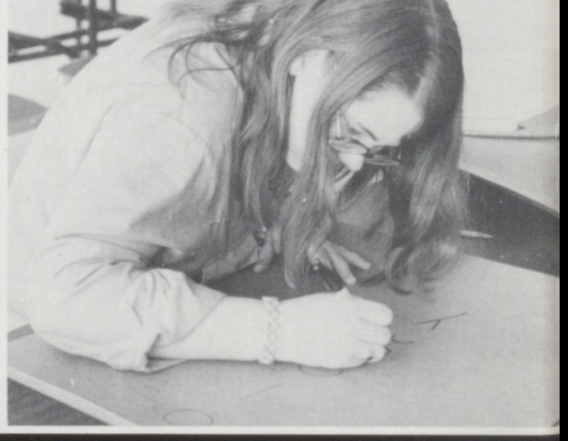

Activities is an all inclusive term that includes academics, athletics, clubs, plays, elections, dances, and just about every activity that is performed in a high school situation. From the time one enters high school, one's life is filled with classes, sports, and associations that take time and energy. But in most cases, the time is gladly given and the energy is happily relinquished.

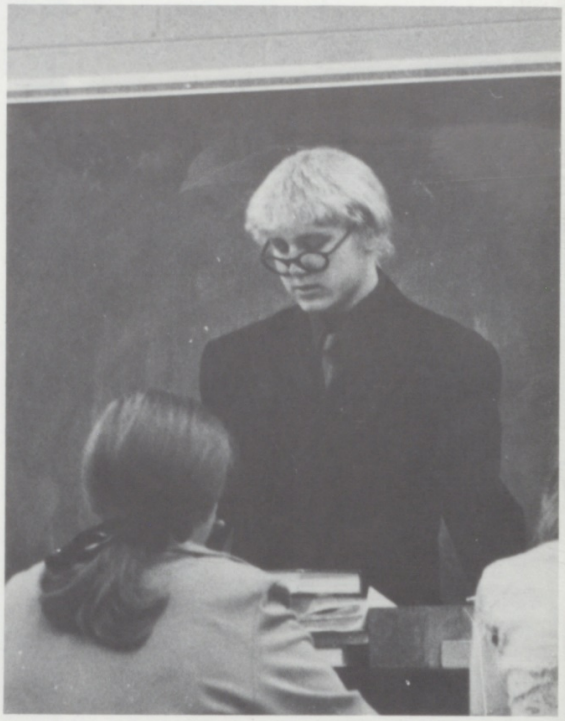

EDUCATION COMES IN MANY FORMS

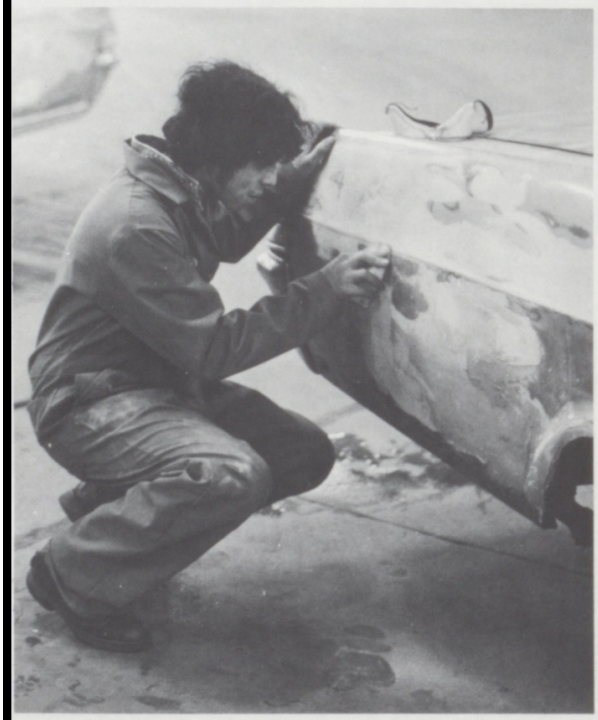

What is school? Just a building that's been built to contain the students and to further their education? Or is it something more than that? Something more and different to each senior, junior, sophomore and freshman?

Brush High School has been around since 1894. It's been moved once from the old buildings on Howard to its present location in 1971. And all those years that BHS has been around, practically every student has discovered some way to make his stay in the building memorable, even if only to him.

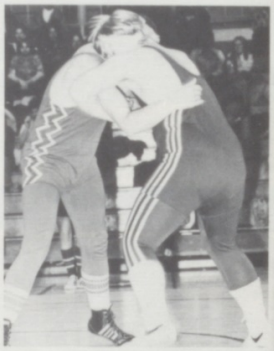

Thanks to the different activities offered by the school and to the individual student's own ingenuity, most students can find a way to pass the time. These activities can range from participating in the music department to just loafing around on the lawns, weather permitting.

Education to some BHS students is not just something in a textbook. It can be competing in one of the sports offered for both boys and girls or square dancing in P.E. For those who don't wish to join in some athletic activity there is playing a part in one of the school plays or just . . .

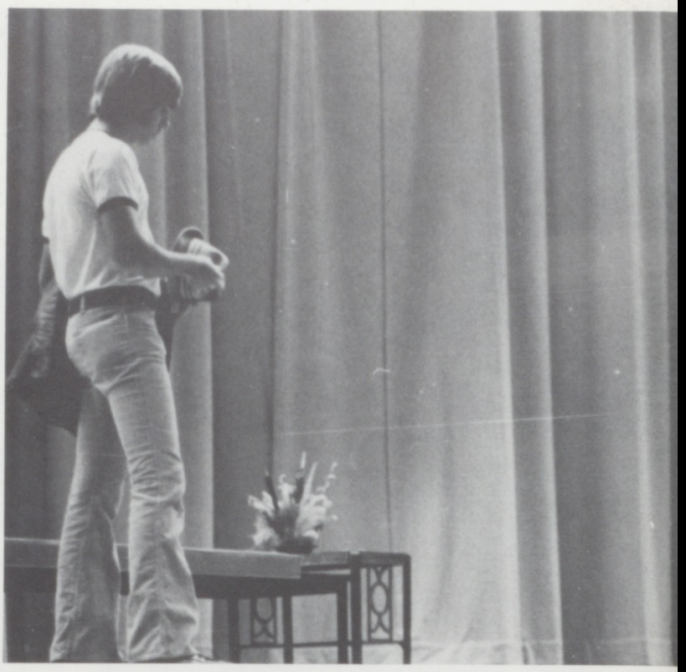

attending one of the school dances, formal or casual.

