STUDENT COUNCIL

The Student Council is made up of the officers of the school, chairmen of school committees, and representatives from classes and organizations. Its main purpose is to improve the school and the way that it is run. The members of the council decorate the school, take care of the bulletin boards, and provide for entertainment programs; in addition to taking care of the library system. They bought a school radio, paid partly for gold footballs and helped put out annuals from money they took in at entertainment programs.

The Brush High School foot ball team, coached by "Butch" Schlater, won the respect of all its opponents for its vigorous action. The Brush team reached the state semi-final play-offs, where it lost to Loveland, the state champions.

Two men from the team were unanimous choices for the all-state team: Charles Painter and Harry Schnieder.

The scores were as follows: Yuma, 27-0; Johnstown, 27-0; Ft. Morgan, 24-0; Sterling, 25-0; Burlington, 27-7; Ft. Morgan, 25-6; Holyoke, 37-7; Sterling, 2-7(defeat for Brush); Hugo, 19-0; Loveland, 7-18(defeat for Brush).

BASKETBALL

The Brush Basketball, although the tallest Beetdigger quintet of the past five years, retained its position of last place in the Northeastern conference this year, finishing with a record of one win against five losses. The sole victory, a 30-18 success of College Hi, was so impressive that many critics wondered whether Brush's deserved place was at the bottom of the standing, a question that was further stimulated by Brush's practice game victories.

The Beetdiggers closed their season on March 4 by setting a five-year scoring record with a total of 57 points against a scrappy Fleming team.

Of the eight first stringers, four are to graduate. They are: Harry Petersen and Harry Beckman, forwards; Harry Schneider, center; and Pete Clark, guard. Those returning next year are Rollie Gray and John Elling, forwards; and Lee Painter and Jack McGregor, guards.

BRUSH TRACK TEAM OF 1940

Front row from the left:

Vick Ostermiller, Harry Peterson, Donald Eakins, Robert Oldemeyer, John Lassen, Fenton Tate, Francis Hellman, Coach Myron Schlater, sitting, John Daily.

On May 4, 1940 the Brush Track Team was invited to the Sterling Invitational Track Meet at Sterling, Colorado.

The team won 3 firsts, 6 seconds, 1 third, 3 fourths, 3 fifths: First place, the Shot Put, Fenton Tate; Pole Vault, Harry Beckman; Discus Throw, Bob Oldemeyer; Second place, High Jump, Lee Painter; Broad jump, Harry Peterson; 100 Yard Dash, Arnold Christensen; 440 Yard Dash, Fenton Tate; 800 Yard Dash, Donald Eakins; Third place, 4 lap relay, John Lassen, Harry Peterson, Felix Tapia; Broad jump, Lee Painter; High jump, Harry Beckman; Fifth place, Shot Put, Bob Oldemeyer; Four lap Relay; 200 Yard Dash; Discus Throw, Arnold Christensen; Pole Vault, Norman Buckmaster.

GOLF TEAM

The members of the golf team were George Hear, Walter Daniels, George Hart, and James Hutcheson.

Walter Daniels won the Northeastern League championship.

BRUSH TENNIS TEAM

Brush's four-man tennis team "took to the road" this year, making five trips to compete against such teams as Greeley, Longmont, Sterling, Fort Morgan, and Julesburg. The Beetdiggers won only one match a decisive victory over Sterling.

The most consistent individual winner was Craig Rudolph, who as number three man, won a total of five matches; while Bob Petteys and Rollie Gray were each victorious three times. Other members of the team were Harry Beckman, Harry Petersen, Warren Schmidt, Darrell Lingle, and Thomas Robertson.

The Beetdiggers were ousted from the Northeastern Conference Championship by the formidable quartet from College Hi, twice champions. The College Hi team placed four men in the semi-finals to gain an overwhelming advantage over Brush, Fort Morgan, and Sterling.

"B" CLUB

The "B" Club is for boys in Brush High School who have earned a letter in at least one sport.

BAND HISTORY

The Brush High School Band is an organization of approximately 80 members. The main objective of this organization is the study of the better types of band literature and to instill in the student body a better appreciation for good music.

The band program for the 1939-1940 school year has been rather varied and extensive. It appeared at all home football games in parade and concert formation. Out of town trips included a trip to Fort Morgan with the football team and Fort Collins during Music Week to participate in the parade and massed band concert.

This is the first year we have enjoyed the fine new uniforms purchased last spring.

A series of six concerts was given during the winter months in conjunction with the orchestra. The band, though strictly a school organization, cooperates with civic groups, supporting programs for special events such as Armistice Day and Memorial Day.

THE BRUSH HIGH SCHOOL ORCHESTRA

The orchestra, like the band is an organization made up of a group of students interested in the study of the better types of music literature.

This organization supports such school activities as class plays, commencement programs and various community enterprises, and in conjunction with the band gave a series of six public programs during the winter months.

