Brush High School

From participating in homecoming activities, to hanging with friends at a football game, or just cramming for that big test, the 1999-2000 school year was a busy one. We came into the year with hopes and aspirations and came out with lasting memories and great experiences. There were good times and there were bad times, but they all carried lessons pertaining to life in the real world.

this book we capture memories, both good and bad. It depicts the year at school as it truly was. We will look back at these debt-free days and homework-filled nights. The yearbook is an important part of our history that we will not soon forget; it has been said...those who forget the past are doomed to repeat it.

Seniors--time to move on with life, finished with all you can do at BHS, it wasn't that long ago when you first walked in the doors of elementary school. Now, the walk is out and into the world.

Each year, the senior class takes a day to head for the mountains together. School counselor Mrs. Thruston takes a group picture, and distributes prints of the picture to the seniors. For the class, it's a great way to celebrate all their hard work. It makes for a lifetime memory.

Mr. Miller and Mr. Acosta strut their stuff at the Mr. Beetdigger pageant. This was a popular event sponsored by student council.

Dane Peterson is all smiles with the wad of cash he has in his hands. FBLA and DECA were in charge of this money-grabbing game at a pep rally.

Marty Schilling and Jason Weiss are ready to go on a hayride--a fun thing you can do when you're in Ag.

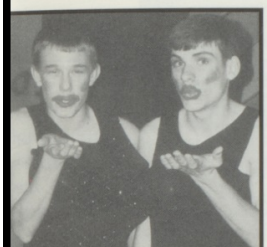

Diggers *In* Clubs !

Sometimes we take our clubs for granted, but the Diggers who participate and make the clubs work add many special and memorable experiences to life at BHS.

In the Country, *Out* on the Farm

For those students who are looking for something in agriculture, FFA is the perfect club. FFA offers a wide variety of events including judging competitions, leadership conferences, and all-around fun for everybody. This group is known for all the fun that they have together--just doing what they like to do.

Language Club memories will live on...

"From making *ojos de dios* to guitar sing-alongs to video *fiestas* to French-style baking, Spanish and French Club members have enjoyed a large variety of activities that have enriched their lives in understanding the Spanish and French cultures. These clubs have brought about memories that will last forever...adorning skeletons with glitter for *el Dia de los Muertos*, cooking authentic Spanish cuisine, going to see Man of La Mancha, and attempting to dance the tango. We've learned that understanding other cultures helps open up the world and gives us more opportunities to explore. The lessons we've learned and fun times we've had will be something we carry with us...*para siempre*."