Many of the courses do have other offerings besides lecturing in the classrooms or writing up term papers. These can be portraying some famous scientist in the science room or going on a field trip for social studies.

So whatever one's interests may be, one can find many ways to spend his time in the halls of old Brush High School.

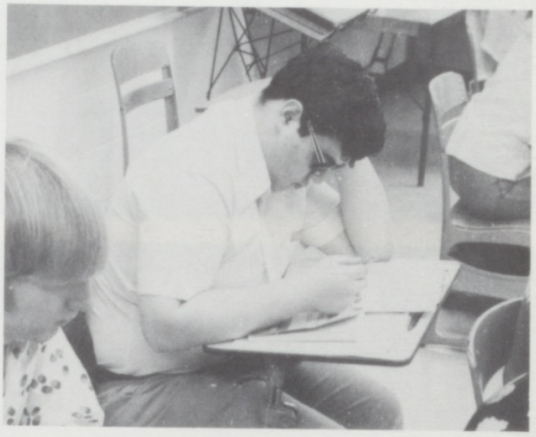

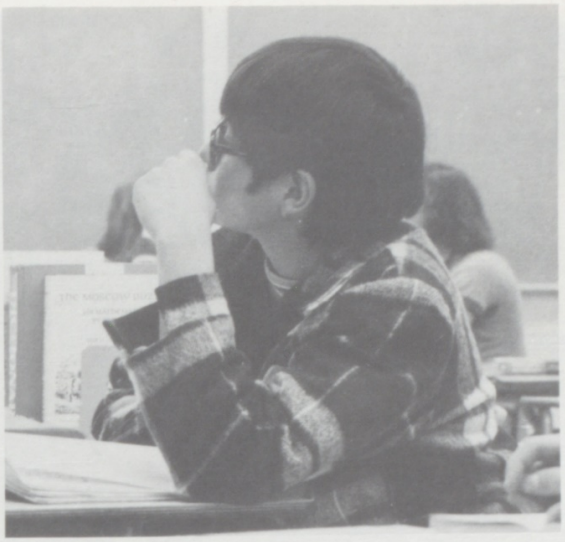

ACADEMICS

Many joys and sorrows and fun and games created the memories of the '75-76 school year. Now that the year is over and past, one can take a moment to look back on the events that made the year one to remember.

Although these recollections may not last forever, pictures serve as a refresher for one's remembrances. The next few pages offer a visual reminiscence of classroom experiences.

Some students worked hard, others didn't. Some students struggled to maintain a high grade average, others didn't. But still, everyone had a sense of achievement that only school days have ever offered.

GIRLS HAVE SUPER SEASON

Lots of hard work and long practice was the formula for this year's success. This year the girls had a 10-10 season and also went to the District play-offs, which was new this year. They were defeated by Valley High, who went on to become the AA champs.