The orchestra won an excellent rating in the Class B State Music Festival in Fort Collins this spring.

FUTURE HOMEMAKERS' CLUB ACTIVITIES

Previous to 1937, our Brush Future Homemaker's Club was known as Home Economics Club and was just a local club, but in 1937 a new club was organized, and it is now an international club.

The main purpose of our club is to teach the girls to make their environment more desirable, to help the girls build up high standards of living and to give recognition to girls who have made consistent and superior progress in class work.

We also have two degrees of membership. The Junior, which includes the Freshmen girl if she is enrolled in a Homemaking class and Future Homemaker's, which includes any girl who has completed the first year in Homemaking. When a girl has met all qualifications of a Future Homemaker, she is entitled to a state F.H.C. pin. We have five women advisors and the high girls assist in sponsoring the club when we have parties and our various parties occur every month.

We sincerely do our best in our club to improve ourselves to be more thoughtful, and to always give our best service to our school, our community and our state. Our club brings out leadership in every girl belonging to it and gives an opportunity for social training.

We sincerely welcome each newcomer into our club.

THE CAMERA CLUB

The Camera Club was begun this year by faculty sponsor Mr. Schweers. The members have purchased some equipment for the development and printing of pictures. Much progress in picture-taking, developing, and printing has been made by the members during the year.

The members of the Camera Club are Don Mitchell, Craig Rudolph, Clarence Roberts, Mr. Schweers, Robert Joppa, Donald Ball, and Whit Gill.

Most of the pictures of this book were printed by the Camera Club. Next year the Camera Club is planning to purchase some additional equipment in order to enlarge the number of its activities.

GIRL RESERVES

The Girl Reserves is a branch of the Y.W.C.A. They try to strive for higher ideals among the girls. It is the plan of the G. R. to have one party a month. The various types of parties are: Annual Boy Friend Party; also a party for all freshman girls in the fall; in addition to a spring tea and style show. We also have an annual Mother and Daughter Banquet.

The G. R. is divided into several groups, each one under the leadership of the cabinet member. The purpose of these groups is to obtain money to send three or more of the girls to the G. R. summer camp.

JUNIOR GIRL RESERVES

The Junior Girl Reserves came into being as a separate organization only this year owing to the fact that G. R. had increased to ninety-seven members and had thus become too large to function as one group. After the division was made, with only Freshmen and Sophomores comprising the Junior G. R. and with Miss Cameron remaining as sponsor, the new group elected the following officers: Corinne Gray, president; Miriam White, secretary-treasurer; Jean MacNeill, program chairman; and Jeanne Anne Webster, social chairman.

The activities of the new group included a boy-friend party, a skating party, and a kid party. In addition the Junior G. R. gave two food sales in order to raise funds to send one of their own members to summer camp. In several other activities such as charitable work, both groups of the G. R. functioned as a unit.

Back Row—Orville Tomky, Reuben Bostron, Folmer Christensen, Jack Pedersen, George Hart, Everett Christensen, Howard Krout, Lynn Greenwood, Frank Hale.
 Third Row—Robert Giauque, John Gill, Edgar Christensen, Richard Krout, Calvin Lucht, Donald Oldemeyer, Lloyd Hansen, LeRoy Amen, Donald Pedersen.

F. F. A.

The Brush Chapter, number 23, was granted a charter on May 10, 1927. Ever since then it has grown in size and improved in its methods until 1940 when it was designated the outstanding chapter in Colorado and received a plaque. In the fall of 1940 this chapter represented Colorado in the national chapter contest, and was given honorable mention.

Each member is required to have a farming program of his own either in livestock, poultry, or crops. In 1940 the total investments of all the projects amounted to \$7,547.79 and the net profit \$1,068.35. This not only gives the boys a chance to earn money, but it gives them experience in farming. The boys exhibit their animals, poultry, and grains at fairs, seedshows, etc.

Each spring along with their school work they learn to judge livestock, poultry, and grain. There is a team chosen to represent the chapter at the state contest.

This last year the chapter had many chapter activities. Some of these were to raise funds, others were for experience such as rabbit drives, chapter projects, seed treating, seed testing, livestock survey, etc., but no matter how hard they work they have their entertainment such as picture shows, picnics, and their annual summer vacation trip.

G. A. A.

The G. A. A. which stands for the Girls' Athletic Association is one of Brush High School's most active organizations. Their meetings which are held twice a month are spent in business details and shooting baskets.

They have a point system which is state-wide, and the girls who have the most points at the end of the year are awarded an emblem or pin. These points are earned by going hiking, bowling, horse-back riding, and many other things that have to do with sports.

The Brush Chapter has made money for their club in various ways. They sold hot dogs, candy, and pop at the football games. The kindness they are noted best for is their annual Christmas party for the Knearl School.

The officers of the Brush Chapter are President, Louise Wright; Secretary, Mary Elyn Bolinger; Sponsor, Miss Betty Kittle.