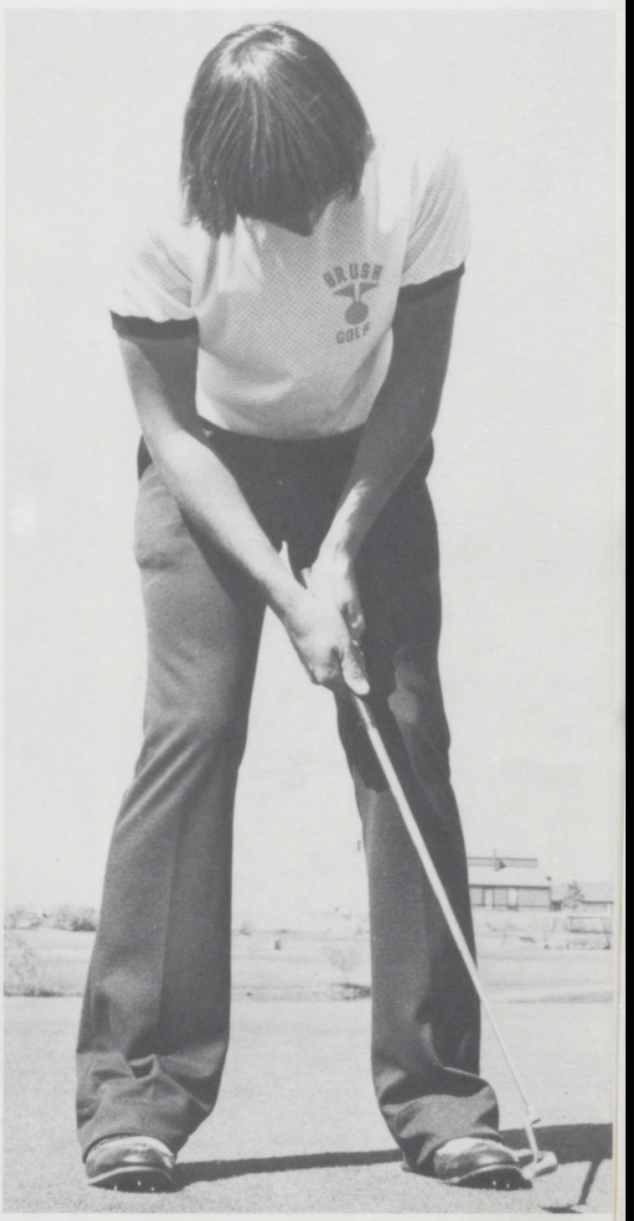

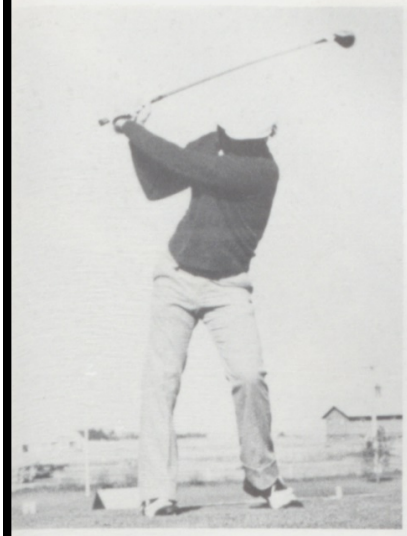

GOLF POPULAR FALL SPORT

Participants out for golf this season, on Varsity, were Carter Stinton, Russell Schilling, Ron Catron, Jim Mitchell, Rick Miller, and Chip Bailey. Those on the Junior Varsity team were Dave Miller, Stan Linker, Kirk Small, Chuck Miller, Rob Price, Brad Mees, Craig Mees, Dave Ingmire, John Strauch, Mike Lebsock, and Neal White. Once again this year both teams were coached by Mr. Richard Lebsock.

TWO RECORDS BROKEN DURING SEASON

LeeRoy Needens and Don Dillehay began their sixth season as Beetdigger coaches. Needens excellent coaching record at the end of the 75-76 season was 97-21. With a 15-1 slate Dillehay's junior varsty ledger rose to 81 wins and 15 defeats.

When conference honors were awarded, the squad was well represented. Rick Miller, Kory Cornum, Dane Mayhugh, were all named to the NEC All-Conference team. Craig Needens got the coaches nod on the honorable mention list.

Two records set by this year's cagers were most points for a single game and highest scoring average for a season.

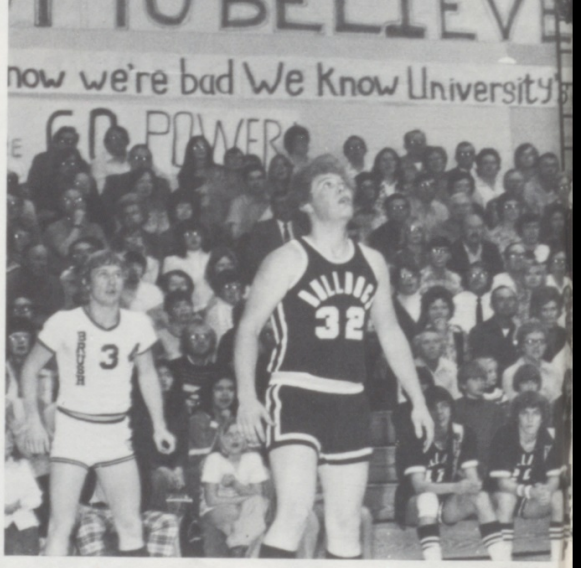

In their second match with Wray, the Diggers scored 117 points to eclipse the record set last year with Akron.

With a 74.3 scoring average the team offense record was broken. The former mark was 73.0 set in 1975.

STEPPING STONES TO STATE END WITH DENVER CHRISTIAN

On the first stepping stone to state, the Beetdiggers leaped over the Fort Lupton Blue Devils with an easy victory of 35-0 on their home field. After this, the 'Diggers took their second step and lost to Denver Christian Crusaders at Mullen Field in Denver. With this loss, Brush tasted her first defeat with a score of 30-21. Because of this loss in the state playoffs, Brush's drive to state championship came to an end.

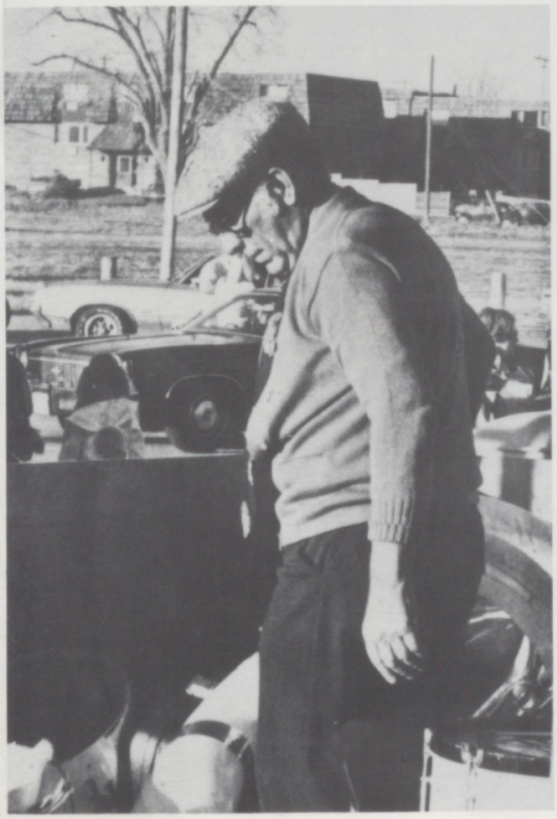

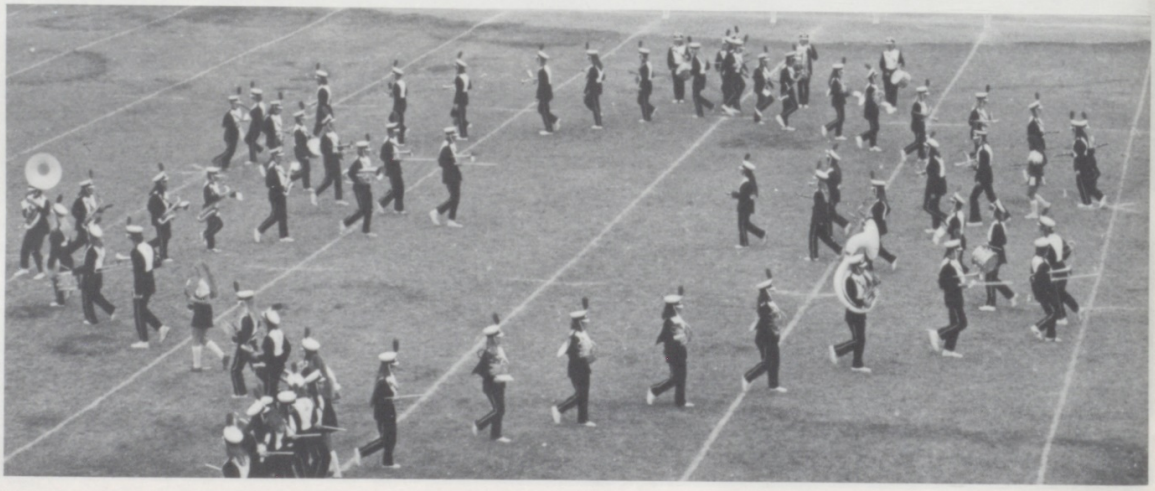

SPORTS IN CONCLUSION . . .

Not only were the athletic seasons for the participants, but they also involved the clubs, the music department, and the general public. The '75-76 year of athletic competition consisted of volleyball, golf, football, basketball, wrestling and track. But concessions and raffles, sponsored by various clubs, helped alleviate the nervous and agonizing excitement of the games, while the bands played on. Also, while the games were going on the spectators were screaming and pushing their team forward.

STUNTS DOMINATE S.E.E.C. BASKETBALL

In the annual S.E.E.C. basketball game, held on Nov. 18, the teachers whipped the girls 21-10. It was a hilarious, slow moving game dominated by the stunts and tricks of the female faculty. In spite of their efforts, the S.E.E.C. members were defeated, but despite the loss everyone on the girl's team participated.

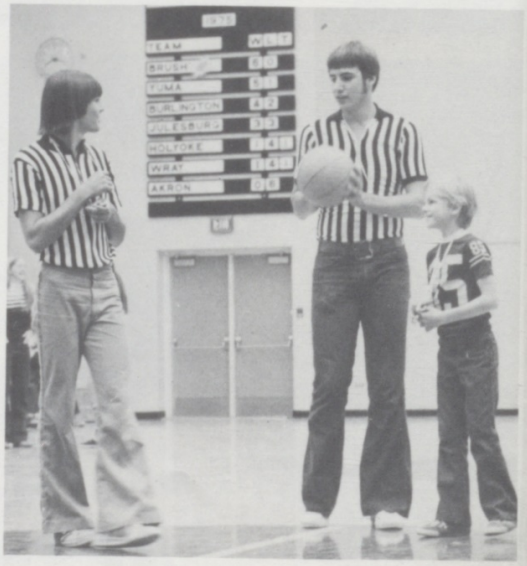

The S.E.E.C. team consisted of Cathy Chrismer, Kara Cornum, Donna Hile, Vickie Laso, Paula Duran, Pat Lee, Diane Geist, and Lisa Villarreal. Kory Cornum was head coach; Sue Geist, assistant coach; Lynn Headley, manager; Lisa Woolley and Lorilee Scott were in the ticket booth.

The victorious teachers team consisted of Martha Howard, Susan Myers, Helen Speegle, Paula Morris, Peggy Potter, Donna Johnson, and Kathy Stewer. Mystery players for the teachers were LeRoy Needens and Barb Wagers. Patty Pabst and Phil Kral added to the night as clowns.

ACTIVITIES SPARK A.I.A. YEAR

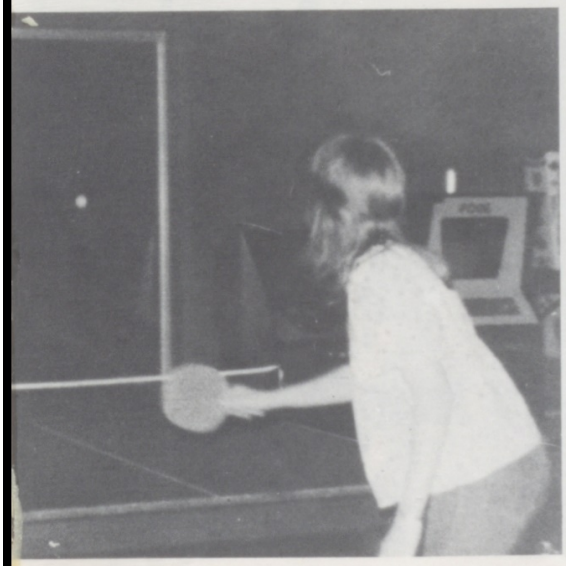

During the '75-76 school year, the A.I.A. had several activities. On January 10, they went to Hidden Valley for two days to ski, sled, swim, etc. They left Brush at 5:00 a.m. and returned home Sunday afternoon about 4:30.

On May 3, they had a picnic in the VFW park. They ate, played volleyball, and sat around and visited. This ended the '75-76 season of fun.

Other activities of the year included attending the National Western Stock Show, participating in state and district judging and district creed speaking contest. The state dairy and livestock judging teams received superior awards while the crops team received an excellent.

At the banquet in April, Lynn Headley and Kent Lindell received the Star Chapter Farmer and Star Greenhand awards respectively.

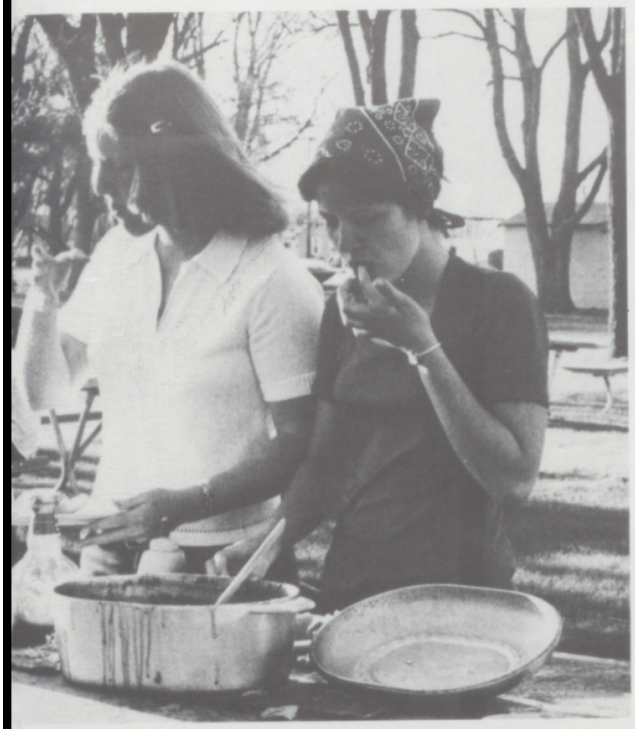

PARTIES END SCHOOL YEAR

As the 1975-76 school year came to a close, what better way to end it than with a food fest. While the students gorged themselves with Spanish, German, and other miscellaneous cuisine, the antacid companies went into full production.

ACTIVITIES CREATE DIVERSION

The day to day school routine can, after a while, become, to those involved, monotonous. Clubs and those activities they sponsor help to alleviate much of the tedium and add an amusing diversion to the continuing humdrum.

Dances, parties, cake raffles, and banquets all help to divert the student's attentions from scholastic matters and serve to promote cameraderie in the clubs.

Slave auctions, speech meets, comical basketball games, and festivities to help the handicapped were all activities that provided learning experiences, money for the clubs and fun for those involved.

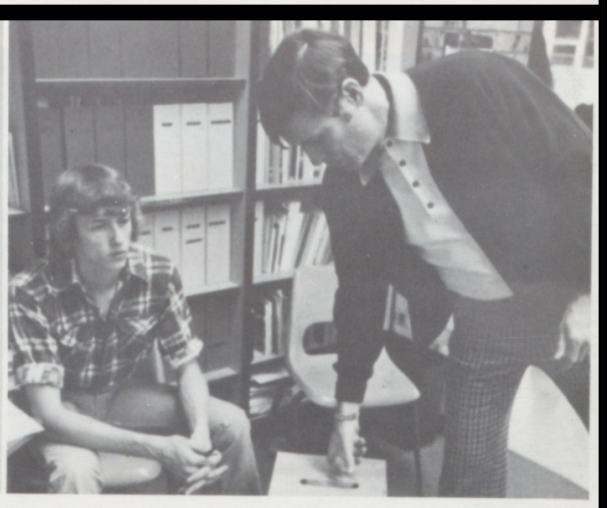

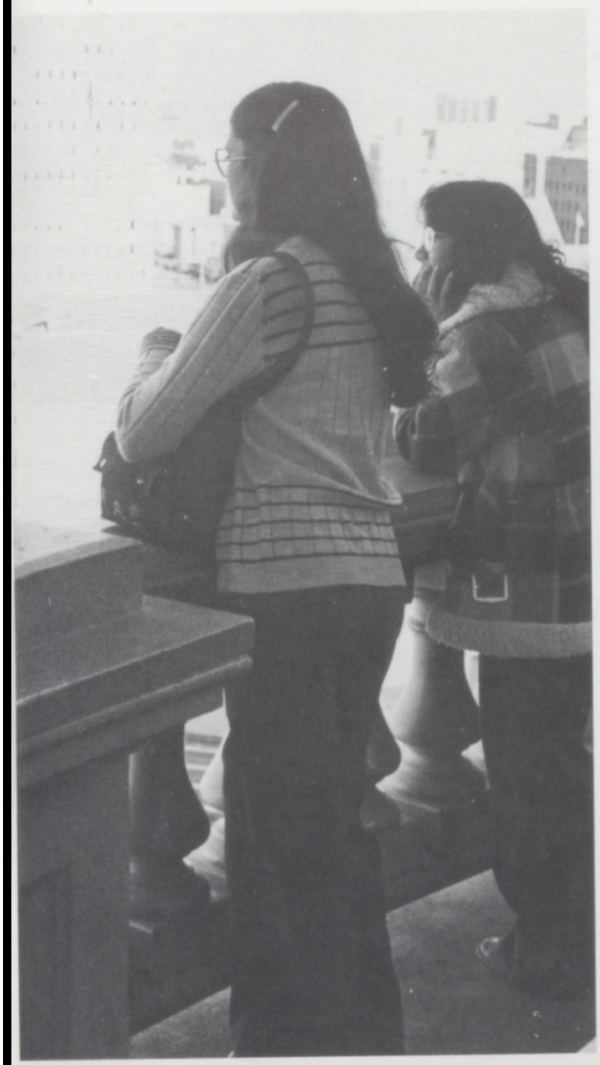

SCHOOL ACTIVITIES

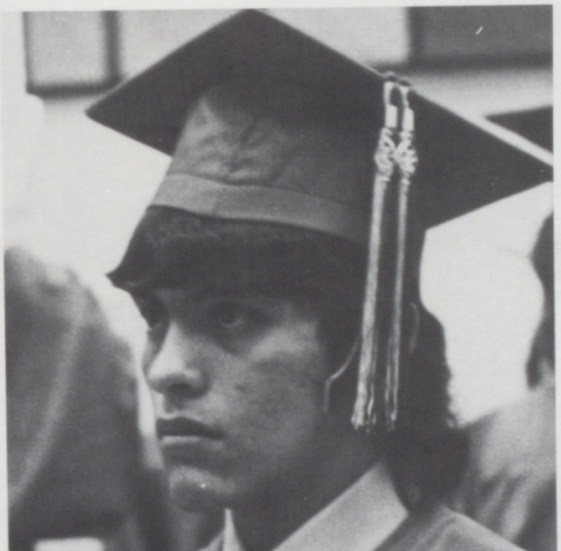

SCHOOL TRADITIONS CARRIED ON

Many things, both good and bad, happy and depressing, happened in the 1975-76 school year. Students of Brush High passed through many phases, or traditions, during the year, but although they were customary, each activity of this past year was unique in its own way. Homecoming began the activities, with the annual parade and pep rally downtown in the afternoon, followed by a bonfire in the evening.

Students were later able to display their talents in the Junior Class and All School Plays. The Christmas program also provided a way for some to show their acting and speaking abilities.

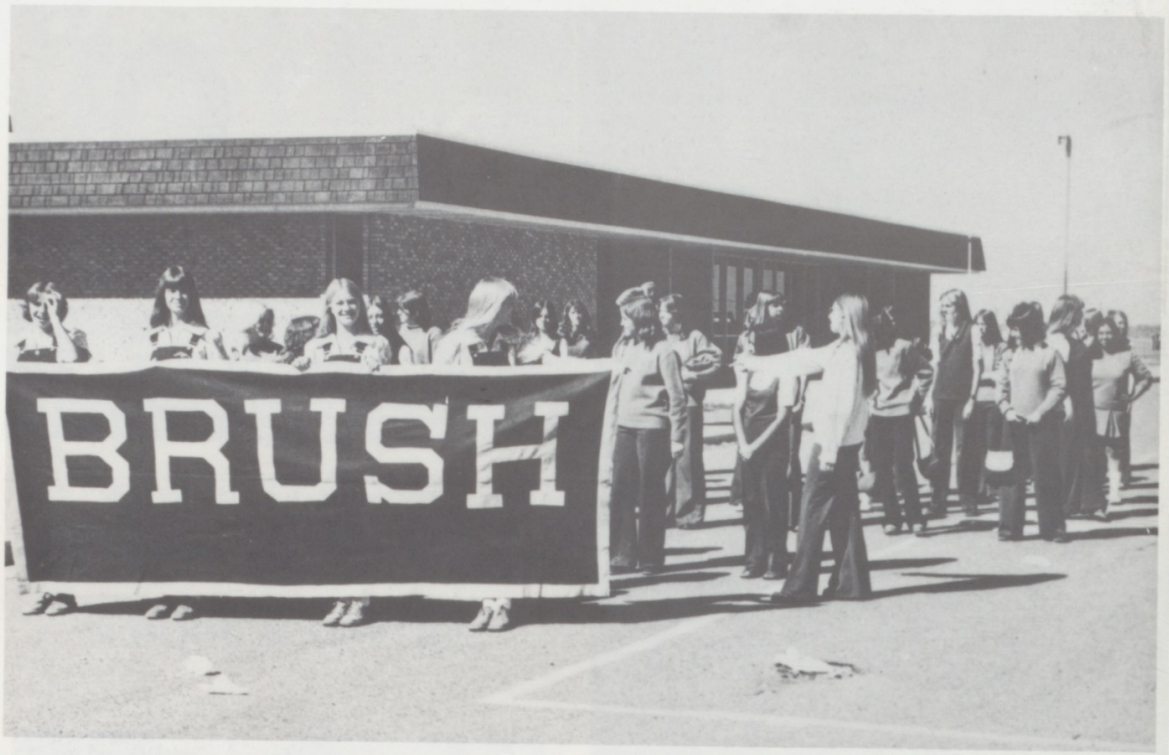

Another tradition of Brush High was Prom, which was sponsored by the Juniors and given to the Seniors. Then there was the elections of the Student Council officers for the following year and last, but not least, was Graduation, the final fulfillment of high school traditions. All of these, together, made the 1975-76 school year.

BRUSH DUMPS JULESBURG 27-0

Students prepared for traditional Homecoming activities by constructing floats, building a bonfire and having a dance.

To round out the week's activities, Brush went on to win the Homecoming game with a score of 27-0 against the Julesburg Lions. During halftime, the king and queen were announced as Mike Ely and Janet Norwood, leading a court of Patty Pabst, Jeri Lessman, Denise Bach, Mark Blatt, Bill Colburn, and Kory Cornum.

HOMECOMING DANCE 1975

Chosen as royalty for the 1975 Homecoming festivities, Janet Norwood and Mike Ely were formally crowned at the annual Homecoming Dance. The dance was held Saturday evening, with the theme being "Year of the Diggers."

Beginning at 8:00 p.m., the dance took place in the Brush High School commons. "The Whitewater Brother's Band", from Loveland, provided the music for the celebration.

The cafetorium was decorated with footballs, golfballs, and volleyballs hanging from the ceiling with the participant's names written on them. Colorful streamers criss-crossed between the light fixtures accented the decorations.

SCHEMING UNCLE FOOLS FAMILY

Members of the Junior Class Play cast were: Glenda Hile, Mike Higgins, Wendy Ruhl, Karen Peterson, Ed Durham, Penny Richter, Barb Appenzeller, Diane Lindell, Dennis Brandenburg, and Jim Hansen.

Members of the crew were, Deb Eskew, prompter, and Neal White and Jim Hansen.

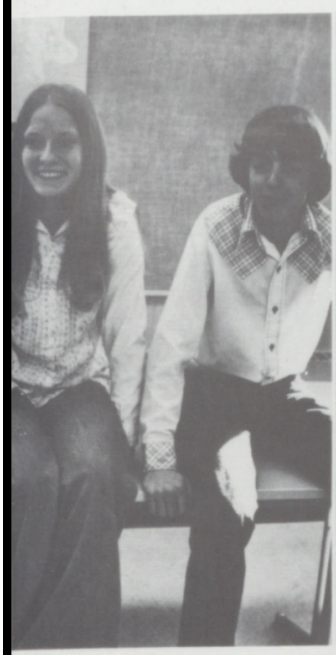

Presentations were Nov. 21 and 24.

I'll Leave it to You", by Noel Coward was presented in the Fall as the Junior Class Play.

A widow and her five grown children turned to a supposedly wealthy uncle when they found they had no more money. He told them that he was destined to die in three years of sleeping sickness, and he would leave his entire fortune to the one of them who had made something out of himself after two years. They immediately went to work in hope of getting the fortune.

CHOIR AND FORENSICS JOIN CHRISTMAS CONCERT

The annual Christmas concert was held Dec. 16, in the Brush High Auditorium. Brush and Ft. Morgan joined together and presented various Christmas pieces under the direction of Mr. Cal Harding, and Becky Schilling as pianist.

Choirs participating were Ft. Morgan select groups, the Brush Select Choir, and the Brush Concert Choir.

They, along with the Forensics Club, provided an evening of music and entertainment to herald the coming of the Christmas season.

Members of the Forensics club presented a skit entitled "Starchie Bunker Learns the True Meaning of Christmas," with Tom Macht, Rose Mata, Rick Conner, Wendy Ruhl, Scott Mormon, Cathy Chrismer, Lynne Cooper, prompter, and Lisa Woolley, announcer.

Reciting various readings were speakers, Rick Conner, Jeff Leis, Dori Cox, Mike Mullen, Jean Segelke, replacing Jeneanne Hansen, Lynne Cooper, and Donna Hile, not pictured.

"TRUTH" HITS BHS STAGE

"Nothing But the Truth", the 1976 All School Play, was performed April 8th and 9th in the Brush High School Auditorium. Mrs. Eleise Bloom, the Brush High Thespian sponsor, was director of the production with the assistance of Miss Lorraine Young.

"Nothing But the Truth" is the story of Bob Bennet, a young man who makes a somewhat outlandish bet with his co-workers that he can tell the unadulterated truth for 24 hours. No matter how embarassing the questions, he must tell the absolute truth for an entire day.

This initial situation catapults Bob into many confusing and somewhat delicate predicaments.

Leading the cast was Kyle Langlois as Bob Bennet. Pam Poulignot played his fiancee and the cause of the dilemma, Gwendolyn Ralston. Other cast members were: Mike Ely-Mr. E. M. Ralston; Patti Verna-Mrs. E.M. Ralston; David Miller-Dick Donnelly; David Strand-Clarence Van Dusen; Mike Higgins-Bishop Doran; Penny Richter-Ethel Clark; Rose Mata and Roberta Trout played the sisters Mable and Sable Jackson, respectively; and Kara Cornum portrayed Martha, the maid.

'75-76 PROM WAS 'HEAVEN'

'These Dreams' was the theme for the '75-76 Junior-Senior Prom. Breaking the tradition of previous proms, this year a Prom King as well as a Prom Queen was crowned.

Out of a field of five, Patty Pabst was chosen as Prom Queen; Becky Schilling was elected to be Senior Attendant and the remaining Queen candidates consisted of Denise Bach, Jeri Lessman and Dori Cox.

Mark Blatt reigned as Prom King with Patty. Other King Candidates were Bob Ferguson, Bill Colburn, Brett Winger, and Rick Miller. The class of '76 elected Deb Eskew to the position of Junior Attendant. The other candidates were Wendy Ruhl and Deb Mayhugh.

The cafetorium was decorated to resemble heaven. Crepe paper streamers in white and shades of blue were strung from the ceiling. A 'Fog Machine' was set up to create a hazy atmosphere, and a mural depicting a mountain scene was hung on one of the walls. Coronation took place on a mock-stone bridge and two ponds, one with candles and the other with fountains completed the picture. 'The Cherry' provided the music.

SPEECHES ADD SPICE TO ELECTIONS

Once again the years Student Council activities concluded in the annual Spring election. This event was kicked off by the campaign speeches on election day.

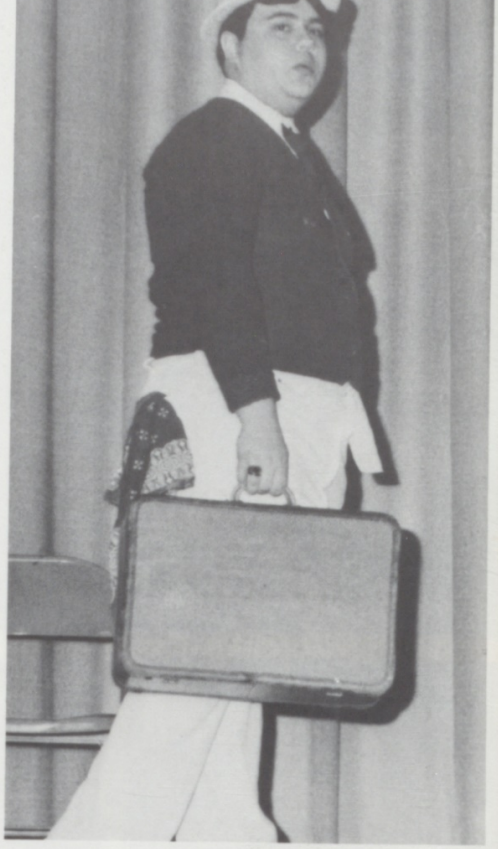

The purpose of the speeches was to inform the students of the various qualifications and qualities of the nominees for the respective Student Council offices.

As in years past, the students doing the speeches chose various methods to sway the public's votes toward their candidate. These methods ranged from the serious speech that was both informative and enlightening to the comical.

The humorous presentations took many forms and added a bit of spice to the proceedings. There was a visit from T.C. "Bully", a couple of news broadcasts, a la "Saturday Night", an appearance made by a Jewish mother, and one lone hick searching for a bus to Cheyenne.

After the ceremonies were concluded, students were unleashed upon the polls to vote for the candidates of their choice.

A new rule was added for this election; instead of having candidates for the separate office of V.-President, it was decided that the person receiving the second largest number of votes for President would win the office of V.-President. Officers for the '76-77 Student Council will be Randy Freund, President; Russ Schilling, V.-President; Stan Linker, Treasurer; and Mary Kay Blatt, Secretary.

AS MEMORIES AND SCHOOL COME TO A CLOSE, TIME CONTINUES TO REVOLVE

Smiles and tears, triumphs, and even defeats belonged to the students of the '75-76 school year. The student body made them; this book just gathered the pictures and information for memories sake, that no matter how the wheels of time may change things, memories are at a finger's touch.

Many memories of Brush High School are enclosed within these two covers--memories of the efforts students made to learn, to think, and to have fun. Although school might have presented many problems to some, the experiences prepared them for a life after school. Experiences of Brush High in '75 and '76 didn't prepare the Seniors only, to better meet and solve their problems, but they also aided the Juniors, Sophomores, Freshmen.

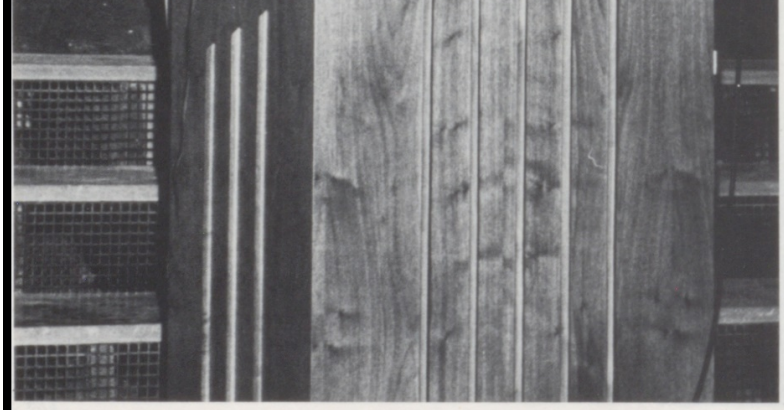

As the year came to an end, thoughts of memorable events crowded many student's minds. At the beginning of the school year, when the wheels first began to turn, the tearing down of the old State Armory was completed. Most of the students of BHS could even remember when they went to school in the building. But that was only one phase of the year--only one event in the vastness of memories.

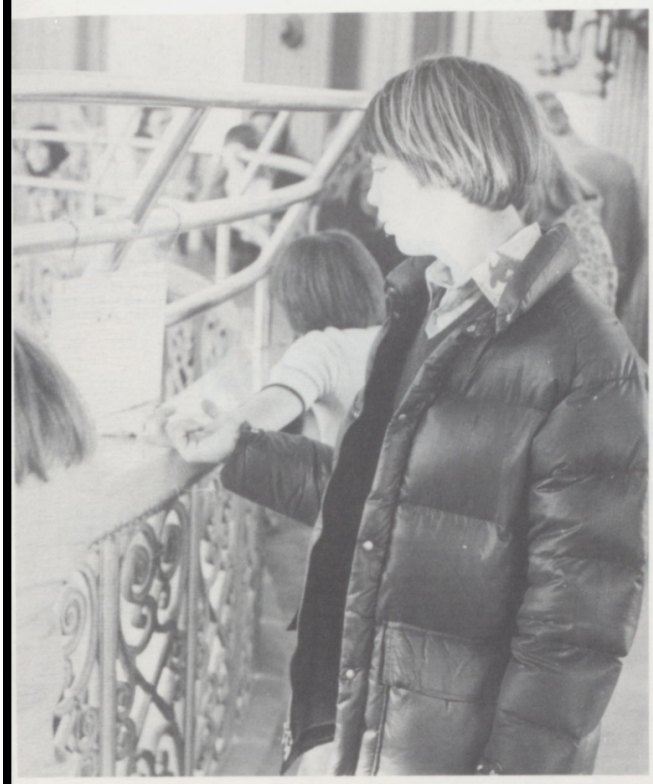

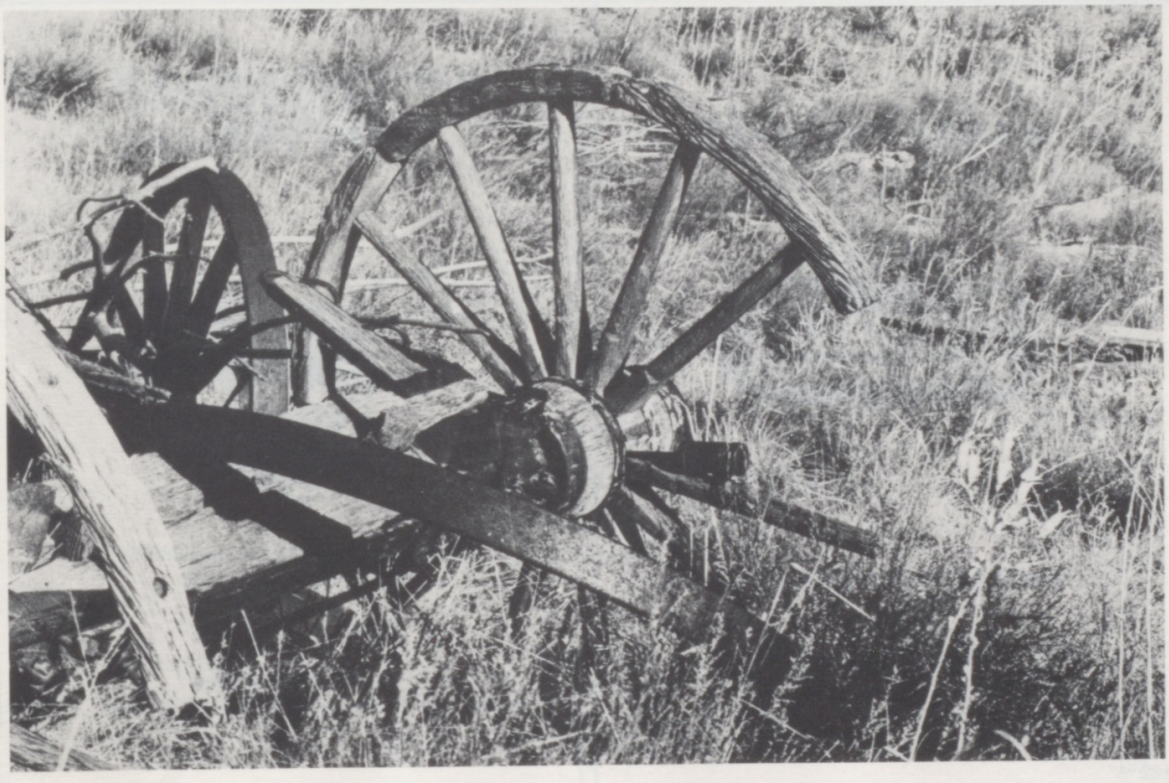

As time passed, the Brush athletes brought recognition to the school in various sporting events. Others also helped to distinguish Brush High's competitive spirit in numerous areas, such as Forensics, FBLA, and the many FFA contests.

Throughout the year, many things happened, all of which aided in the building of memories. These memories were caused by changes the students went through. They were long-forgotten happenings that, with the aid of this book, have returned to remind the student body that the '75-'76 Bicentennial school year was an eventful, changing, year, and although the wheels have turned in the past, they will continue to rotate.
